Norb,

I talked with Dave Shuey about when Drain Tech will be out here. Dave told me they were on another job and when they were done they would be heading to Oakwood. Dave indicated that if he had not heard from them by noon, he was going to contact them again to see when they would be coming to Oakwood and he would let me know.

Thanks.

Carol

Carlton,

Longtime Oakwood resident Healy Jackson contacted me today to discuss this program... and volunteered to attend. Given Healy's seat on our Oakwood Planning Commission (2010 to present), and her leadership role in our Oakwood Inclusion Coalition, I think she is an excellent candidate. I spoke with Vice Mayor Steve Byington about it, as our city council representative on the Planning Commission and our representative to MVRPC, and he concurs.

I am copying Healy on this email so the two of you can discuss details.

Thanks for informing us about this program.

Hi Norb,

I hope you're doing well! I'm writing to ask you to consider sending a staff member or resident to the upcoming Miami Valley Environmental Justice Academy. <https://www.mvrpc.org/news/general-news/environmental-justice-academy-registration-opens>

We have 5 seats available and I thought of you and your community. Please read the attached web link and then let me know as soon as you can the name and contact information of the interested participant. The current deadline is Monday, July 19 and an email from you will hold open the seat. The selected person would then fill out the application and return it back to us before July 22 for consideration.

The cost for attending this 9 month course which will be held at the Fitz Center on South Main Street in Dayton is \$250. We are soliciting donors for funding that could bring the cost to participants down considerably.

I believe this opportunity is timely for our region! The coursework will increase your staff's knowledge of Environmental Justice and the National Environmental Policy Act (NEPA) which could then lead to strengthened policies within the city to ultimately attract businesses and residents.

Thank you for your consideration. If you have any questions, please contact Carlton Eley at 937-531-6552 or at his email above.

Norb and Bill -

Thank you! This aggressive Delta variant situation totally stinks, but good for us for making accommodations to keep everyone safe.

I think many of our honorees are still in high school, so they should be around on 9/20.

Will we get to meet Chris Kuzma on Monday?

Thanks!
