Re: Freedom of Information Law Request Records

Dear Mr Occhiogrosso,

Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officers Law, I hereby request records or portions thereof pertaining to (or containing the following)

Isotope Use and Disposal Records signed by (permit holder) Dr. Wang covering the period 2013-2019.  
Radioactive Materials Receipt logs covering the period 2013-2019.  
These records should be in the possession of Dr. Richard Belgraves (rbelgrave.ccnycuny.edu) who is the Radiation Safety Officer.

If my request appears to be extensive or fails to reasonably describe the records, please contact me in writing or by phone at 908-240-6901.

If there are any fees for copying the records requested, please inform me before filling the request or please supply the records without informing me if the fees are not in excess of \$150.

As you know, the Freedom of Information Law requires that an agency respond to a request within five business days of receipt of a request. Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly. If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name and address of the person or body to whom an appeal should be directed.

Sincerely,

Jesse Brodtkin
