Good Morning,

We are always striving to build efficiencies and value into our services. To that end, I am working to gather data pertaining to bus garage operations; specifically looking at staffing as it relates to the number of mechanics compared to the number of buses/vehicles being serviced. I would very much appreciate your help! The survey should take five minutes or less to complete and your responses are anonymous. The link to the survey can be found here: <https://forms.gle/6rnr1bhuk98QMED76>

The link will close this Friday, 2/27 at 4:00 pm.

Thank you, in advance, for your assistance!

Regards,

Jennifer
