CULVER CITY POLICE DEPARTMENT

SUPPLEMENTAL REPORT: CRIME SCENE INVESTIGATION

DETECTIVE M. CONZACHI #596 DR # 00-003847

On Tuesday July 25, 2000 at approximately 1746 hours, I Detective M. Conzachi #596 monitored a Culver City Police Department radio call of shots fired at the Fox Hills Mall. Further information was broadcast that there were suspects down and that off-duty officers were involved.

Shortly thereafter, I responded to the scene along with Sgt. R. Iizuka, arriving at approximately 1820 hours. I met with the on-scene commander, Lt. S. Bixby who gave me a brief synopsis of what had occurred.

Lt. Bixby told me that there had been a gang shooting on the fourth level of the parking structure near the entrance of the mall. He continued by saying that two on-duty Culver City Police Department plain-clothes undercover officers witnessed the shooting, and attempted to take the suspects into custody.

Lt. Bixby told me that when the officers identified themselves and attempted to take the suspects into custody, one or more or the suspects fired a weapon at the officers. He said that the officers had fired back at the suspects, and that two suspects had been pronounced dead at the scene and two others had been transported to the hospital for treatment of gunshot wounds.

Lt. Bixby told me that the two officers involved were Osama Agaiby and John Purnell, and that they were sequestered away from the immediate scene. I also noticed that the entire fourth level of the parking structure had been secured by patrol traffic officers with vehicles and emergency tape.

I advised Lt. Bixby that I was going to briefly interview the officers involved in order to ascertain some basic facts as to the circumstances of the shooting.

Prior to speaking to the officers involved, I briefly walked the crime scene in order to get an overview. I could see that there was one deceased suspect who was later identified as [redacted] lying on the parking area, in the driving lane closest, to the mall structure. He was approximately 12 to 15 parking spaces east of the west entrance to the mall. I could see that [redacted] had been covered with a yellow blanket, as news helicopters, news trucks, and reporters were on scene.

I observed a white Cadillac, California License # [redacted] that had collided with two parked cars. This Cadillac was facing in a west and slightly north direction, and was approximately 15 to 20 feet west of where [redacted] was lying.

I looked inside the Cadillac and observed a deceased suspect, later identified as [redacted] in the right front passenger seat of the vehicle. I could see that [redacted] had a gunshot wound to the head, and he was leaning to his left, or towards the center of the vehicle. I also could see that [redacted] was holding a revolver in his right hand.

Officer N. Gold was standing nearby and was protecting this particular immediate crime scene.

I could see that there was broken vehicle glass and spent shell casings located slightly to the east and to the south of where the Cadillac had come to a rest.

All of my measurements of the locations of the vehicle, deceased suspects and physical evidence were merely estimations, and exact measurements were later obtained by CCPD Forensic Technicians who had been previously dispatched to the scene.

At approximately 1845 hours, I then contacted Officers Agaiby and Purnell who had been sequestered in a police vehicle some distance away from the immediate crime scene.

As part of my responsibilities as a Robbery-Homicide Detective, I believed that I needed to obtain a brief statement from the officers in order to conduct my investigation and to determine the public safety considerations.

I then interviewed Officers Agaiby and Purnell together and told them that I need to obtain a brief statement as to the circumstances of the shooting.

Officers Agaiby and Purnell told me that they had been inside of the mall just prior to the shooting. They said that they were walking up the stairs from the food court area located on the third level of the mall, to where their undercover vehicle was parked on the fourth level of the parking structure.

As they were walking up the stairs, they noticed a group of 6-8 young male black adults walking up the same set of stairs slightly ahead of them. They stated their attention was drawn to these males, because it appeared that they were dressed in gang attire.

Officers Agaiby and Purnell then walked out of the west entrance of the mall to the fourth level of the parking structure, where their undercover vehicle was parked. Within a few moments, another group of approximately 6-8 young male black adults also walked out of the same doors to the parking structure.

Officers Agaiby and Purnell curiously watched the two separate groups from a short distance away, with one group just east of the mall entrance and the other group just west of the mall entrance.

They stated that they could see and hear the two groups taunting each other, shouting gang slogans, and yelling various challenges.

All of a sudden, Officer Purnell observed one of the gang members from the group on the east side of the mall entrance holding a handgun, and fired what Officers Agaiby and Purnell believe to be three or four shots in the direction of the other gang. Officer Purnell was in a position to see who fired the shots, and this suspect was [redacted]

As soon as the shots were fired, Officers Agaiby and Purnell could see that all of the males in the two groups ran at a fast pace in numerous directions. They could see that [redacted] and possibly two or three others from the group that fired the shots ran towards and entered a white Cadillac.

Officers Agaiby and Purnell then ran in an east direction towards where the four of five suspects were entering the Cadillac. Both Officers Agaiby and Purnell yelled at the suspects that they were police officers and ordered them to stop.

Officer Agaiby was able to remove his badge and make it visible as he ran towards the four or five suspects who were getting into the Cadillac. At the same time both Officers Purnell and Agaiby yelled at the suspects to stop and that they were police officers.

They stated that they could see that two of these suspects who had ran towards the Cadillac looked in their direction before they got into Cadillac. .These suspects were later identified as [redacted] and [redacted]

The driver who was later identified as [redacted] got into the Cadillac and immediately looked in the direction of Officers Purnell and Agaiby as they continued to yell commands at them to stop. The remaining three suspects all turned around and looked at Officers Purnell and Agaiby, as they continued to give commands to stop.

Officers' Agaiby and Purnell were able to see that suspect [redacted] pointed a handgun directly at Officer Purnell. Fearing for their lives, Officers Purnell and Agaiby fired their duty weapons at [redacted] Within moments, the Cadillac began moving forward, and suspect [redacted] crawled out of the right rear passenger window.

[redacted] staggered several feet to the east where he collapsed on the pavement. At the same time, the vehicle crashed into two parked cars. Officer Purnell looked at [redacted] who said to him, "shoot me, shoot me motherfucker". Officer Purnell was then able to see that [redacted] then picked up a firearm from the rear seat area.

Officer Purnell ordered [redacted] to put down the gun several times when all of sudden [redacted] put the gun to his head and fired.

Officers Purnell and Agaiby told me that this incident lasted just a brief moment and were uncertain if the Cadillac was stopped or slowly moving forward when this shooting took place. They stated that when this shooting took place there were a total of four suspects in the vehicle.

The remaining two were later identified as [redacted] the driver of the Cadillac, who had sustained a gunshot wound to the head, and [redacted] who was in the left rear back seat and had suffered a gunshot wound to the chest.

During the initial crime scene investigation, it could not be determined if [redacted] was wounded by Officers Agaiby or Purnell, or if he had been wounded by [redacted] or possibly another unidentified suspect. It could also not be determined if [redacted] had been wounded by officers or other suspects. Both had been transported by Culver City Fire Department Paramedics to UCLA Medical Center Emergency Room prior to my arrival.

[redacted] had been transported by CCFD Rescue 3, Paramedics Syverson and Siler, and [redacted] had been transported by CCFD Rescue 1, Paramedics Bowden and Zimmerman.

Officer Agaiby then telephoned CCPD Dispatch from his cellular phone in order to get assistance from patrol units. Within a few minutes Patrol Officers Jason Martin and Neil Gold arrived, and Officer Gold subsequently handcuffed [redacted]

I then concluded my interview with Officers Agaiby and Purnell.

During the course of the various radio broadcasts, CCPD Dispatch was receiving numerous phone calls and radio traffic from the responding units. There were reports that there were numerous gang member suspects were running through the mall brandishing handguns, sending numerous shoppers running for cover inside the mall.

I learned from initial crime scene investigation that as soon as the shots had been fired, all of the remaining gang members present ran from the scene in various directions including back into the mall. This was particularly confusing to the responding patrol units, as it was unknown how many suspects were involved and where they may be.

Culver City Police Department Patrol units attempted to establish a perimeter around the mall in order to determine if there were additional suspects outstanding.

Shortly thereafter, I had learned that four possible suspects were observed by Security Officers from JC Penney's who followed them to the forth level exit of JC Penney's which exits onto the fourth level of the parking structure.

These four possible suspects were subsequently detained by JC Penney Security Officers and then immediately thereafter by CCPD Patrol Officers. At approximately the same time, I learned that there was a shooting victim at Daniel Freeman Hospital Emergency Room who had told hospital staff that he had just been wounded at the Fox Hills Mall.

CCPD Officer W. Jackson and his partner Officer Adam Treanor subsequently detained these four individuals who were later identified as [redacted]

I learned that Officers Jackson, Treanor along with assistance from Officer G. Karonis, and Crime Impact Team Detective F. LaFlamme conducted an investigation to determine what involvement these four individuals had in the shooting.

After speaking to all of these officers, I learned that these four individuals were in the group that was located on the west side of the food court entrance. In summary I learned that these individuals, who are affiliated with a "blood" street gang were confronted by the other group, whom they described as being in a "crip" street gang which was located on the east side of the food court entrance.

They stated one or more of these individuals yelled gang slogans at them and challenged them to fight. I learned that one or more of these individuals observed one of the "crip" gang members pull out and fire a handgun in their direction. When the gunfire erupted, they ran from the scene back into the mall until they were subsequently detained.

Officer Jackson was able to locate a witness in mall who was an employee of one of the shops in the mall. This witness told Officer Jackson that the four individuals he had detained, where the same individuals she observed running down the stairs from the fourth level parking structure. The witness said that she was able to see that as the individuals ran, she could see one of the individuals, [redacted] with what appeared to be a handgun in his waistband.

This witness said that [redacted] along with his three companions ran into a rear hallway behind the food court after running down the stairs. Officer Jackson also conducted a field show-up with this witness who positively identified all four subject as the same subjects she observed running down the stairs, and identified [redacted] as the same subject she observed with a handgun in his waistband.

After discussing this part of the investigation with Officer Jackson, I felt that these four individuals were victims however the possibility existed that one or more of these individuals may have been involved in the shooting. I then directed Forensic Specialist Nicole Muller to photograph these individuals and conduct GSR tests on their hands.

For details on the circumstances regarding the detention of these four individuals, refer to supplemental reports by Officers Jackson, Treanor, and LaFlamme.

While this part of the investigation was ongoing, I directed Culver City Police Department Crime Impact Team Detectives S. Schultz and C. Horii to Daniel Freeman Hospital in Inglewood to contact the remaining victim who was later identified as [redacted]

Detectives Schultz and Horii made contact with [redacted] in the Emergency Room where he was being treated for a through and through gunshot wound to his left arm. They interviewed [redacted] and an E.R. nurse and later completed a supplemental report.

I then later spoke to Officers Schultz and Horii, and in summary I learned that [redacted] was present on the fourth level parking structure when the shooting took place. [redacted] said that a male black that was in the group that was standing east of the food court entrance shot him.

As soon as the shooting took place he began to run to his vehicle parked nearby. As he got into his vehicle, he realized that he had been shot. He then drove himself to Daniel Freeman Hospital, and prior to reaching the hospital, he became light headed and met up with some of his companions he had originally went to the mall with. Some of his companions then drove him in his car to the hospital where he subsequently received treatment for his wounds.

For details on the interview with [redacted] refer to the supplemental report by Detective C. Horii.

At approximately 2000 hours, I telephoned the L.A. County Coroner's Office and spoke to Investigator [redacted] I explained the circumstances of the shooting Investigator [redacted] who issued Coroner's case [redacted] for [redacted] and case [redacted] for [redacted]

At approximately 2025 hours, I spoke to Culver City Fire Department Rescue 3 Paramedics Chris Syverson and Rick Siler, who had returned to the scene after transporting one of the shooting victims to UCLA Hospital.

Paramedics Syverson and Siler told me that they arrived on scene just before 1800 hours. Syverson said that he immediately went to the victim who was on the ground, [redacted] in order to render aid. He said that he checked for vital signs and saw that [redacted] displayed no vital signs.

Syverson then joined Siler at the vehicle and they both could see that there were three gunshot victims inside the Cadillac. They stated that they could see that the right front passenger [redacted] had a gunshot wound to the head, and displayed no vital signs

They then tended to the driver of the Cadillac [redacted] who had suffered a gunshot wound to the head, and who still displayed some slight vital signs. They also tended to the suspect in the back seat who was lying down on the seat and appeared to have suffered a gunshot wound to the chest, [redacted]

Paramedic Syverson told me that since [redacted] and [redacted] displayed no vital signs, he pronounced death at approximately 1805 hours on both suspects.

They told me that they transported the driver, [redacted] to UCLA while Paramedics Mike Bowden and Joe Zimmerman in Rescue 1 transported the rear passenger [redacted] also to UCLA Hospital Emergency Room for treatment.

