Re: Cicero School District No. 99
Freedom of Information Act Request

Dear MuckRock News,

Cicero School District 99 (the "District") is in receipt of your Illinois Freedom of Information Act ("FOIA" or the "Act") that the District received on March 31, 2022. In this request, you sought the following information:

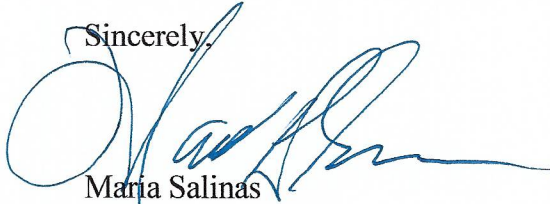

1. The list of all active employees of Cicero School District 99, including:
 - a. First name;
 - b. Middle name;
 - c. Last name;
 - d. Suffix;
 - e. Job Title;
 - f. Department;
 - g. Supervisor;
 - h. Initial hire date;
 - i. Most recent promotion date; and
 - j. Salary for the 2021 or most recent fiscal year.

In response to Request #1, the District is in possession of records responsive to your request. Please find a spreadsheet containing the requested information, including a-h and j. Your request for i is not included as the District does not maintain this record.

To the extent this response constitutes a denial of your FOIA request, you have the right to seek judicial review of this response by filing for injunctive and declaratory relief pursuant to 5 ILCS 140/11(a). The suit may be filed in the circuit court of Cook County, IL. 5 ILCS 140/11(c). You may also request that the Public Access Counselor review the denial by submitting a request for review to the Public Access Counselor, Office of the Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706 or (312) 814-5526.

I hope this information is helpful. I remain at your service for any future inquiries.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Maria Salinas', with a large, stylized initial 'M'.
