Thank you Donna. We submitted our application on May 3, so we feel that we are 2/3rds along into the process. Look forward to your reply and your expected date for an issuance.

Regards

Rick

Hello Rick,

I am currently working on a letter to SAE that will contain information as to the status of the permit and the expected time frame to process the application. I expect to have that to you some time near the end of next week.

Thank-you,

Donna

Good Morning Shelly,

Hope you had a good fourth of July. I'm following up from our recent meeting.

We'd like to get an update from your office. We are well into our 90 day time window and would like a timeline for issuance of the permit.

Please advise. Thank you.

Regards

Rick Trupp

Thanks Rick. If Thursday (6/21) at 9 am would work for you, that would also work for me. Let me know and I will reserve a conference room and phone bridge here at the BLM office in Fairbanks and send out a calendar invite.

Are there any people from ASRC and or KIC that I should include on the invitation? Several of the IDT members are out of the office, but I expect maybe a dozen people will attend or call in, including a couple of people each from our BLM Arctic District Office, the FWS Arctic Refuge, as well as our BLM-Alaska State Office in Anchorage.

Shelly,

Thanks for the email.

We can be available in the morning of Tuesday or Thursday next week, would plan to fly up in the am so a 9 or 10 am start would work.

We could discuss and provide the additional information and give a short presentation on seismic if needed.

Please let me know your availability

Regards

Rick
