Leadership Team:

Attached is a list of Foundation Prospects I would like to approach and request their support for the OIC. The names bolded in black are those Foundations that I believe have the highest probability of providing support.

It would be most helpful if the Leadership Team could identify those Foundations with whom they have relationship or if known, the point person for that particular Foundation.

To date we have made three Foundation requests with one rejection and two responses pending.

- Oakwood Schools Foundation . . . our request was rejected as not being tied directly to the school district
- Oakwood Rotary . . . response pending
- Ohio Humanities Sharp Grant . . . response pending

Thank you in advance for your support.

Norb,

I updated the asphalt repaving project article on our website with the info below:  
<https://oakwoodohio.gov/asphalt-repaving-project/>

The milling operation is complete. Beginning Tuesday, July 27, paving begins on Ridgewood Avenue, and will then move to Schenck Avenue, Runnymede Lane, Sweetwood Lane, Runnymede Road and Patterson Road. The paving work should be complete by the end of this week.

Contact Project Inspector/Engineering Technician Tom Long at (937) 298-0777 or [long@oakwood.oh.us](mailto:long@oakwood.oh.us) with any questions or concerns.

Thanks,

Thanks Norb!

I am glad to hear the meeting went well. That was a good idea to have Ethan and Doug meet in person with Bob and Carol Askins. They are great ambassadors for our city!

I had the same reaction about the wording of the letter. I don't remember us doing this before. But, I completely understand the need.

Best,

Anne

**Subject:** Yard Debris

Norb,

I met with Mr. and Mrs. Askins this afternoon and had a very productive conversation. As you know, the Askins have been long time Oakwood residents and take wonderful care of their property. Mr. and Mrs. Askins understood why placing debris in the street can be an hazardous and they typically never do so. I believe the Askins took issue with the blanket approach of notifying/reminding homeowners not to place debris in the roadway.

I told Mr. and Mrs. Askins I would revisit the wording of the letter to see if something can be changed in the future or personally meet with homeowners to address this issue. Mr. and Mrs. Askins also had some suggestions on how our crews can better remove the debris from the yards which Doug will work with our troops to be more effective in the future. I encouraged Mr. and Mrs. Askins to reach out to me if they should ever need anything.

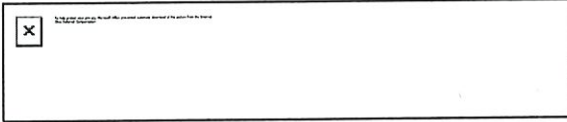

Thank you.

Ethan

I reached out to the BOH (including Leigh Ann Fulford) today asking to reschedule the 7/27 BOH meeting to Tuesday, August 31. So far, this date works for almost everyone so I blocked the time on your calendar. I am still waiting to hear from Mrs. Scott, Dr. Enseleit, Dr. Ewing and Mayor Duncan.
