Hi Kerri,

Thanks so much for getting back to me:)

Dear Marlena,

As promised, I had a conversation with the administrative counsel regarding asking students about their pronouns. The consensus was that at this age, it was not necessary to bring it up as a specific point of conversation but to be cognizant and respectful if there are any requests to be identified in a way that is different than what we have on record. Please let me know if you have any additional questions.

Best,
Kerri
