Thank-you Rick for letting me know. I am going to be out of town starting the afternoon of June 6 through June 11. From June 13 to June 27 I will be in the field but still working and should be able to check my e-mail.

Please cc Sarah on any e-mails during this timeframe, she will make sure that things are followed up on while I am out.

When you have a date/time to reschedule please let us know and provide the answers to the questions when you have them. We are waiting on the answers to finish writing Chapter 2 (Proposed Action and alternatives) of the EA.

Thanks,
Donna

Donna,

Unfortunately, we will have to reschedule this meeting. I'm very sorry for the late reply but due to the media leak last week and the number of responses required for the permit clarifications, we have further internal work, discussion and approval before presenting on seismic and returning our responses. It is not our intent to not move this forward, we will reschedule as soon as we can.

Regards,

Rick

Hi Rick,

The sooner we can get the link this morning the better. I will need to e-mail it out to people that aren't in Fairbanks, both BLM and USFWS.

Thanks,

Donna
