Hi Sue,

I invited everyone that will be working on the EA to the meeting on Monday at 10 am and realized that I forgot the most important person - you and I can't seem to forward the invite.

What I need from you is the url for the skype site and password if there is one. I wasn't sure on the amount of time so I gave it 2 hours.

Hi Rick, I cc'd you on this e-mail because I think Sue might be out of the office and if she is maybe you could get me the url.

I have reserved a room (Fairbanks) and quite a few people from USFWS will be coming over to watch and listen together.

Thanks,
Donna
