Tell Lily Norb's back... and will stop by soon.

I have a vague memory of Operation Entebbe... but can't remember if it was from the time it happened, or from my rigorous "History of the Military Art" studies.

Lily has been asking "where's Norb?"

July 4th was the anniversary of the Israeli raid on Entebbe-a great story. Share this story with your step sons.

Subject: Armored Vehicle Purchase for Swat Team

The MVCC Board of Directors will be presented the attached resolution at their July 21 meeting to approve the purchase of the armored vehicle for our Kettering Regional Swat Team. At full strength, the team consists of 26 officers... and we currently have four. Our members are Lieutenant Chuck Balaj, PSO Ryan Rump, PSO Jeremy Smith and PSO Cameron McElroy.

Below is an email from Jay Weiskircher confirming that we will use \$30,000 of existing funds from the TCSU seizure account towards the purchase. This reduces the member city costs. The revised numbers are shown on the attached cost summary. Our \$15,196 will be included in the 2022 budget.

Attached is the PowerPoint presentation that was presented to the MVCC city managers by Lieutenant Balaj at our June 21 meeting.

Please let me know if you have any questions about this pending purchase.

Dear Managers,

I hope everyone is well.

As a follow up to my email after the last GOV TECH meeting we now have a firm price of \$286,291 for an armored rescue vehicle. If we apply the \$30,000 in the seizure account to the purchase the second attachment reflects the adjusted contribution amounts by city.

Please let me know if you have any questions.

Thanks.
Jay
