Yes, I believe so, there were so many people talking I lost track some of the time. If you would like me to contact someone from that division I can?

Hi Sue,

I did see your message, and I am looking into locating the documents. I was not at that meeting, I assume that these were USFWS documents.

Thanks,

Donna

Hi Donna

When you return to the office we would like to get copies of the following:

- FWS Hydrology Survey/Data/Studies in the 1002 Area
- Snow Survey (FWS/UAF Collaboration)
- USGS Thermistor data in 1002 Area (3 sites)
- Snow Survey from Camden Bay-Marsh Creek and Eastern portion of 1002 Area (FWS)

These reports were mentioned during the meeting last week of studies that might aid us in our planning. The BLM folks mentioned they could give us copies.