I later spoke with Detective James Raetz who had been dispatched to UCLA Hospital to conduct an investigation or to obtain any type of statement from either of the two suspects who had been transported there by CCFD Paramedics.

In summary Detective Raetz told me that he had relieved Officer Jason Martin, as Martin had followed the rescue units to the hospital and had remained with the suspects until Detective Raetz arrived. He said that suspect [redacted] had suffered a gunshot wound to the head and was not responsive, therefore no statement was obtained.

Detective Raetz told me that he interviewed [redacted] who had suffered a gunshot wound to the upper left part of the chest. He said that [redacted] was slow due to some pain medication, but that he did want to make a statement.

[redacted] told Detective Raetz that the group he was with was challenged while on the parking structure by a group of "Blood" gang members when all of a sudden he claims that some of the "Blood" gang members opened fire on them as he was walking to the white Cadillac.

He told Detective Raetz that he got into the back seat of the Cadillac and believes that he was shot while in the car. He did tell Detective Raetz that the right front passenger whom he identified as [redacted] shot himself in the head. He further stated that [redacted] was a crip gang member but did not know which gang he belonged to.

I will at a later time obtain a statement from [redacted] as to his involvement.. For further details on the interview with [redacted] refer to the supplemental report by Detective Jim Raetz.

At approximately 2040 hours, L.A. County Coroner's Investigator [redacted] arrived at the scene. I made contact with him and explained the circumstances of the shooting that I had learned thus far. I reviewed the scene with [redacted] in order to ascertain an overview on how the shooting occurred.

At approximately 2155 hours, I began the recovery of the bodies with Investigator [redacted] along with Forensic Specialist [redacted]

Investigator [redacted] then began his investigation with [redacted] He removed the yellow blanket from his body and began to examine his body for bullet wounds, after removing the handcuffs which had been previously been put on [redacted] by Officer Gold.

Investigator [redacted] measured both the air temperature and the kidney temperature of [redacted] At 2205 hours the air temperature was 60 degrees and at 2210 hours [redacted] kidney temperature was 83 degrees.

We were able to see that [redacted] had a small hole in his pants near the front part of his left thigh., which had wet blood around this hole in his pants.

Investigator [redacted] and I were able to see that [redacted] had a gunshot wound to his left side at the waist, and a bullet wound to the top portion of the back of his left shoulder. [redacted] also had what appeared to be a grazing wound to his lower left back near the kidney area.

Investigator [redacted] told me that there might be additional gunshot wounds on [redacted] body, however he was not going to undress him at the scene, and additional gunshot wounds may be discovered at the autopsy.

Investigator [redacted] then checked the contents of [redacted] pockets and we found a California I.D. card in his right front pocket. This I.D. card was in the name of [redacted] with a number of [redacted] I later learned from Investigator [redacted] the true identity of [redacted] who had checked his fingerprints and learned his true name of [redacted]

It appeared that [redacted] had some other persons identification in his possession. It is unknown at this time why [redacted] had this identification, and will be investigated at a later time. During the crime scene investigation, I believed that [redacted] name was [redacted] until I later learned his true identity.

Investigator [redacted] then conducted a GSR test # 3692 on [redacted] and later placed the test into his evidence. While Investigator [redacted] was conducting his GSR test, I could see one visible tattoo on [redacted] body on his right bicep which stated, "Papa Marcell".

After completing his investigation, Investigator [redacted] then placed [redacted] body in his Coroner's Van for transportation to the Coroner's Office.

The only property retained by Investigator [redacted] was the Cal. I.D. card in the name of [redacted] A set of keys recovered from his left front pocket was recovered by [redacted] and given to Forensic Specialist [redacted] to be placed into evidence, and who also took several photographs of [redacted]

After completing his examination of [redacted] Investigator [redacted] then conducted his investigation of the deceased suspect in the white Cadillac who was later identified as [redacted]

Prior to removing the body, I had Forensic Specialist [redacted] take several photographs of [redacted] while he was seated in the Cadillac. He was positioned in the right front passenger seat and was leaning to his left or towards the center arm rest area of the car. There was a large amount of blood on the center arm rest and center portion of the seat.

We were able to see that [redacted] was holding a small nickel-plated or chrome revolver in his right hand. Investigator [redacted] removed the gun from [redacted] hand and gave it to [redacted] who later placed the gun into evidence.

Investigator [redacted] removed [redacted] from the car and in doing so I could see that [redacted] displayed some rigor mortis to his upper body. He then placed [redacted] on a plastic sheet on the ground, and began a preliminary investigation.

At approximately 2310 hours, Investigator [redacted] conducted a GSR test # 3871 on [redacted] hands, which he retained and later placed into evidence.

At approximately 2315 hours, Investigator [redacted] measured the air temperature at 62 degrees, and at approximately 2320 hours, he measured the liver temperature of [redacted] at 84 degrees.

Investigator [redacted] then conducted a brief inspection of [redacted] body for gunshot wounds. We were able to see what appeared to be a gunshot entrance wound to the right side of his head, and what appeared to be an exit wound to the left side of his head.

Since Investigator did not undress [redacted] at the scene, it could not be determined if there were any other gunshot wounds to his body.

Investigator [redacted] and I could see that there were two visible tattoo's on [redacted] body, one that read "I'll always love Doris" on his left arm. There were also tattoo's to the back of both calves. There was one tattoo on the back of the left calf of a lower case "n", and one on the back of his right calf of a lower case "h".

It has been my experience that the letters "n" and "h" have been associated with a street gang called the Neighborhood Crips".

Investigator [redacted] then removed the contents of [redacted] pockets and recovered a wallet from his right rear pocket. Inside of the wallet were some miscellaneous papers and a California Driver's License # [redacted] in the name of [redacted] I was able to match the picture on the driver's license to that of [redacted]

I then had Investigator [redacted] remove the remaining contents of [redacted] pockets and some currency was recovered from his left front pants pocket, a cellular phone from the right side of [redacted] belt. All of [redacted] property was given to Forensic Specialist [redacted] to be booked into evidence with the exception of his driver's license which Investigator [redacted] took possession of.

Once Investigator [redacted] concluded his field investigation and recovered the body of [redacted] he then placed him into his Coroner's Van. The Cadillac was later towed to the CCPD Station by Goodmans tow and placed in a secured evidence garage, for later processing by the CCPD Identification Unit.

Upon completion of the Coroner's investigation, I the directed Forensic Specialists [redacted] and Nicole Muller to photograph the entire crime scene, and to process and retrieve all of the physical evidence at the scene.

Upon completion of the collection of all evidence at the scene, all officers cleared the crime scene at approximately 0240 hours.

Summation:

It appears based on the initial crime scene investigation, that two groups of rival gang members had met up on the fourth level of the parking structure near the entrance to the food court area of the mall.

Some type of argument, or dispute occurred between the two groups, and at least one or possibly more than one of the gang member groups fired a gun towards the other group. At least one person in this group was wounded who fled the scene and drove himself to a hospital for treatment.

The shooting was witnessed by two on-duty, plain clothes undercover Culver City Police Officers who attempted to take members of the shooting gang into custody. In their attempt, the officers fired at one of the suspects who at least pointed, and possibly fired a handgun at the officers.

In the aftermath, two suspects sustained fatal injuries, one possibly due to a self inflicted gunshot wound, and two others were wounded.

Several possible suspects were later detained, however the initial investigation revealed that they may have been the intended targets or victims of this shooting

The investigation will be continued and for further details, refer to the follow-up supplemental report by Detective M, Conzachi.

SUPPLEMENTAL REPORT: INTERVIEWS

DETECTIVE W. BROWNE # 772 **DR # 00-003847**

On 07-25-2000 at approximately 1820 hours, I received information that a shooting had occurred at Fox Hills Mall on the fourth level of the parking structure. I further learned that five subjects had been shot and suspects were still outstanding. I along with the other members from C.I.T. (Crime Impact Team) responded to the location to assist with shooting investigation.

While on scene, I interviewed the following witnesses; these are their statements.

[redacted] (Housewife)
Date of birth: [redacted]
[redacted]
[redacted]
[redacted] Home

[redacted] does not have a CDL issued to her due to the fact that she is a South African citizen and only has a British passport, which she did not have in her possession at this time.

[redacted] basically told me the following: On 07-25-2000 approximately 1800 hours, she was standing with her three small children on the second level of J.C. Penney's waiting to enter the elevator located towards the southeast part of the store. While she was standing there she saw a group of approximately six or seven male black subjects run towards her from the West Side of the store. The group appeared to [redacted] to be in their late teens or early twenties.

She described them all as being approximately 5'-05" to 5'-08", wearing baggy clothing with one specifically wearing a red hat and one having a cornrow braided hairstyle. The group waited with [redacted] to enter the elevator.

Once inside the elevator, [redacted] said she looked closely at the face of the subject with the cornrow hairstyle because while he was standing in the elevator he kept twitching his body and loudly mumbling unintelligible words and sentences. This behavior combined with the fact that the group ran up to the elevator made [redacted] feel that something was wrong.

Once the elevator reached the third floor the group rushed out and turned right towards the merchandise pick up exit. [redacted] went to the left and into the ladies restroom, but her twelve-year-old son stayed outside in lobby area. [redacted] returned to where her son was and saw that the group she saw earlier was still loitering around the area.

She gathered her son and positioned herself to re-enter the elevator, but as her son walked towards her he told her that he saw one of the subjects had a gun in his hand. [redacted] and her son then entered the elevator and went back down to the second floor so they could meet her husband at the food court.

I tried to speak to [redacted] son, but he became very nervous and did not want to talk or tell me what he saw.

I then spoke to the following person.

On 07-25-2000 unaware of the time, [redacted] was standing near the front entrance of Lerner's Clothing Store when she saw four or five male black subjects run west bound across the first (lower) level of the mall.

She described them as being approximately 18 to 20 years old with one wearing a red baggy shirt and another wearing red baggy pants. From [redacted] vantage point she lost site of them, but then again saw them running up the second floor escalator to the third floor.

Once up on the third floor in the food court area she watched as the subjects attempted to exit via the south doors that lead out on to the fourth level parking lot.

[redacted] then saw the subjects run back into the food court area, attempt to run eastbound through the mall, but then change directions and run west and down towards the second level. [redacted] then lost site of them.

SUPPLEMENTAL REPORT: HOSPITAL INTERVIEW
DETECTIVE J. RAETZ # 511 **DR # 00-003847**

On July 25, 2000 at about 1900 hours I was called at home and directed to respond to a shooting incident at the Fox Hills Mall. I was directed by Sergeant Iizuka to respond to UCLA Medical Center Emergency room to conduct an interview on one of the possible suspects of the shooting who was being treated there. Detective Fong #510 and I drove to UCLA and met with CCPD Officer Jason Martin #706.

Officer Martin told us that UCLA PD Officer Luther #314 had taken the personal property of the two subjects who where brought in from the shooting at the mall and placed that property in their lockers. The two subjects were identified through medical charts as:

[redacted] AKA [redacted] m/b, [redacted] short black hair, brown eyes, tattoo "P" in an Indian type design on left arm another tattoo on right arm. He had a gunshot wound to the upper left side of his chest. [redacted] was treating him. Officer Martin said that [redacted] was conscious and speaking to doctors. Officer Martin did not question [redacted]

[redacted] m/b, bro, bro, 6-4, 183, [redacted] [redacted] Also treated by [redacted] for a gunshot wound to the head. [redacted] was neither conscious nor speaking. He did not speak to Officer Martin prior to our arrival.

An intern that was assisting in treating [redacted] said she did not believe [redacted] would ever speak again. An intern that was assisting in treating [redacted] said the bullet missed his aorta by a few inches.

Officer Martin was relieved to return to the station.

I went to speak to [redacted] at about 2150 hours. [redacted] was on a morphine drip for the gunshot wound. I identified myself as Detective Jim Raetz and asked if he felt like talking to me and he said he would. [redacted] was slow but coherent. I asked him what happened and he said he was having a hard time remembering. I told him I understood and could come back later, however he declined that and said now was a good time. I then obtained the following brief synopsis.

[redacted] said he was with three other persons at the Fox Hills Mall at about 1700 hours.

- He said the driver was someone he knew as [redacted]
- [redacted] was the front passenger.
- [redacted] was the right rear passenger, though initially he could not recall [redacted] name.
- [redacted] was in the left rear passenger seat.)

[redacted] said he was seated behind the driver. [redacted] said four or more "Blood" gang members followed them as they left the food court of the Fox Hills Mall to the fourth level of the parking structure. He believes he could identify a couple of the subjects if he saw them again, because, sometime while in the mall, he came within three feet of the subjects. He said they were 15-20 years old and two or three of them had red shirts and dark clothes.

