This is a follow up to request number 1403668-000:

To Whom It May Concern:

Pursuant to the Freedom of Information Act, I hereby request the following records:

1. James Comey's calendar, electronic and physical, from September 13, 2013 to present date.
2. Christopher A. Wray's calendar, electronic and physical, from September 28, 2017 to present date.

Fee Waiver Request:

1. The records requested will contribute to the understanding of the government's operations and activities. This is since it will reveal important details of the FBI's goals. This would be since the calendars would show the indirect interests of the FBI. The calendar would lead to understanding of the director's issues and solutions. Also, it would highlight and explain a timeline of what was happening. Lastly, it would show layers of the "life as a director". This would allow people to understand how and why the director, and indirectly the FBI, acted. Lastly, it would allow a clearer picture to the scandals and prove or disprove them.
2. There are many ways how the public would want this. I would like to point that everyone has been intrigued in what Comey has done. Also, since 2016 there has been an uproar in wanting to know what the FBI has done and will do.
3. This will allow the public to have more understanding. This is since the public has had slight "shades of light". This information will show the scope of Wray and Comey. Ultimately, it will allow the public to be submerged in full light. This has been shown through CNN, FOX, etc. Finally, it will show some details that might otherwise not be known.

Expedited Processing:

The public would like to know what was going on in the FBI day by day. It will show many things that will prove or disprove, and might cause more wanting. Per your knowledge of the public's interest, I request expedited processing. Also, Muckrock is a website that will deliver this information. While not classified as a "news media", this website delivers information to over 100,000. This being said, the credibility is valid as this website will show what has happened and is happening.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance

of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Carlos Gamez
