Hi Brenda,

As of our June 17th Board of Education meeting, we will be utilizing Asset Works for our Asset Inventory Service. I believe you went over to Questar III because they were using this platform. I just wanted to let you know in case you decide you would like join our service once we get everything up and running.

Best,

Jennifer

ok, thank you. That is good to know.

Last June we were looking to have a physical inventory of our assets and your co-ser was not up & running at that time so we utilized Questar III BOCES.
