Hi Donna

I believe we had explain previously that the SPCC plans are project specific and are adjusted just prior to project start. I am including in this email a copy of our SPCC plan from one of our last projects.

The graywater discharge permits are available online. I have included a copy in this email for your records.

Please let me know if you need anything else.

**Subject:** questions

Good Morning Sue,

Does SAE have the SPCC plan for this project yet? If so, would you please send me a copy?

What is the status of the ADEC permit for wastewater discharge? If you have it would you please send me a copy?

Thank-you,

Donna
