Hi Brian,

I wanted to provide a correction to the article below. City Council will actually be holding the public hearing on Monday, July 19. The attached legal ad (also published in today's paper) states, "*Upon recommendation for approval by the Planning Commission, the Council of the City of Oakwood, Montgomery County, Ohio, will hold a public hearing...*"

Planning Commission will hold public meeting to consider Sugar Camp/Pointe Oakwood proposal

The Oakwood City Planning Commission will hold a public hearing at 7:30 p.m. Monday, July 19, 2021, at 7:30 p.m., in the Oakwood City Council Chambers at 30 Park Ave., to consider an amendment to the current Sugar Camp/Pointe Oakwood Master Plan to change the use of an existing building located at 10 Sugar Camp Circle – the Gatehouse – from “delicatessen” to “professional office/business.” For citizens unable to attend in person, the meeting is also being conducted using the Zoom meeting platform. Zoom meeting information will be available via the City's website www.oakwoodohio.gov at 4 p.m. on the day of the meeting.

Any chance you could print the correction in next week's paper?

Thanks,
Lori

Subject: An Oakwood Moment!

Good Morning!

I think I have a great "Oakwood Moment" to showcase, as we introduce this new segment for City Council.

In June, three of Oakwood's gardens were featured in walking tours: Smith and Loy Gardens during the Garden Club of Dayton's 2021 Garden Gem's event, and Francine's Gardens during the Historical Society's Hidden Manor Tour. Over 800 guests were able to enjoy these gardens in June. Highlighting this as our Oakwood Moment will be a good opportunity to mention all of our lovely parks and gardens, and recognize the people who keep them beautiful.

Carol Colins has forwarded pictures of Smith and Loy Gardens to Lori, and I am attaching a picture of the steps leading to Francine's Garden. Lori, if you could include these three pictures at the end of the meeting, that would be great. If you are looking for a heading, you could use "An Oakwood Moment". This will be recurring segment at the end of our council meetings going forward.

Bill, I thought that if you could call on me last for "comments", I can introduce the concept and recognize these gardens and associates. Does that work for you? Or, if you would like to introduce the segment, that's fine too. Just let me know which you would prefer.

Again, this new segment is intended to recognize and appreciate people, places and events happening in Oakwood. I hope that all of you will contribute. We could even open it up to the public. I would envision this as being no more than 2 minutes - just a "moment". :)

Lori, let me know if you have any questions. I would probably mention Smith Garden first, then Loy and lastly Francine.

All for now!

Thanks!
