I want to send a compliment about one of your police men. On Sunday, the neighborhood mothers arranged a bicycle parade around the block on oakforest, acorn , thurston and Hathaway. Some on d flagged down Officer Payne and he then took the time to stop. He talked with the children and then led the parade around the block. The kids were excited because he turned the lights on of his police car. Then he again started talking to the parents. He was a great representative of Oakwood and the police department. I know the parents were grateful for his interaction with the children.

All,

Attached is the draft agenda for our July 19 council meeting.

I think it would be good to separate the new "An Oakwood Moment" agenda item (as an item coming from all of council) from "Council Comments" (an item individualized for each of you) so inserted it just before City Manager's Report.

Please let me know if you are okay with this... or prefer it differently.

Thanks, Norb

Subject: An Oakwood Moment!

Good Morning!

I think I have a great "Oakwood Moment" to showcase, as we introduce this new segment for City Council.

In June, three of Oakwood's gardens were featured in walking tours: Smith and Loy Gardens during the Garden Club of Dayton's 2021 Garden Gem's event, and Francine's Gardens during the Historical Society's Hidden Manor Tour. Over 800 guests were able to enjoy these gardens in June. Highlighting this as our Oakwood Moment will be a good opportunity to mention all of our lovely parks and gardens, and recognize the people who keep them beautiful.

Carol Collins has forwarded pictures of Smith and Loy Gardens to Lori, and I am attaching a picture of the steps leading to Francine's Garden. Lori, if you could include these three pictures at the end of the meeting, that would be great. If you are looking for a heading, you could use "An Oakwood Moment". This will be recurring segment at the end of our council meetings going forward.

Bill, I thought that if you could call on me last for "comments", I can introduce the concept and recognize these gardens and associates. Does that work for you? Or, if you would like to introduce the segment, that's fine too. Just let me know which you would prefer.

Again, this new segment is intended to recognize and appreciate people, places and events happening in Oakwood. I hope that all of you will contribute. We could even open it up to the public. I would envision this as being no more than 2 minutes - just a "moment". :)

Lori, let me know if you have any questions. I would probably mention Smith Garden first, then Loy and lastly Francine.

All for now!

Thanks!

Leigh

Good Morning, Managers,

I hope everyone is well.

Due to a vacation conflict the July 12 Roundtable meeting is being pushed back one week to the 19th. The meeting on the 19th is in-person and will begin at 9:00 AM. We are returning to the conference room of the Montgomery County Business Solutions Center on Cincinnati St.

Please find attached the meeting agenda. Our guest is Nathan Zehringer from Independents Fiber Network to talk about fiber builds planned or underway in the area.

I am also working with the Auditor of State's Office for an August speaker to talk about procedural matters relating to the expenditure of ARPA Funds.

See you on the 19th.