As they entered the parking structure, the Bloods challenged them to fight. [redacted] said he wanted to leave, because he had to pick up his baby sister at 1800 and it was 1740 hours at that time. Before [redacted] and

his party reach the Cadillac, they, the Bloods, were shooting. He said he does not recall if anyone in his party was shooting.

He said other shooters came from the side, away from where the Bloods were. He believes he was hit while in the car. He said the driver was shot as he was driving. He was not sure if [redacted] did get into the vehicle.

[redacted] said he put his head down in the back seat. A window shattered and the right front passenger, [redacted] pulled the trigger on his gun, shooting himself in the head. I asked [redacted] if he was sure that [redacted] shot himself and he said, "Yes." I asked him why he shot himself and [redacted] said he did not know. I asked him if he thought [redacted] was suicidal or made any statements along those lines and he said he did not. He said [redacted] was a Crip but could not tell me where he was from.

[redacted] said he was shot in 1997 while standing in front of his house in Los Angeles. [redacted] said he could not recall anything else at this time. A more detailed interview will be conducted with [redacted] when he is in recovery.

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

DETECTIVE F. LAFLAMME #519 **DR # 00-003847**

INTERVIEW OF TERRY BOWEN

On 07-25-2000, at about 1800 hrs, I Crime Impact Team Detective F. LaFlamme #519 responded to the Fox Hills Mall to assist CCPD patrol officers with the investigation of a shooting incident that had occurred moments earlier.

At about 1930 hours on this date, Detective Sgt. Iizuka directed me to the fourth level parking structure of the mall, where four subjects were being detained by CCPD uniformed officers. Sgt. Iizuka requested that I interview one of the subjects being detained [redacted] in an attempt to determine the extent of his involvement (if any) in the shooting incident.

The following is a synopsis of the "Mirandized" statement made by [redacted]

I read [redacted] his "Miranda" rights from a CCPD Admonishment Card. I asked [redacted] if he understood his rights, and he said that he did. He agreed to talk to me without his attorney being present. I asked [redacted] if he was involved in the incident that had taken place at the mall, and he said that he was. I asked [redacted] to explain what had happened, starting from the time before he had arrived at the Fox Hills Mall.

[redacted] said that he had driven to the mall with a friend of his named [redacted] as he pointed to one of the other three subjects being detained at our location. The subject being pointed at was identified as

[redacted] said that he and [redacted] were the only two persons in his car [redacted]

[redacted] told me that while en route to the mall, he saw three subjects who used to live in his neighborhood in the southwest Los Angeles area. [redacted] said that he saw them near the gas station at Sepulveda Bl. and Green Valley Circle. According to [redacted] two of the aforementioned three persons were being detained with [redacted] next to our interview location. These two were identified as [redacted]

[redacted] described their car as being a green compact, without further description. A brief discussion took place between the occupants of both cars, and a decision was reached to drive in tandem to the mall. Both cars arrived at the fourth level parking area, and parked next to each other. All five subjects entered the mall together.

After walking through the mall for almost half an hour, [redacted] and his four companions were on the first level of the mall's interior in front of the store called "*The Finish Line*". This store is on the north side, and at the east end of the mall.

While at this location, in front of the store, [redacted] and his companions encountered a group of approximately seven male blacks in their late teens. These subjects had the physical appearance and mannerisms of gang members. One of the members of this group made a

comment that was something like, "Hey How Bout Them Rollin' Sixties ?". [redacted] recognized that this statement was a gang challenge, and concluded that the subjects in this group were gang members.

I asked [redacted] if he was concerned for his safety at this point. He said that he was not afraid, as he had no reason to believe that anyone in this second group was armed, and he felt that the odds were fairly even between the two groups if a physical altercation were to occur.

[redacted] said that a couple of the guys in his group replied to the comment, but denied that anyone had made any threatening or inciteful retorts to the gang challenge. [redacted] and those with him walked away from the second group, and made their way up to the "Food Court" area, located on the south side of the third level. [redacted] told me that he saw the group of what he believed were gang members exit the mall through the exit that leads to the fourth level parking structure from the third level of the mall's interior.

Several minutes later, [redacted] and his companions went out the same exit as the others (the suspected gang members) had gone through. Upon exiting out onto the fourth level parking structure, [redacted] was walking roughly abreast of several of his companions. Once on the parking lot pavement, [redacted] and his friends turned left and began walking in an easterly direction.

As [redacted] was walking in the parking lot, he saw a newer model white Cadillac located approximately twenty five to thirty feet in front (east) of him entering the same lane of travel that he was walking in. The Cadillac appeared to have at least four male black subjects inside.

The driver and front passenger were two of the gang members from the group that had confronted them earlier. The Cadillac was pointed in a north-westerly direction (on an angle) as though it were just entering the lane of travel located closest to the mall building.

[redacted] saw that the driver, who he described as a heavier built black male wearing a dark colored cap, was pointing a "shiny colored" pistol out of the driver's window. The pistol appeared to be pointed in [redacted] general direction. Immediately after seeing the driver pointing the pistol, [redacted] observed him (the driver) start shooting the pistol several times. He could not remember how many shots were fired by the driver.

[redacted] became frightened that he would be shot, as he believed that the person firing the weapon from the Cadillac was directing his fire at him and/or his companions. [redacted] felt that this was the case because the gang members had likely perceived the earlier exchange in the mall as having been disrespectful toward them (the gang members).

As [redacted] watched the driver firing the pistol from the Cadillac, he saw a subject described as a white male appear several feet away from the Cadillac on the driver's side. This subject was pointing a dark colored handgun toward the driver of the Cadillac. [redacted] told me, "It was like a angel fell from the sky to save us man ", referring to when the white male subject (later determined to be a plainclothes police officer) confronted the driver of the Cadillac. [redacted] continued by saying that this white male subject began shooting in the direction of the Cadillac as the driver was firing his gun.

[redacted] saw that there was a second subject who appeared to be with (and behind) the white male subject. [redacted] could not provide a description of this second subject, other than that he was a male of an unknown ethnicity/race. [redacted] could not recall whether or not this second subject was holding a gun. [redacted] told me that there was something about the white male subject's actions that made him think he was a police officer, but he could not articulate to me what exactly that was.

[redacted] saw three additional what he believed to be gang members enter a green Honda car that was parked near the Cadillac. He then watched the Honda flee the exit of the parking structure out of his view. [redacted] could not see what the rear occupants of the Cadillac were doing while the driver was firing the gun.

[redacted] fearing that he may still be shot by one of the occupants of the Cadillac, turned and ran from the parking structure back into the entrance to the mall that he had just moments earlier used to exit the mall.

Shortly after reentering the mall, [redacted] was joined by the three other persons present at our interview site. [redacted] and his companions wandered around throughout the mall for several minutes before being detained by CCPD uniformed officers.

I asked [redacted] if he or any of his companions had been in possession of a gun at any time during the incident. He adamantly denied having had a gun at any time on this date, and was certain that none of those with him had possessed a gun at any time.

I redirected this question at [redacted] on several different occasions and in several different ways throughout the interview, and [redacted] was unwavering in his denial of having possessed a firearm this date. [redacted] also requested that we perform a "gunpowder test" on him. I asked him what he knew about such tests. He replied that this was a test that would show whether or not a person had touched (as opposed to fire) a gun. He repeated his request to be tested in this manner, as he said that it would prove that he had not been in possession of a gun at any time.

I ended my interview of [redacted] at this point.

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

OFFICER C. HORII # 734 **DR # 00-003847**

Interview of [redacted] **@ Daniel Freeman Hospital – City of Inglewood.**

On 07-25-2000 at about 1830 hours, Detective Schultz #578 and I, Detective Horii #734 arrived at Daniel Freeman Hospital - Inglewood, located at 333 N. Prairie Avenue, in the City of Inglewood, California.

Upon our arrival to the Emergency Room, we contacted the victim of a single gunshot wound to the left shoulder. The subject, identified by his CDL, was [redacted]

[redacted] was conscious, alert and in moderate discomfort from the wound. I asked [redacted] to tell me how he sustained the gunshot wound and [redacted] told me essentially the following:

On 07-25-2000 at about 1720 hours, [redacted] his brother [redacted] and [redacted] arrived at the Fox Hills Mall in [redacted] vehicle, a rented green four door,1999 Ford Escort, bearing [redacted]

The threesome met four friends on the first level shopping area of the mall. The four friends were [redacted] and two other male black subjects that are believed to be relatives of [redacted]

At about 1735 hours, on the first level mall area, the now seven subjects are confronted by a group of six unknown, male black subjects. One subject, in the group of six subjects, was identified as a male black, 19-20 years of age, 6'1" to 6'2", 180 Lbs. to 190 Lbs., light complexion, dark curly afro, green eyes, clad in gray pants, and a gray / blue / red FUBU shirt. This subject was calling out their gang affiliation to [redacted] and his group. [redacted] can only remember hearing the subject shouting, "Rolling ___'s!" [redacted] was not sure if the group said "Rolling 60's" or "Rolling 40's."

[redacted] said no member of his group has gang affiliations, so they decided to walk to the fourth level, Food Court area. After a short period of time, they saw the group of six subjects exit the Food Court area and exit the mall, via the fourth level stairwell, that exits into the fourth level outdoor parking lot. [redacted] and his group waited several minutes to allow the group of six to leave the area, prior to exiting the mall.

[redacted] and his group then exited the mall, via the same doors as the group of six. Once on the fourth level parking lot, just in front of the doorway, [redacted] heard a subject yell, "Rolling___'s!" [redacted] looked to his east, approximately 25 to 30 feet, and saw the group of six, standing in the most northern driveway. [redacted] saw a male black subject, 19 to 20 years of age, 5'7" to 5'8", 165 Lbs. to 180 Lbs., dark complexion, bald with a "Fade," clean shaven, clad in a white t-shirt and blue jeans. This subject stood out to [redacted] as he was the closest subject to him. [redacted] saw this subject remove a small, blue steel semi-auto handgun from his right front pants pocket.

[redacted] fearing for his life, began to turn to run to his vehicle, which was parked on the fourth level parking lot, fourth row south and just west of the mall doors. [redacted] said he felt a jolt to his left shoulder as a gunshot rang out. [redacted] continued to run to his vehicle and he heard three additional rapid gunshots. Once in his vehicle, [redacted] heard approximately eight more gunshots from the east. He felt a warm liquid running down his arm and saw that he had been shot.

[redacted] alone, began to drive to Daniel Freeman Hospital, via Centinela Avenue. At Centinela Avenue and Eucalyptus, in the city of Inglewood, he became light headed and pulled over to the curb. At this time, [redacted] and an unknown subject, pulled in behind [redacted] in a gray, four door Plymouth Breeze. [redacted] entered [redacted] vehicle and drove him to the hospital, followed by [redacted] and the other subject.

Once at the hospital, the E.R. staff placed [redacted] in a bed and began treatment. [redacted] and the other subject became loud and unruly when asked to stay in the E.R. lobby. After several minutes, they exited the E.R. and waited outside the E.R. entrance. [redacted] asked a nurse to get his car keys from [redacted] [redacted] gave the car keys to the nurse and she placed them with [redacted] property. At this time, [redacted] said that [redacted] and the other subject drove back to the mall to find their other three friends.

I asked [redacted] what he did for a living and he said that he was a security guard. I asked [redacted] if he had fired a firearm recently and he said that he had not.

[redacted] told me that no member of his group had a gun and they went to the mall to purchase jewelry cleaning products and to get something to eat. I asked [redacted] if he would allow us to conduct a Gunshot Residue Test and he said that he would be glad to cooperate. [redacted] said that he had to urinate, therefore a bed urinal was provided for him to use in our presence. [redacted] voided his bladder in our presence and did not contaminate his hands. Detective Schultz conducted the GSR Test and the test kit was booked into evidence.

I asked [redacted] if he knew who shot him and he said that he knows that the subject that pulled the blue steel pistol had shot him. I asked him to tell me how he came to this conclusion and he said, "All I know is, a black guy shot me."

With his permission, Polaroid photos were taken of [redacted] and several items of [redacted] clothing were taken as evidence (Pair of blue cotton shoes, khaki Docker shorts, and a black t-shirt, Booked into Evidence). At the time of the shooting, [redacted] was wearing blue cloth shoes, short white socks, khaki Docker shorts, black belt, a black t-shirt under a blue and tan "Meoshe" collared button down shirt, black baseball cap with a gold "B" on the front, a white metal chain necklace and a white metal bracelet on his left wrist.

