EXTERNAL EMAIL. Think before you click.

Good morning FCS Presidents,

Thank you all for your contribution and consensus on our DEI statement. I am so proud of our system and you as a leader.

As stated, this letter will be read at today's SBOE meeting. Please do not print, forward, or distribute this document until the statement is shared. Thank you, President Avendano, for making the presentation.

Last night, we talked about responses to possible media questions. Thanks to Karen and Kendra for their quick response last night. Please see Q&A below provided by Karen Moore.

Q: Do you believe DEI & CRT are the same?
