Subject: 9/25/2019 Incident

Hi (b) (6), (b) (7)(C)

Here is a statement from yesterday's event:

I was working in the mail room on 9/25/2019. Around 4:10 p.m. I heard singing and looked out the small mail room window and viewed a group of people surrounding the information desk. I peered out there another time through the window and I still saw the group there,

I received a call from (b) (6), (b) (7)(C) who had been speaking with (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) relayed (b) (6), (b) (7)(C) message to remain in the mail room and to mention to (b) (6), (b) (7)(C) not to tell the group anything except hello. I poked my head out to see if I could pull (b) (6), (b) (7)(C) aside to give (b) (6), (b) (7)(C) the message. As I opened the mail room door, a blond woman immediately asked me a question. She asked me if I could get someone down to talk to a Winnemem Wintu Chief? I replied No I can't, I am sure they are already aware of this. I then closed the mail room door and I called (b) (6), (b) (7)(C) to relay the message. (b) (6), (b) (7)(C) was helping in the Credentialing Center and was with a client. After the client left (b) (6), (b) (7)(C) and I noticed that when we looked out the window that a man was filming us. We then stood to the side so they could not film. (b) (6), (b) (7)(C) began filming through the window, latter I noticed that they posted some cardboard cut outs that they had made to block (b) (6), (b) (7)(C) from filming them. I then let (b) (6), (b) (7)(C) out the back door from the storage room that is behind the mail room so (b) (6), (b) (7)(C) can go outside and around to get to (b) (6), (b) (7)(C) work area. The group left about 4:45 p.m.

Sincerely,

(b) (6), (b) (7)(C)