Detective Schultz asked [redacted] if he could search the Ford Escort for any possible items that may be used as evidence. [redacted] gave Detective Schultz his car keys and consent.

Inside the Escort, on the front passenger floorboard, Detective Schultz saw a blue and tan "Meoshe" collared button down shirt. Detective Schultz asked [redacted] if we could impound the Escort so it could be processed for evidence and [redacted] said that we could. Goodman's Tow responded to our location and towed the Escort to CCPD, per CVC 22655.5, Evidence.

This concluded my interview of [redacted]

At this time, I spoke to Daniel Freeman Hospital E.R. Nurse [redacted] who told me essentially the following:

On 07-25-2000 at about 1800 hours, [redacted] was on-duty in the E.R. when three male black subjects brought in another male black subject, suffering from a gunshot wound to the left arm.

[redacted] said she placed the patient [redacted] into a bed in the E.R. and asked his friends to wait in the lobby. The three subjects refused to leave the E.R., became irate and began yelling. [redacted] advised them that [redacted] needed to be left alone so the staff could render medical attention. The three subjects finally left the E.R. and waited outside the building. [redacted] asked [redacted] to get his keys from one of the subjects and [redacted] did so, giving the keys back to [redacted] [redacted] was then able to continue her treatment of [redacted]

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

DETECTIVE M. CONZACHI # 596 **DR # 00-003847**

On Friday July 28, 2000 at approximately 1315 hours, [redacted] voluntarily came to the CCPD Station to meet with me in order to obtain a statement from him as to the circumstances of the shooting.

[redacted] and I, along with Sgt. R. Iizuka, Sgt. L. Castle, and Sgt. C. Morimoto went into the CCPD Detective Bureau Conference Room to conduct the interview. I asked [redacted] if he would mind if I tape-recorded our conversation and he agreed.

Prior to our interview, I had Forensic Specialist [redacted] take photographs of his gunshot wound. [redacted] had suffered a through and through gunshot wound to his inner left bicep. [redacted] told me that the bullet went into the front of his upper left arm, and exited towards the back, or the tricep muscle area.

[redacted] began the conversation by saying that he along with two other males went to the Fox Hills Mall at approximately 1415 hours. He identified these two other persons as his brother [redacted] and his cousin [redacted]

He said that he drove his green Ford Escort rental car, and parked on the fourth level of the parking structure. Just as they pulled into the lot, he recognized some other male friends and struck up a conversation with them. He described these other males as [redacted] unknown last name, another male black adult who he knows only by his nickname of [redacted] and another male black adult whose name he did not know. He said that these subjects arrived at the parking structure in some type of small grey colored car.

When they arrived, both groups of three went into the mall through the food court entrance, which is the west entrance into the mall from this parking level. They began to walk around the mall and were later walking on the first level.

[redacted] said that sometime during this period of time, he and his two companions [redacted] walked ahead of the other three subjects.

While on the first level, he noticed that the other group of three friends were lagging behind. When he turned around to look for them, he noticed that they were standing in front of a shoe store, which he believed was called "The Foot Express".

He was now able to see that his three friends were having some type of verbal confrontation with six other male black adults in front of this store. He, along with [redacted] and [redacted] then walked back over to this group which included his three friends, and these six other male black adults. He described these other male black adults as being young, and that he suspected that they were possibly gang members.

When he, [redacted] reached the group, he stated that the same male black adult he later observed shooting at them was in this group. He said that this male black appeared to be attempting to diffuse the situation. He described this male black as being in his early 20's wearing a white T-shirt and blue and black tennis shoes.

****INVESTIGATOR'S NOTE****

From all of the facts that I have learned about this case thus far, it appears that the person [redacted] is talking about is [redacted]

[redacted] continued by saying that while all twelve persons were standing near this store, he heard one person from the other group say something to the effect of, "don't do it here, too much security, we might go to jail". He described this person as being a young male black, light skin color, curly hair who was wearing a blue/black/ grey "FUBU" style shirt and grey jeans

[redacted] said that once he heard this statement, he initially believed that maybe a fight was going to occur, but thought about it some more and suspected that maybe somebody in that group had a gun.

[redacted] said that at this point the two separate groups went about their business and walked away from each other in separate directions. He said that he and his five companions then went to the food court on the third level where they spoke to some girls.

[redacted] said that neither he nor anyone else in his group had any other contact with this other group of six male blacks, nor did they see this same group anywhere else in the mall.

After several minutes all six then walked up the stairs from the food court area towards the fourth level of the parking structure.

He said that this other group of six male blacks were already outside of the mall on the fourth level of the parking structure just east of the food court doors. He said that he was the first of his group to walk out of the doors, and he began to walk towards his car, which was parked in the third or fourth row from the doors.

He said that some other members of his group followed him out so that they were now all on the parking structure just west of the doors. He said that he heard some conversation from the other group, which he believed was some type of gang challenge.

He said that at some point during this brief exchange, he heard someone from this other group say something to the effect of "Rolling 60's" or "Rolling 40's". He could not be sure what number was used, but stated that he definitely heard the word "Rolling" used. He also said that he heard other members of this group say the word "cuz" which he knows is used primarily by crip gang members.

[redacted] said that at this point he saw the same male black that he saw earlier on the first level of the mall, [redacted] pull a gun out of his right front pants pocket. He described the gun as small and being either nickel plated or chrome.

[redacted] said that he heard one shot and immediately felt something in his left arm, as if someone had grabbed his arm. He said that after the first shot, he began to run to his car, then heard two more shots.

I asked him if he was sure that he heard two shots, and he said that he was sure that he heard just two more shots after the first one. He said that as he ran, he noticed that some of males that were in his group ran from the scene with some of them going back into the mall.

He said he got to his car and entered. When he tried to close the door with his left arm, he realized that he had been shot. He immediately drove off in a westbound direction. He said that he went down the up circular ramp, which is at the far west end of the parking structure.

He said that when he reached the first level, he heard several more shots from where he came. He said he never saw any police officers, and he believed that he left prior to the arrival of any police officers. He said that he went to the first level to look for some of his companions, and when he could not locate any, he drove himself to Daniel Freeman Hospital.

[redacted] said that while he drove himself to the hospital he became light headed and stopped near the intersection of Centinela and Eucalyptus. When he stopped, some of his friends happened to drive by his location. He told them that he had been shot and they assisted them to the hospital.

He said that these other subjects were [redacted] and the other male black who he was with earlier at the mall, the same male black whose name he did not know. He said the other unknown male black drove his car when he moved into the passenger seat, and [redacted] followed in his car (previously described by him as a small grey compact).

[redacted] denied being involved in any gang, and denied any gang involvement of any of the five other persons he was with. He mentioned that all of the persons who were in his group wore what he described as "neutral colors", that is clothing that he believes would not normally be associated with gang activity.

He said that the shooting was totally unprovoked, and believes that the gang members who he described as "crips" were just out to start some trouble. He said that he would be able to identify these subjects again since was in close proximity to them when they were confronting each other down on the first level of the mall.

After completing our interview with [redacted] Sgt.'s Castle and Morimoto continued the interview with him outside of our presence.

Once Sgt.'s Castle and Morimoto had concluded their interview, [redacted] Sgt. Iizuka and I drove with [redacted] back to the fourth level of the Fox Hills Mall parking structure.

We reviewed and walked through the scene with [redacted] where he pointed out his approximate location when he was shot, and the location of where the other group was located when the shooting started. In essence, everything that he told us in the interview generally matched what we saw at the scene.

Sgt. Iizuka and I then checked the entire west end of the parking structure, in an attempt to locate the bullet that had gone through [redacted] arm without success. We then drove him back to Goodman's Tow yard where his Ford Escort had been stored following the completion of I.D. services.

I told [redacted] that once I received photographs of some of the group of suspects that were in the other group, including the one of the person he believes shot him, I would show him a photographic line-up.

DETECTIVE K. BARRETT # 437 **DR # 00-003847**

On 07-25-2000, I, Detective K. Barrett #437, was assigned to the Detective Bureau. At approximately 1800 hours, I was dispatched to the Fox Hills Mall Shopping center, regarding a shooting which had just occurred.

Upon my arrival, Lt. D. Williams assigned me to interview individuals who had been in the office building at 5901 Green Valley Circle, and had witnessed events related to the shooting.

The office building is located on a hill south of the mall, and overlooks the parking structure. All of the witnessed events occurred on the fourth (top) level of the parking structure.

Upon my arrival at the office building, I met with CCPD Officers C. Koffman #804, and B. Cameron #717. They had interviewed several witnesses who were no longer at the scene. Officer Koffman handed me his notes regarding these interviews, and explained that he had spoken to the below named people, who told him the following:

[redacted]

He saw a possible male/Hispanic, 29-35 years old, wearing blue pants and a blue shirt, holding a blue steel handgun, shooting in an easterly direction. He fired possibly four shots and then ran east, out of sight. I also spoke to [redacted] later who told me the same thing.

[redacted]

She looked out her window and saw two cars leaving the mall parking structure. One car was gray, and one was green, nfd. Both were occupied by males, nfd.

[redacted]

He heard shots, and saw people scatter. He hit the floor, and saw nothing further.

[redacted]

She saw a gray car (possibly a Honda) speed away from the scene right after she heard shots.

[redacted]

She heard shots, but saw nothing.

I then went into the building, and spoke to the below listed people, who told me the following:

[redacted]

He was in his office on the third floor [redacted] when he heard shots and looked out the window. He saw a gold car, similar to a Nissan Maxima, speed out of the parking structure, turn right, and drive south on Fox Hills Drive. He observed this care being followed by a smaller green car, similar in size to a Ford Escort.

[redacted]

She was in her office on the fourth floor [redacted] when she heard shots. She looked out her window, and saw five or six men running around the top level of the parking structure.

They all seemed to be shooting at each other. She then saw several men running west across the parking structure, and get into a light brown car, similar to a Honda.

The car sped out of the lot, turning right onto Fox Hills Drive, and drove out of sight. This car was followed shortly by another car, nfd. She then saw a man standing and walking slowly. He fell to the ground, and is still there (she pointed out a body wrapped in a yellow sheet). Another man walked near the body. Security officers then began to arrive.

OFFICER A. TREANOR #738 **DR # 00-003847**

On 07/25/00, at approximately 1745 hours, my partner Officer Jackson #771 and I Officer Treanor #738 were working uniformed patrol assigned to Operations as 1A63. We received a radio call of a shooting that occurred on the fourth level of the Fox Hills Mall shopping center.

Dispatch advised us that the suspects were described as several male blacks, late teens to early twenties, one wearing a white shirt with corn-rowed hair, one wearing a white shirt with a red cap, and several suspects wearing flower patterned shirts.

After conducting an area check, Officer Randolph (Mary-4) and I detained four subjects. Once the crime scene was contained, I spoke with one of the subjects [redacted] who told me the following:

[redacted] stated that he had come to the mall with his two cousins, [redacted] met with several other subjects at the mall including [redacted] and [redacted] stated that they were also with an individual known only to him as [redacted] As they were passing a shoe store in the mall, an additional suspect (male black, 5-08, heavyset, blue jeans, white shirt) exited a store several other male blacks.

[redacted] stated that his friend [redacted] knew the individual and began talking to him. [redacted] stated that [redacted] and [redacted] approached the heavyset, male black while he was talking to [redacted]

The heavyset, male black stated, " What's that sixty Crip like? " [redacted] stated that [redacted] said, " What's it like? " [redacted] stated that [redacted] and the heavyset, male black argued briefly and then the groups separated.

[redacted] admitted to me that he affiliates with members of the Bloods street gang. During the next twenty to twenty-five minutes, [redacted] and his friends continued to walk through the mall. [redacted] stated that he continued to see individuals that he described as members of a rival street gang, the Crips. [redacted] and the [redacted] brothers went to the food court exit, located on the fourth level of the mall.

They again confronted the same Crips that they originally confronted at the shoe store. The Crips challenged [redacted] and his friends to fight outside in the parking lot. [redacted] stated that he felt if they went outside it would escalate into a shooting. [redacted] stated that they followed the Crips outside where they saw they had positioned themselves behind several vehicles.

[redacted] stated that the heavyset, male black Crip began arguing with [redacted] and [redacted] [redacted] stated that he turned to see where their vehicle was when he heard several shots within a few seconds. [redacted] ran into the exit doors, down the stairwell and into the mall. [redacted] ran into the J.C. Penny store and toward the east exit of the fourth level. Officer Randolph and I detained [redacted]

W-1 [redacted] told me the following:

[redacted] was riding in the elevator of J.C. Penney's at approximately 1800 hours. [redacted] stated that she was standing in the elevator within a few feet of several male blacks, matching the description of [redacted] [redacted] stated that they were nervous and agitated.

