Good afternoon,

Many thanks to those of you that were able to attend our kick-off meeting last week. I wanted to provide everyone with notes from the meeting as some of our discussion pertained to future meetings and logistics:

- To start, we will meet more frequently (e.g. every 4-6 weeks) from now thru the end of the current school year. We will re-asses meeting frequency over the summer/in the Fall next year.
- Meetings will be held in-person in the early evening (4:30 pm) with the hope that this allows more of you to attend. A virtual option will be offered, however, in-person attendance is preferable. We will also try to rotate the days of the week when meetings are held.
- Superintendents may be invited to attend certain meetings as well, depending upon the nature of the topic(s) being discussed. We agreed that their presence/input could be valuable but we also want to allow for time where you all can talk freely amongst yourselves without the Superintendent's present.
- Jen will work on creating an SRO contact list that will be distributed to everyone so that you all have each other's information.
- Please send requests for specific meeting topics that you'd like covered/discussed to Jen.
