Greetings SBO's,

WE NEED YOUR HELP to better determine how to structure and move forward with the BOCES Interscholastic Athletics Coordination service.

The focal points of this service will be: overall management and coordination of athletic activities working with and through Section II; recruitment, hiring and assigning of sports officials; and, training of sports officials and others associated with athletics. To better inform the direction we will take, we are seeking information related to component district expenses associated with Section II dues and payment of sports officials. Your feedback is greatly appreciated!

Please take a few minutes to complete the survey linked below. We are asking that you complete your survey no later than **Friday, July 15th**.

Thank you so much for your help and support!