[redacted] heard the subjects arguing. One subject stated, " Why didn't they want to fight? " Another said that he did not know. [redacted] stopped looking at the subjects because they made her nervous. [redacted] then heard one subject state; " We better get the fuck out of here before we have to shoot someone else. "

OFFICER W. JACKSON # 771 **DR # 00-003847**

On July 25, 2000, at about 1745 hours, Officer Treanor and I, Officer Jackson received a radio call of "shots fired" at Fox Hills Mall (for further see incident report #00-003847). Officers' Gold and Martin arrived on scene and upgraded the description to five to seven male black subjects in their early twenties and several wearing floral color shirts. One subject was wearing black pants and another wearing black shorts. A third subject was wearing a white T-shirt, grey pants, and having a cornrow hairstyle (braided hair). There was no further description on the subjects.

Upon arrival, four subjects identified as [redacted] respectively were being detained.

I spoke with [redacted] who was identified by his California Identification Card [redacted] who told me that about 1700 hours, he drove to Fox Hills Mall in a blue Toyota Tercel with [redacted] He said that [redacted] and a third subject identified as [redacted] met them at the mall.

The five subjects entered the "Finish Line" store and were immediately confronted by approximately eight male black subjects exiting the store. An unknown subject stated "Sixties Crip". [redacted] responded and said, "What that mean?"

[redacted] stated they continued they're shopping, while the other unknown subjects exited the mall. [redacted] indicated they waited while the other subjects exited the mall. [redacted] and his companions began exiting the mall via the forth floor food court exit. As soon as they were in the parking lot, [redacted] saw the eight subjects standing about thirty feet east of him. The subjects were standing near a green Honda and a white Cadillac.

[redacted] stated he saw one subject (male black, 19-20 years, about 6'0", 210lbs, wearing a white T-shirt and blue jeans) holding and pointing what appeared to be a revolver, in his direction. [redacted] could not recall the color of the weapon. [redacted] said he saw the subject fire approximately four to five shots.

[redacted] then ran behind a car until Fox Hills Mall security officers arrived on scene. [redacted] returned inside the mall and ran towards the JC Penney's fourth floor exit where officers from the Culver City Police Department detained him. [redacted] indicated he did not know why the subject would shoot at him.

Simultaneously, an employee of Smart Beeps [redacted] notified Officer Karonis that she might have witnessed a group of male black subjects involved in the incident. Smart Beeps is located on the third floor just east of the food court. [redacted] stated she heard gun shots being fired from what appeared to come from the forth level of the parking structure.

Shortly after hearing the gun shots, [redacted] saw a male black, wearing a white T-shirt, grey pants and having a cornrow hairstyle (braided hair) run down the stairs from the forth floor parking lot. The subject ran through the food court and down the escalator. [redacted] stated she saw the subject place what she believes was a gun in his waistband. The subject then ran down the escalator to the first floor. The subject then ran south and out of sight.

[redacted] stated that a few moments later she saw the same subject exit the employee exit near the food stand "Hot Dog on a Stick". The subject then met with three other subjects and began running toward JC Penney's and out of sight.

Based on the fact we were detaining a subject that match the description given by [redacted] she was given a field show up admonishment by Officer Karonis. [redacted] was driven to our location and immediately identified [redacted] as the subject she saw placing what she believed to be a gun in his waistband. [redacted] also identified [redacted] as the subjects with [redacted]

SUPPLEMENTAL REPORT: ENTERPRISE RENTAL CAR

DETECTIVE J. RAETZ **DR # 00-003847**

On July 26, 2000 at about 1030 hours, I, Detective Jim Raetz, was directed by Lieutenant Williams to respond to Enterprise Rent-A-Car in Moran Cadillac, 18600 Hawthorne Blvd, Torrance. [redacted] Enterprise employee informed us, that [redacted] was going to be at the location at around 1100 hours. [redacted] is the renter of the Cadillac involved in the shooting at the Fox Hills Mall. The Cadillac was the vehicle that [redacted] had been in.

[redacted] told Enterprise employee, [redacted] that the vehicle had been involved in a shooting and that five persons were in the Cadillac. [redacted] that she would be there around 1100 hours.

Detective Lim and I went to Enterprise. We arrived at about 1110 hours and spoke with [redacted] [redacted] said she received a call from a young man on July 21, 2000. The male identified himself as [redacted] she believed the last name was [redacted] She told [redacted] that he had to be 25 years old to rent a vehicle. He asked what where the requirements for persons who were over 25 years old rented a vehicle and she told him.

[redacted] went to Enterprise with [redacted] to rent the vehicle on July 21, 2000 at about 1530 hours. [redacted] met the requirements to rent a vehicle and was rented the vehicle. [redacted] asked [redacted] if he was going to drive the vehicle and he said, "No." [redacted] said he would not be driving the vehicle and that she was renting the car for a black tie affair that she would be attending. [redacted] was given the vehicle.

On July 22, 2000 [redacted] saw [redacted] driving the vehicle by himself in Hawthorne. [redacted] called [redacted] at about 1545 hours to ask if everything was all right and to see if car was still in her possession. She left a message indicating that she saw an unauthorized driver driving.

On July 24, 2000, the rental was extended until July 26, 2000. [redacted] saw [redacted] driving the vehicle on a second occasion and last saw the vehicle in the morning of July 25, 2000. [redacted] home is on a route that [redacted] travels to go home.)

On July 26, 2000 at 0746 hours, they extended the rental until July 28, 2000 after leaving message at work. At about 0950 hours, [redacted] called to tell [redacted] that the vehicle was involved in a shooting at the Fox Hills Mall. [redacted] said there were five people in the car at the time of the shooting and that she would arrive in about an hour to complete the paper work. [redacted] said that she did not let [redacted] drive the vehicle and that she had been in the vehicle.

On July 26, 2000 at about 1130 hours, [redacted] arrived at Enterprise with a male who identified himself as [redacted] He said his name was [redacted] but did not want to give me his identification. [redacted] said she was very upset at not being about to see her son at the hospital for an extended period of time.

I asked her how her son and the car she rented came to be at the Fox Hills Mall that day. She said she drove with [redacted] and

her [redacted] to the Fox Hills Mall at about 1330 to 1400 hours. She said she parked next to her daughter's vehicle in the north lot of the Fox Hills Mall by JC Penney's. While walking around the mall, she became nauseous somewhere near See's Candies. She asked her son, [redacted] to move the Cadillac to the fourth level of the mall parking structure, so that she did not have to walk as far. [redacted] and his friends then went to the vehicle.

[redacted] then decided to go to an ATM. She did not want to pay the ATM fee at the mall and went with her daughter [redacted] to find an ATM outside the mall. They drove to the Wells Fargo by Marshall's department store to avoid the ATM fee.

Shortly thereafter [redacted] said she received a call on her cellular telephone from her daughter, [redacted] telling her that there had been a shooting at the mall and asking her if she was all right. [redacted] said she was OK, but was going back to check on her son, [redacted]

She drove to the mall and was with her fiancée [redacted] She said they spoke to Detective Fong at the Fox Hills Mall and gave him a picture of her son. She wanted to know if he was lying on the ground. Detective Fong went to the scene and was told that the pictured individual, [redacted] had been transported to UCLA Medical Center. She then went to UCLA Medical Center. [redacted] then completed her paperwork with Enterprise.

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

DETECTIVE M. CONZACHI # 596 DR # 00-003847

Interview: [redacted]

Location of Interview: CCPD Detective Bureau Interview Room

Date/Time of Interview: 7/26/2000 1415 hours

Address: [redacted]

Phone #'s [redacted]

On 7/26/2000 at approximately 1415 hours, [redacted] the mother of [redacted] came to the CCPD Station voluntarily in an attempt to learn of the circumstances of the shooting of her son. I, Detective M. Conzachi and Sgt. R. Iizuka interviewed her in the CCPD Detective Bureau interview room, and the interview was taped.

I explained to her that her son had been involved in a gang shooting at the mall and had been wounded. I also told her since the investigation was new and on going, I had no information as to the exact circumstances of the shooting.

[redacted] said that she first heard about the shooting on the news and had later received a phone call from her youngest daughter [redacted] She said that [redacted] had received a call from some unknown person who had received a call from a Bishop from their church.

[redacted] said that she had rented the car on the Friday prior (7/21) from Enterprise Rent-A-Car. She continued by saying that she went to the mall yesterday (the day of the shooting) with her daughter [redacted] but could not remember the time.

At first she stated that she rode with [redacted] to the mall, then stated that they came in two separate cars. She said her son came with them but did not specify which car he came in. She seemed to be confused as to which persons rode in what vehicles.

[redacted] said that there was a large group of people who all came to the mall together. She and her daughter went to the first level of the parking structure, and that [redacted] the Cadillac to the fourth level of the parking structure with two of his friends who she named as [redacted]

She said that she left the mall after getting sick and drove near the Marshall's Department Store, but did not say with whom she left. As she neared Fox Hills Drive, she said that she spoke to her daughter who told her that there had been a shooting at the mall.

She said that she tried to get into the crime scene and attempted to find out some information, but was unable to. She seemed to be confused as to the circumstances on who exactly she was with when she arrived at the mall, and how she learned of the shooting. She said that she got confusing information from a number of different people who she did not name.

She said that at some time she went to the hospital where her son had been brought to and attempted to find out information from hospital staff but was unable to. She also was concerned about the rental car and wanted to see the car.

[redacted] said that her son was not a gang member but admitted that she knew he had been arrested in the past for some type of gun offense. She said that if her son had been involved in a gang, she was not aware of it. She said that her son was involved in rap music, and was attempting to make his own CD.

She had no other information as to her son's gang involvement or criminal activities. She spoke about herself and her son's involvement in her church and was only attempting to find out information, so that she could relay this information to some of the other parents.

[redacted] told me that she suffers from Attention Deficit Disorder as well as her son, so it is difficult to sometimes remember certain details. After a few more minutes, Sgt. Iizuka and I then concluded our interview with him.

In summary and after a review of supplemental reports by other officers, it appears that [redacted] is either confused about the details of the circumstances which led up to the shooting, or is being less than truthful as to the circumstances which led up to the shooting, and the manner in which she learned of the shooting.

She provided little if no help in determining who may have been with her son prior to and during the shooting, or what involvement he may have had in the shooting. I concluded that she was of very little assistance in attempting to determine some of the facts in this case.

INVESTIGATOR'S NOTE

On 7/28/2000 at approximately 0930 hours, I received a phone call from a male who identified himself as [redacted] an attorney for [redacted] stated that he was representing [redacted] in a current robbery case, and was calling upon the request of [redacted] to find out what had happened.

He stated that [redacted] told him that the Culver City Police Department ambushed and executed her son, and he was calling because he was attempting to avoid a "Race War in Culver City".

I politely told [redacted] that the investigation was not complete and that I was unable to provide him with any details. I then ended my conversation with him.

SUPPLEMENTAL REPORT: INTERVIEWS
DETECTIVE K. WALKER # 277 **DR # 00-003847**

On 07/26/00 at approximately 1800 hrs, members of the Culver City Police Department Crime Impact Team and I, Detective K. Walker #277 responded to the Fox Hills Mall to assist in a shooting that had just occurred. Upon my arrival, I was directed to locate possible witnesses to what had occurred and obtain statements. The following are the individuals I contacted and their statements:

I spoke to [redacted] who is employed as a [redacted] work phone [redacted]

[redacted] stated that he was on duty and driving a distinctively marked white Fox Hills Mall security truck into the fourth level parking lot, where he planned to meet a service man who was there to repair the roof of the mall. As he entered the lot, he heard 3-4 shots that he at first believed to be fireworks. He continued into the lot and saw three groups of young black men running to vehicles parked in the lot.

The first group, consisting of three or four male subjects got into a white vehicle and tried to drive away. He heard some others subjects identify themselves as police and order the subjects in the white car to "stop your vehicle and put your hands up". The subjects identified themselves as police two to three times but the male subjects in the vehicle continued to drive away.

The "police" then shot ten to twelve times at the vehicle. As the "police" were shooting, one of the subjects in the car jumped out of the passenger window and began to run. The "police" told him to stop and when he didn't they shot him. The vehicle came to a stop and everyone inside the vehicle appeared to be dead.

I asked [redacted] if the subjects in the white vehicle had shot at the "police". He said that he heard shots coming from the white vehicle just before the "police" began to shoot.

I pointed out to [redacted] that he had made mention of three groups of subjects. He indicated that the second group, consisting of about four subjects, got into a green 1992 Toyota Tercel or Honda, while the other group ran to a silver Honda [redacted]

The group at the silver Honda couldn't open the door and ran into the mall. The group in the green Tercel drove off east bound in the parking lot of the mall. [redacted] tried to follow the green Tercel but lost it when it went down the east "up" ramp and exited out onto Fox Hills Drive.

