Good Morning School Resource Officers!

The Capital Region school district Superintendent's have asked the BOCES to begin holding regular meetings for their respective SRO's. These meetings will provide an opportunity for SRO's from across the region to get to know one another, open lines of communication, and discuss existing and emerging issues with the hope that we can all learn from each other.

Below is a link to a short Google survey. Please take a few minutes to respond. I need your input pertaining to the best time of day to conduct these meetings and also to gain insight into potential topics for meeting agendas.

My thought is that we will have our initial meeting some time in March, and meet every other month after that. I will aim to schedule meetings for the same day each time we meet (e.g. the second Tuesday of the month). Meetings will be in-person and held at the BOCES administrative office building in Colonie.

I look forward to meeting you all and working with you! Please don't hesitate to reach out to me with any questions you may have.

Hi Oliver and Patrick.

As you know, Jen Bennett sent the email below to SRO's last week. [REDACTED] from the Saratoga Sherriff Department reached out to Jen with concern of the meeting being in person. Jen had a good conversation with him and suggested that if he still had those concerns he reach out to his point person in your district to discuss further. To date, we have not heard of concerns for the other counties or agencies providing SRO's.

I just wanted to put it on your radar. If [REDACTED] does reach out and you want to discuss further, please just let me know.

Have a good day.

We have been in communications, and the concern, his and the school principals, is having all the SRO's out of district at one time and no back-up on site. So, we may very well be looking to send a representative. [REDACTED], who oversees the program for the district is copied on this email.

DISCLAIMER: This email is being furnished exclusively to the person (s) named above. Please be an honest broker, do not post on social media or disseminate without my consent. Good idea- We have two SROs - we could send one. Another thought would be to hold meetings during break weeks. I know many of the SROs have road duty when school is not in session and would probably like to have a day to meet.

Subject: SRO Meeting

Good Morning School Resource Officers!

The Capital Region school district Superintendent's have asked the BOCES to begin holding regular meetings for their respective SRO's. These meetings will provide an opportunity for SRO's from across the region to get to know one another, open lines of communication, and discuss existing and emerging issues with the hope that we can all learn from each other.

Below is a link to a short Google survey. Please take a few minutes to respond. I need your input pertaining to the best time of day to conduct these meetings and also to gain insight into potential topics for meeting agendas.

My thought is that we will have our initial meeting some time in March, and meet every other month after that. I will aim to schedule meetings for the same day each time we meet (e.g. the second Tuesday of the month). Meetings will be in-person and held at the BOCES administrative office building in Colonie.

I look forward to meeting you all and working with you! Please don't hesitate to reach out to me with any questions you may have.

Great idea about using the Break week.

On Mon, Feb 6, 2023 at 5:49 PM Patrick McGrath <pmcgrath@bhbl.org> wrote:

Good idea- We have two SROs - we could send one. Another thought would be to hold meetings during break weeks. I know many of the SROs have road duty when school is not in session and would probably like to have a day to meet.

Subject: Re: FW: SRO Meeting

We have been in communications, and the concern, his and the school principals, is having all the SRO's out of district at one time and no back-up on site. So, we may very well be looking to send a representative. **[REDACTED]**, who oversees the program for the district is copied on this email.

Hi Oliver and Patrick.

As you know, Jen Bennett sent the email below to SRO's last week. [REDACTED] from the Saratoga Sherriff Department reached out to Jen with concern of the meeting being in person. Jen had a good conversation with him and suggested that if he still had those concerns he reach out to his point person in your district to discuss further. To date, we have not heard of concerns for the other counties or agencies providing SRO's.

I just wanted to put it on your radar. If [REDACTED] does reach out and you want to discuss further, please just let me know.

Have a good day.