[redacted] returned to the fourth level and assisted in a perimeter around the crime scene. While assisting on the perimeter, members of the third group returned and attempted to retrieve their vehicle. [redacted] said that he advised a second security guard, [redacted] to follow the subjects while he advised the police.

I then interviewed [redacted] who is also employed as a Security Guard at the Fox Hills Mall, work phone [redacted]

Welcome stated that he followed the group that [redacted] had pointed out to him, back into the mall and into J.C. Penney's. This group of four male blacks attempted to exit J.C. Penney's and was detained by Culver City Police Department patrol officers.

I then interviewed [redacted] and who is an employee of Hot Dog on a Stick, which is located on the third floor food court area, store #310 Fox Hills Mall, [redacted]

[redacted] stated that she was at her work station when she saw five male black subjects running eastbound in front of her store. She heard one of them say, "I think they shot my brother we've got to get them back, we're going to fire on those crips".

I asked her if she could recall which of the subjects had said these words. She described the subject as a male black approximately 15 years old with black hair, wearing black Tommy Hillfiger pants and a black cap.

She said that this subject was speaking to a second male black approximately 20 years old with black cornrows wearing gray sweat pants and a white T-shirt.

I then interviewed [redacted] who is an employee at "Forever 21", store #107 Fox Hills Mall, business phone [redacted]

[redacted] stated that she saw a group of young male blacks running westbound in the mall, past the front of her store and they appeared to be very upset. She described the first male black, 5-6 to 5-7, 160-165 lbs., 29 years old wearing a red baseball cap, red T-shirt, and a large bulge "like a gun" in the left front pocket of the tan khaki pants he was wearing. The second subject was described as a male black, 5-7, 175 lbs., 29 years old, black hair wearing a red T-shirt and blue jeans.

I then conducted an interview with [redacted] an employee of "Melts and Malts", store #345 Fox Hills Mall phone [redacted]

[redacted] stated that he saw a group of four young male blacks running westbound in front of his store. He heard one of them say "my brother's shot, let's call the homies". He described the speaker as a male black, 5-4, 150 lbs., 20-25 yrs. wearing a brown Hawaiian shirt, black pants. [redacted] said that the first subject was speaking to a second male black 5-6, 150-160 lbs. 19-20 yrs. wearing a white T-shirt and black pants. [redacted] had nothing else to add so I ended my interview with him.

I then interviewed [redacted] an employee of "Nothing but Silver", store #294 Fox Hills Mall.

[redacted] stated that the group the police were looking for had ran past her store and that she had them on videotape. She then released the videotape to me, and I later placed into evidence for further investigation.

I spoke to [redacted]

[redacted] told me that at approximately 2350 hrs he came to the fourth level parking lot to claim his 1999 Honda Accord bearing California [redacted] He related that he had been shopping at the mall all day and knew nothing about a shooting. I told him that his Honda was part of a crime scene and he would be notified when he could pickup the vehicle.

I then concluded my interviews.

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

DETECTIVE M. CONZACHI # 596 **DR # 00-003847**

On Thursday 9/14/00 at approximately 1345 hours I, Detective M. Conzachi and Sgt. R. Iizuka went to [redacted] to conduct an interview. This address is the address for [redacted] who I have since learned is currently on a stress-related leave of absence from his job as a security guard at the Fox Hills Mall.

I went to [redacted] residence in order to re-interview him and to clarify some of the possible discrepancies in his initial interview with Officer Ken Walker, which occurred immediately after the shooting incident at the Fox Hills Mall. I have called the phone number for [redacted] on seven or eight occasions, each time leaving a message, but never receiving a return call.

Sgt. Iizuka and I were finally able to contact [redacted] at his residence. Upon initially contacting [redacted] he came outside of his rear upstairs apartment after a few minutes and he suggested that we interview him in his garage.

I told [redacted] why we were there and that I was attempting to clarify some of the statements that he told Officer Walker at the time of his first interview. I asked him if he would mind if I tape-recorded our conversation, and he said that he didn't mind and I began to record our conversation.

I asked [redacted] specifically about what he remembers about one of the suspects he observed jumping out of one of the passenger windows of the Cadillac. He told me that one of the persons he observed jumping out of one of the passenger windows appeared to have been shot by the officers either as the Cadillac was still moving, or as he was jumping out of the car.

[redacted] said that he believes that this one suspect was not shot after he jumped out of the car, but rather this individual had been shot while still inside the car, and had possibly collapsed to the ground after jumping out of the car, and had collapsed as a result of being shot while he was still inside the car.

It should be noted that the person who [redacted] is referring to has been identified as [redacted] and who was seated in the right rear seat of the car.

[redacted] told me that he had entered the fourth level of the parking structure in a mall security truck, at the eastern most entrance just as the shots were being fired. As he drove in a westbound direction towards the shooting scene, he could see 12 or more persons running in different directions, as he continued to hear shots.

[redacted] said that he heard at least one shot coming from the Cadillac as he pulled his truck almost directly in the middle of the shooting scene, and said that he saw and could hear, "the white cop", say "oh my god", possibly as a result of one of the persons in the car shooting themselves.

[redacted] told me that one of the persons who was in the Cadillac, and who died at the scene was a friend of his son. He identified this person as [redacted] and said that [redacted] lived in the neighborhood. [redacted] told me that he has already given several statements to officers of the CCPD, and said that he has also been asked a lot of questions from some members of [redacted] family, who he said have made odd statements to him concerning this shooting.

[redacted] said that some of [redacted] family members have mentioned to him that they believe that Culver City Officers just executed [redacted] for no apparent reason.

[redacted] said that he did not believe the statements from some of [redacted] family members, but suspects that they may be attempting to find out information from him for some other reason. It appeared that [redacted] was in somewhat of an uncomfortable position talking to us at his home, so Sgt. Iizuka and I quickly ended our interview with him.

Based on [redacted] statements during this interview and the statements he previously gave to Officer Walker, it appears that he drove to up to the shooting scene while the shooting was in progress and did not see the beginning. He did see numerous persons running in all directions as the shooting began to unfold.

He told me that he believed that [redacted] shot himself based on statements from his son who was a friend of [redacted] and from various family members of [redacted]

[redacted] did attempt to make it clear, that he believes that the person who he observed the night of the shooting jump out one of the passenger windows, [redacted] was shot while he was inside the car or just as he was jumping out of the car.

SUPPLEMENTAL REPORT: INTERVIEW [redacted]

SGT. R. IIZUKA # 590 **DR # 00-003847**

On 12/15/00, at about 1100 hours, I received a call from Detective Gonzalez of LAPD Pacific Division/Homicide Detail. Detective Gonzalez told me that he was going to arrest [redacted] for Homicide that occurred in Los Angeles. Detective Gonzalez knew that [redacted] was involved in a shooting at the Fox Hills Mall in July of this year. He asked me if I would to interview [redacted] in regards to our case.

I told him that I would be interested in re-interviewing [redacted] since the results of his GSR kit had been completed.

At 1400 hours, Detective Poulin and I responded to Pacific Division. I met briefly with Detective Gonzalez and he showed us where [redacted] was. Detective Poulin and I escorted [redacted] to an interview room. At about 1420 hours, Detective Poulin read [redacted] his Miranda Rights and [redacted] said he would talk to us. (See attached waiver signed by [redacted]

I asked [redacted] where has he been since the incident at the mall. [redacted] said he has been living in Texas with his grandfather. He said returned to Los Angeles because he just became a father and wanted to be with his family.

I asked [redacted] if he remembered the interview he had with Detective LaFlamme on July 25th of this year. He said he did. I then asked him if he recalled the gunshot residue he tests he consented to [redacted] said yes, that's the test that will tell you if you shot a gun. I said that is correct. I told him that his test results were positive for gunshot residue. [redacted] said that is impossible. I did not touch or shoot any gun that day.

I then explained to [redacted] that the GSR test results said he had a positive for gunshot residue on both his hands. I asked him to tell me how that happened. [redacted] said he never shot or handled a firearm that day or any other. Detective Poulin asked [redacted] what he did that day prior to being at the mall. [redacted] said his car overheated and that he had stooped to put water in the radiator and had touched the cap and hose. Detective Poulin asked what else he might have done. [redacted] said he also changed a tire earlier in the day.

I asked [redacted] again if he handled or discharged a firearm the day of the shooting at the mall. [redacted] said no. Detective Poulin and I then terminated the interview with [redacted]

Denny's Restaurant is located in a multi-business shopping center. The shopping center is located at the S/W corner of Overland and Jefferson. Denny's Restaurant is located in the N/E portion of the parking lot at the corner of Jefferson and Overland. The main parking for the restaurant is on the west side of the business. The entrance to the business is located on the N/W side of the building facing the main parking lot. Access to the restaurant's main parking lot is located at the southern end of the business. There are planter medians at the entrance giving only one entrance and exit. There are parking stalls on the west side of the lot opposite of the business, and on the east side of the lot facing the business. The business has windows along the west side providing a view into the parking lot. According to witness statements, the shooting occured at the entrance to the main parking lot for the restaurant, with the suspect located around the first stall on the left as you enter the parking lot.

Source

On [redacted] at approximately [redacted], Officer A. Kellum, received a radio call of a shooting that just occurred at the Denny's Restaurant, located at 10700 Jefferson Blvd. While responding I was informed that the shooting victim was inside of Denny's.

I was on scene within one minute. As I exited my police unit, I could see vehicles driving away from the location on both Jefferson Blvd and Overland Ave. The parking area immediately in front of the business was full with parked vehicles while people were walking to and from the restaurant. I could see that the lobby area of the restaurant was crowded with patrons.

Inside the business, I was directed to the shooting victim, who was identified as [redacted] seated on the padded bench that was against the north wall and directly across from the cash register. He was conscious and responsive while bleeding from the upper portion of his left leg. I could see a small hole in the thigh area of his left pant leg. [redacted] was applying direct pressure to [redacted] injury.

Potential witnesses refused to answer questions and/or offer any information for the investigation. Most said that they didn't see anything or simply refused to answer any questions about the incident.

Additional Victim

Shortly after my arrival, Officer Vanscoy observed a gray Mitsubishi Montero travelling east on Jefferson Blvd coming from the area of the Denny's restaurant. When that vehicle was stopped, officers learned that the left front passenger [redacted] had sustained a gunshot wound to his neck. Initial information revealed that [redacted] was an additional victim from the Denny's incident. For further refer to Officer Vanscoy's narrative.

When I asked [redacted] what happened, he told me that he had been shot. When I asked why, he told me that he didn't know. He was unable to tell me who had shot him, what they looked like, where they were last seen, or where the shots came from. All [redacted] was willing to say was that he was in the

parking lot talking to some girls when someone shot him.
I then attempted to speak with several others who arrived at Denny's with the victim. They were [redacted] [redacted] and [redacted] At that time they all told me that they didn't see the person who was shooting. None could supply any information about the suspect.

On Scene Investigation

[redacted] told me that his brother [redacted] was in the parking lot talking to some women who were seated in a vehicle. The vehicle was parked among those that would be facing to the west and located in the end stall at the most southern side. The row was located across from the front door of the restaurant When facing Jefferson and while entering the main parking lot, it was the first stall on the left side that was bordered by a small-planted median. [redacted] was positioned between the driver's door and the planted median.

There was a vehicle parked in the stall at that time. The vehicle was a 4 door green 1999 Honda, CA license [redacted] As I attempting to locate witnesses and evidence, several women arrived and entered the vehicle. I spoke with the drive[redacted] who told me that the occupants in her vehicle were talking to some guys when the shooting occurred. When the shooting started, they ducked down in the car. They didn't see who was shooting. I briefly looked at her vehicle and was unable to locate any damage or evidence of a shooting. Shortly thereafter she was released.

Injury

Culver City Fire Department - Rescue 3 arrived on scene and treated [redacted] for a gunshot wound to his left thigh. He was then transported to [redacted] Medical Center. There, he was examined and treated by [redacted] for a superficial "through and through" gunshot wound. [redacted] was later released to go home.

Evidence

The scene was then secured as evidence was located and identified. Officer Brandon Vanscoy and I located expended projectiles and other materials of evidence within the crime scene. Those items of evidence were identified and later collected by [redacted] For further refer to I.D. Tech [redacted] evidence inventory report.

Witness Statements

Of those interviewed all versions are consistent. All involved subjects say that they had come to Denny's after an evening celebrating [redacted] birthday. The group was celebrating at a nightclub in the City of Los Angeles. When they left the club, [redacted] and [redacted] were in one vehicle. [redacted] and [redacted] were in another. Both vehicles arrived at Denny's together. While at Denny's the group split up and began socializing both individually and in pairs. After about twenty minutes, [redacted] and [redacted] decided to gather the others and leave that

location in order go to the Denny's located at Jefferson and Mesmer.

[redacted]

Just prior to the shooting [redacted] was standing at the drivers side of a small vehicle in the parking l of Denny's. There he was talking to some people who were inside the vehicle. Suddenly he heard seve shots behind him. He scrambled toward the rear of the vehicle when he noticed that he had been shot i the leg. He never looked behind and had no idea who or where the shots came from.

[redacted] said that just prior to the shooting, he was in the parking lot. [redacted] was at the driver side of a vehicle (green Honda) that was parked in the parking lot in front of Denny's and was talking to some people inside. [redacted] was standing behind the vehicle, when he suddenly heard three to five shots. [redacted] immediately went to the ground backed northward. While doing so, he saw [redacted] scrambling from around the driver's side of the vehicle and fall to the ground. [redacted] then said he had been shot. [redacted] then carried [redacted] inside Denny's until CCPD arrived.

[redacted] said that he was in the parking lot at the time of the shooting. He confirmed the location where [redacted] was standing. He was also in the area of the Green Honda. He said that the shots came from an area about 15 - 20 feet southwest of where the green Honda was parked. He didn't know how many people were shooting. When the shooting ended, he saw [redacted] on the ground behind the Honda.

[redacted] was located on the passenger side of the green Honda. He said that as he was introducing himself to the people inside the Honda, he heard six to eight shots. He remembers seeing a subject standing about 20 feet southwest of where the Honda was parked. That subject was standing firing the weapon in the direction of people standing near the southern portion of the Denny's restaurant. There were people standing in the area of where the suspect was firing. There was only one person firing. [redacted] could offer no further information on the suspect.

[redacted]

Both [redacted] and [redacted] said that they decided that they were hungry and were going to the other Denny's with or without the [redacted] and [redacted] As they were going to their vehicle, they saw [redacted] and [redacted] inside the location socializing with some of the female patrons. [redacted] were in the parking lot area. As they were leaving the lot, on the Jefferson Blvd side, they remembered seeing [redacted] talking to some people in a car. Just as they were approaching the light at Jefferson and Overland, they heard six to eight shots from the parking lot. When they went back, they saw that [redacted] had been shot.

**********Narrative Title: PC245(A)(1)/BSHIFT/D3/VANSCOYDate Entered: [redacted] 3:19:43 AMOn [redacted] at approximately 0302 hours, I received a radio call of shots fired at the Denny's Restaurant, 10700 Jefferson Blvd.

As I was traveling S/B on Duquesne approaching Jefferson, I observed a tan Mitsubishi SUV traveling E/B on Jefferson from Duquesne at a high rate of speed. Believing that the vehicle may have some involvement in the shooting, I began to follow the vehicle. As we approached La Cienega at Rodeo, the vehicle suddenly made a left turn against the red arrow. I initiated a stop on the vehicle at La Cienega and Clemson. When the vehicle came to a stop, the occupants began to yell that one of the subjects in the car had been shot in the neck, later identified as [redacted] Once all 8 subjects were directed from the vehicle and detained, I learned that [redacted] in-fact had received a single gun shot wound to the left side of his neck.

I spoke to one of the occupants, [redacted] regarding the shooting. [redacted] told me that he and his friends were in the Denny's parking lot socializing by their vehicle. The car was parked in the most southern stall that faces the restaurant at the pay phones. Moore was standing on the driver's side whos door was open. Suddenly he observed a M/B, 18-23 years old, 5'11" thin build, wearing tan pants, NFD produce a unknown type handgun and began to shoot in their direction. The suspect was standing west/behind the SUV in the opposite parking stall facing Denny's. Moore then ran toward Overland and then north to Jefferson. Then the SUV pulled up and picked up Moore and they left e/b on Jefferson.

LA City Fire Department was called for [redacted] injury. While attending to [redacted] Officer Lai noticed that a bullet was lodged in the collar of [redacted] jacket. Officer collected the jacket with the bullet and booked it into CCPD evidence. [redacted] was transported to Cedar Sinai by LA City Fire where it was determined that he sustained a "through and through" gun shot wound. The other 7 subjects detained, [redacted] were determined to be only witnesses to the shooting. All were asked if they would be willing under no obligation to come to the station in order to obtain statements. All subjects agreed. Due to the fact that there was dried blood on the front right hood of the Mitsubishi, the vehicle was towed to CCPD for evidence photos and collection. The vehicle was subsequently released to the owner.

CCPD Detectives were notified and responded to the station. Det. Sgt. Gutierrez and Det. Poulin spoke to each of the witnesses at the station. For further details, see their report.

He said that he also left because he did not want to get involved and did not want any police contact.Detective Conzachi and I then showed [redacted] four separate photographic lineups, which depicted the photos of [redacted] and [redacted] in each line up. When [redacted] looked at the separate lineups which contained photos of [redacted] he immediately identified both of them as the subjects he saw shoot at the group of males.Based on our conversation with [redacted] I have positively identified [redacted] and [redacted] as the two persons responsible for this shooting. Additionally, based on the uncooperative nature of the victims, and the fact that both suspects are deceased, no further action will be taken. This case is now considered closed.

STATEMENT OF OFFICER OSAMA AGAIBY
JULY 26, 2000 5:02 AM

On July 26, 2000 Lt. Burck and I (Lt. Ray Scheu) interviewed Officer Agaiby regarding an officer involved shooting he and his partner, Officer John Purnell had been involved in on July 25, 2000 at the Westfield Shopping Town (Fox Hills Mall).

Before any questioning took place Lt. Burck advised Officer Agaiby of his Miranda Rights which he refused to waive. Lt. Burck then advised Officer Agaiby of the "Lybarger Admonition." Officer Agaiby was then ordered to answer any questions posed to him by Lt. Burck or Lt. Scheu. His refusal to cooperate in the investigation could be deemed insubordination. Officer Agaiby agreed to answer our question under compulsion from the "Lybarger Admonition."

Below is a factual synopsis of the interview conducted with Officer Agaiby.

Officer Agaiby stated that on 7-25-00 at approximately 5:20 PM he was working as a Police Officer for the City of Culver City assigned in a plain clothes/undercover capacity working out of the Selective Enforcement Section (Narcotics-Vice). At this time he and his partner Officer Purnell were eating dinner in the food court at the Westfield Shopping Town (Fox Hills Mall).

Officer Agaiby stated that his attention was drawn to a group of 10-12, 18 to 19 years old, male blacks walking in an easterly direction near the food court. Officer Agaiby said that many members of this group were wearing some form of the color red such as red floral shirts and red caps. Officer Agaiby related that not all members in this group had red on however the "common color" in the group was red. Based on his experience as a police officer, Officer Agaiby said that he knew that it is common for gang members to show their colors so that they could be recognized. Officer Agaiby felt these subjects belonged to the "Bloods" gang.

Officer Agaiby said that he saw the aforementioned group walking in the mall near the railing adjacent to the food court. He said they were walking

slowly and that every member at one time or another looked back over their shoulder. Several individuals made 360-degree turns while looking around. Officer Agaiby said the subjects appeared to be looking very intently for someone who might be a threat to them.

According to Officer Agaiby this group of possible gang members walked to an area near the escalator adjacent to the food court and began loitering about. Officer Agaiby spent approximately 10 minutes finishing his meal. He and Officer Purnell then got up from the table and began to walk toward the stairs leading up to the fourth level parking structure where Officer Agaiby's undercover [redacted] was parked. While walking toward the stairs Officer Agaiby said he glanced over at the group and saw them still standing near a kiosk that sells pagers, next to the escalators, and that they were still "milling around." Officer Agaiby saw that two members of this group were looking over the crowd toward the west.

Upon reaching the bottom of the stairs Officer Agaiby said an elderly male with a cane, and another male and female subject who were climbing the stairs very slowly ahead of him delayed him. After waiting 10-15 seconds at the bottom of the stairs, making little progress, he was able to continue up the stairs.

Officer Agaiby said that Officer Purnell began climbing the stairs first and was approximately 4 steps ahead of him when he, Agaiby, saw another group of 10-12 male blacks approaching from behind. Many in this group were clad in dark jeans and white t-shirts and some had on blue caps. This was not the same group that Officer Agaiby had seen loitering near the escalator moments before.

Based on the predominate color of blue being displayed by this group Officer Agaiby suspected these men were members of a "Crip" gang.

Seeing this group approaching from behind Officer Agaiby said he stepped to the side and let some of the members pass him. As they did Officer Agaiby saw a tattoo on one of the subject's forearms, however he could not tell what it was. Furthermore, Officer Agaiby said the group appeared "intent" about something. He said none of them were talking at all and that their behavior seemed strange and he "had a feeling something was not right."

Upon reaching the top of the stairs they reached the door leading out onto the fourth floor parking area. Officer Agaiby and Officer Purnell stopped and Officer Agaiby held the door open as the subject's exited onto the parking lot. In addition to the subject's in the group other people were also coming in and out of the door.

At this time Officer Agaiby and his partner walked in a southerly direction toward his Nissan Pathfinder. It was parked one aisle south of the entrance doors to the mall, Arcade 8, in the first space east of the center north/south aisle. His vehicle was parked facing north toward the mall building.

Officer Agaiby said that the group wearing the blue colors stopped in the middle of the first drive lane south of the mall just east of the doors to the mall. Officer Agaiby said members of the group were still acting suspicious as they were looking back at the doors to the mall as if expecting somebody to come out. Officer Agaiby said he saw a male and female subject also walking eastbound in the first drive lane who appeared to be with this group however they did not stop and kept walking.

Officer Agaiby and Officer Purnell continued walking to the Nissan at which time Officer Agaiby opened the driver's door and stood by it. Officer Purnell was standing by the passenger's door. According to Officer Agaiby it took 10-15 seconds to walk from the mall doors to his vehicle.

After getting to his vehicle Officer Agaiby looked toward the mall and saw the first group of 10-12 male blacks displaying red colors coming out of the mall doors onto the parking lot. Officer Agaiby said that upon seeing the possible "Bloods" come outside "it clicked in my mind what this was all about." Officer Agaiby said he suspected that these two groups had some type of confrontation in the mall. Officer Agaiby said he then mentioned to Officer Purnell something to the effect of, "This is gonna be a fight."

As the second group (Bloods) exited the mall doors they stopped just south of the doors and stood in a group in the middle of the drive aisle closest to the mall not far from the first group that had exited moments earlier.

Within seconds of realizing that a fight might take place Officer Agaiby heard a subject in the "Bloods" group say, "Come on mother-fucker what you gonna do now?" or, something very similar to that.

Immediately Officer Agaiby heard 3-4 gunshots come from the area to his right, he was facing north toward the mall at the time. He saw the members of the "Bloods" group duck down as "if making themselves small" and begin running away toward the west and north. Officer Agaiby said he did not see anyone from this group firing, nor did he see gun smoke coming from that group.

After the shots were fired Officer Agaiby heard Officer Purnell say either, "I got the shooter" or "I see the shooter". He then saw Officer Purnell run toward the rear of the Nissan (south) and then east in the center-driving aisle. Officer Agaiby followed Officer Purnell.

After going around the back of his Nissan Officer Agaiby saw Officer Purnell crouched down moving east while looking to the north, toward the mall. Officer Agaiby said he could see the first group, the group that appeared to be Crips, running in a general easterly direction. He saw a group of four males who appeared to be staying together and it was his impression that Officer Purnell was "tracking" that group. This group was, according to Officer Agaiby, approximately 30-40 ahead of Officer Purnell and Officer Agaiby was another 10-12 feet behind Officer Purnell. Both officers were separated from the group of four subjects by two rows of parked cars.

Officer Agaiby said that all the other members of the "Crips" group scattered in different directions except for the four subjects that Officer Purnell appeared focused in on.

Officer Agaiby related that he followed Officer Purnell eastbound in the center lane until they were almost at the end of the main body of parked vehicles. Just prior to reaching the last parked vehicles Officer Agaiby veered to his left and went around the front of a parked Honda, between it, and another vehicle parked facing south in the lane closest to the mall. Officer Agaiby said he saw Officer Purnell continue east and go around the back end of this same Honda. The officers at this point were divided by approximately one car length.

Officer Agaiby said he saw the four subjects approaching a parked white four door Cadillac. He saw two of the men enter the vehicle via the left rear

door and the driver enter the vehicle via the driver's door. He does not recall how the right front passenger entered the vehicle.

At about this same time Officer Agaiby remembers yelling over and over again "Police stop" and recalls hearing Officer Purnell yell, "Police, Freeze." Officer Agaiby said he has no doubt that at least the driver and the back passenger heard him yelling his commands. Officer Agaiby said that both subjects turned and looked back at him. Officer Agaiby stated, "No doubt in my mind, we were very loud."

Officer Agaiby said that he had his gun out and was pointing it at the subject's and the vehicle because he felt an attempt murder had just occurred moments earlier when the shots were fired. He did not know if anybody had been injured, as he did not have time to inquire, and was more concerned about stopping the person who had the weapon.

Officer Agaiby also said that he wears his uniform badge on a chain around his neck beneath his shirt and that he had pulled it out from beneath the shirt and was displaying it just below his chest while shouting his commands to stop. Officer Agaiby felt the badge could be clearly seen, especially since he was wearing a white shirt and the badge was held on a black background.

At this point Officer Agaiby saw the left rear passenger "lean forward and crouch down in his seat." Officer Agaiby said he did not know what this man was doing but felt he possibly might be "reaching down below to arm himself." Officer Agaiby said that at this point he did not know who had the gun, how many guns were present, and whether the subjects had run to the car to arm themselves.

Officer Agaiby stated that he is aware that gang drive-by shootings happen frequently and knows that it is not uncommon for gang members to carry multiple weapons.

Less than a second after the left rear passenger leaned down Officer Agaiby saw a "chrome or stainless steel revolver" come up and across the back of the left rear passenger. Officer Agaiby could see that it was pointed at Officer Purnell, who was standing to Agaiby's right. It was Officer Agaiby's opinion that the only person who could be pointing this weapon at Officer Purnell would be the right rear passenger.

Officer Agaiby then heard gunshots. He did not know where the shots were coming from but was afraid the suspect had begun shooting at Officer Purnell. Officer Agaiby said he was afraid his partner had been shot and that he would be next. Officer Agaiby stated, "I had to stop him."

In response to this threat Officer Agaiby says he fired an unknown number of rounds at the right rear passenger to stop the threat. Officer Agaiby says he could not wait any longer without the risk of getting shot.

Officer Agaiby says that at this point he saw the driver of the Cadillac, with his left hand on the wheel, lean down dipping his right shoulder and reach toward the floor. Officer Agaiby says he thought this subject was now arming himself despite the fact that they, Agaiby and Purnell, had identified themselves as Police Officers, and despite the fact that the driver had at one point looked back at the officers.

In response to this new potential threat Officer Agaiby fired an unknown number of rounds toward the driver of the vehicle.

Additionally, Officer Agaiby says it is very common for gang members to conceal guns on the floorboard or under the seat of vehicles because it makes the weapon easily accessible. He personally has arrested persons with weapons concealed in just such a place.

Officer Agaiby said that he could not wait to see a gun being pointed at him because the subject who has the gun already knows what he is going to do. Consequently Officer Agaiby felt he would not have time to react to a subject firing a shot at him. According to Officer Agaiby it would take a couple of seconds for him to process the fact that somebody was shooting at him and by that time it would be to late. Officer Agaiby also did not know the status of the man with the gun in the backseat at the time the driver bent down.

When Officer Agaiby saw the gun and then saw the driver reach down his concentration was on these potential threats. He didn't see the left rear passenger and does not know what he did next. Also he did not see the right front passenger making any suspicious movements such as reaching down. Officer Agaiby felt he had an overview of the vehicle but was concentrating on the threats he perceived.

The Cadillac at this point began to roll forward in a northerly direction out of the parking space with both the driver's door and the left rear passenger door ajar. As the vehicle began to move Officer Agaiby stated that he believes he fired 2 or 3 rounds at the subjects inside the vehicle as it began to move.

When the Cadillac moved forward Officer Agaiby says that he and Officer Purnell followed the vehicle on foot and tracked it with their weapons trying to determine if the threat of being shot had stopped. Officer Agaiby says that at this time it appeared to him that the threat had stopped.

As the Cadillac was moving Officer Agaiby saw the right rear passenger "flying" out the right rear window headfirst and fall to the ground.

Within seconds Officer Agaiby says the Cadillac rolled forward and struck a parked vehicle. Almost simultaneously he saw the right rear passenger stand up and begin to stumble away in a northerly direction toward the mall. Officer Agaiby says that both he and Officer Purnell had moved closer to the Cadillac and he saw Officer Purnell approaching the driver's side of the vehicle. Officer Agaiby says he then went around the back of the Cadillac and approached the right rear passenger who had jumped from the moving vehicle and ordered him to, "Stop, Freeze." Officer Agaiby says this subject had taken three or four steps when he stopped with his hands in the air. About a second later this subject collapsed to the ground.

At about the same time Officer Agaiby recalls Officer Purnell yelling to a woman who was nearby to call 9-1-1.

After the subject collapsed behind the Cadillac Officer Agaiby says he did not approach him. Officer Agaiby maintained his distance because there was still three persons in the Cadillac and tactically it would not have been wise to approach until back-up arrived.

Officer Agaiby says that he could hear Officer Purnell talking to somebody in the vehicle. Officer Agaiby heard Officer Purnell say, "Hold on, Help is coming."

Within seconds of the above statement by Officer Purnell Officer Agaiby heard a single gunshot coming from the area of the Cadillac. Officer Agaiby looked up and saw a very shocked Officer Purnell state, "He shot himself, he

shot himself." Officer Agaiby moved closer to the Cadillac and could see the right front passenger slumped over to his left and could see brain matter and blood gushing from the subject's head.

Officer Agaiby then utilized his cell phone to call the Culver City Police Department dispatch center and request help. Officer Agaiby told the dispatcher who he was and informed her that he and Officer Purnell had been involved in a shooting. He told the dispatcher that the suspect(s) had shot at another person as well as at the officers. He told the dispatcher four persons were "down" and requested paramedics.

When asked why he told the dispatcher the suspect(s) had shot at him, Officer Agaiby stated he based this on the weapon he had seen pointed at Officer Purnell and the gunshots he heard while the gun was pointed. Officer Agaiby believed at that point that the suspect had fired at Officer Purnell

The first uniformed Culver City officers on scene were Officer Neil Gold and Jason Martin. They arrived in a black and white police car from an easterly direction on the parking structure. Officer Gold then patted down the subject who was laying outside the vehicle to make sure he did not have a gun on him. Officer Gold also handcuffed the subject for officer safety.

Officer Agaiby stated that paramedics arrived and rendered first aid to the injured and pronounced two of the suspects dead.

[redacted] I, Detective [redacted] received a telephone call from [redacted] said that he had information that he wanted to tell me regarding the murder of [redacted] added that he was currently in custody on an unrelated matter under booking numbe[redacted] I interviewed witness [redacted] Also with [redacted] his attorney [redacted] The interview was audio-tape recorded. Below is a summary of that interview.

[redacted] said during the summer of [redacted] he drove by himself to Sunset Boulevard in Hollywood. He saw a few friends who were standing in front of the [redacted] They told him to park his car and joined them. [redacted] said he parked in the rear of the [redacted] and joined his friends. They started walking down Sunset Boulevard enjoying the night life. [redacted] said the boulevard was crowded and there were several small groups of people walking in front and behind them. [redacted] saw a group of four African American men directly in front of him. He recognized two of the individuals as [redacted] and [redacted] of the "Rolling 60's" Crip gang. As they were passing the [redacted] a van containing "skinheads" drove by and exchanged words with a group of African-American males in front of [redacted] The driver of the van made a u-turn, then stopped in the middle of the street. About that time, [redacted] saw a young white male [redacted] on the sidewalk. [redacted] said he believes the victim came out of the van.

The victim began yelling and cursing at the African American males, challenging them to fight. A crowd started forming around the victim. He continued cursing, using racial slurs and saying "I'll fight any one of you!" [redacted] said the victim was with approximately four of his friends.

[redacted] told one member of the group nicknamed [redacted] to fight the victim [redacted] and the victim went down the alley connecting the [redacted] parking lot and Sunset Boulevard. [redacted] said he and passerby's who saw what was about to happened followed the two down the alley. [redacted] estimated that there were approximately 30 people in the alley. [redacted] said he was standing against the wall of the [redacted] watching the two combatants. Standing next him were [redacted] and one of the victim's friends.

[redacted] and the victim began fighting. At one point, the victim was knocked down by [redacted] As the victim struggled to his feet [redacted] heard several gunshots. [redacted] immediately started running towards his car. He looked back and saw [redacted] firing what he believes to be 9 mm handguns. [redacted] said he entered into his car and drove out of the parking lot, turning right onto Sunset Boulevard. He looked in his rear view mirror and saw [redacted] said he made a u-turn and lost sight of [redacted]. I noted that in earlier interviews, witnesses at the scene had reported that one of the shooters drove away in a blue car.

[redacted] said the next day while watching the news on television, he saw that the victim was killed. Two days after the murder, [redacted] went inside of a restaurant in West L.A. Inside was [redacted] started talking to him about how he committed the murder. [redacted] said he saw someone in the crowd reaching for a gun [redacted] said he pulled out his own gun and shot the victim. [redacted] said it was apparent [redacted] was lying about someone else having a gun as he was laughing while he was talking about the murder. [redacted] also said that it did not make sense that [redacted] would shoot the victim because someone else had a gun [redacted] said [redacted] and believes he did the shooting to enhance his reputation within his gang [redacted] added that the shooting was a complete and unexpected surprise to everyone watching the fight.

[redacted] He said he did not know [redacted] last name, but said his first name is [redacted] arrested approximately three weeks after the murder at the [redacted] for a gun possession. He believes they both bailed out on that case. He said he had not seen either man since talking to [redacted] in the restaurant. The interview was concluded. For complete details, refer to the audio tape which is kept in the investigators file.

Based on information provided by [redacted] I was able to identify [redacted] and [redacted] A check of their criminal history shows that both were arrested at th[redacted] During the arrest, [redacted] was found to be in possession of a 9 mm hand gun. The two bailed out on that case.

Further investigation revealed that both suspects died or [redacted] during an altercation with Culver City police. On [redacted] I spoke to Culver City Detective Conzachi. He said undercover Culver City narcotic officers observed the suspects arguing with a small group of people at the Fox Hills Mall. The suspects suddenly started shooting into the crowd. The officers confronted the suspects and engaged them in a gun battle. [redacted] was killed in the shoot out [redacted] barricaded himself inside his vehicle at the scene and subsequently committed suicide by shooting himself in the head. Coroners case [redacted] and [redacted] were issued. The gun used in the shooting was a revolver and not related to the

I obtained photographs of the two suspects. They were placed in separate six pack mug show-up folders. [redacted] was placed in [redacted] in a mug show-up folder [redacted] was placed in [redacted] in a mug show-up folder [redacted]

On [redacted] I interviewed witnesses [redacted] separately at the homicide bureau office. Both men were friends of the victim and witnessed his murder. In previous interviews [redacted] said there had been two shooters. He said however, he only got a good look at the first shooter [redacted] also said there had been two shooters. He said however, he only got a good look at the second shooter.

[redacted] was first shown mug show-up folde[redacted] which contained a photograph of [redacted] in position [redacted] Prior to showing [redacted] the folder, I had him read a photograph show-up admonition form [redacted] said he understood the form and signed it. SUPPLEMENTAL REPORT

On 7/25/2000 at about 1830 hours I responded to the Fox Hills Mall parking structure, level 4, to assist in the field investigation. I arrived on scene at about 1840 hours.

I noted the vehicles that were parked within the initial taped area. I sketched the immediate area and each vehicle location. I noted each vehicle license number or VIN where no license plate was attached. (See attached sketch)

At about 2015 hours, I was dispatched to the corner of Fox Hills Drive and Green Valley Circle. I met with:

1. [redacted]
2. [redacted]
3. [redacted]

I met with [redacted] who provided a California driver's license [redacted] as identification. [redacted] related the following.

Earlier in the evening she received a phone call from her pastor that her son was involved in a shooting at the Fox Hills Mall. [redacted] provided a high school ID card belonging to her son. I viewed the ID card and noted the name to b[redacted] stated that she rented a white Cadillac. Her son should be with the car.

I confirmed with paramedics on the scene, that [redacted] was transported to the UCLA Hospital. [redacted] was advised to respond to the hospital. INTERVIEW concluded.

On 7/25/2000 at 2045 hours, I met with a male Black who identified himself as [redacted] did not have any form of identification with him. [redacted] related the following.

On this date between 1730 – 1800 hours, he received a telephone call from a friend, [redacted] told him that he heard that [redacted] was at the Fox Hills Mall and was involved in a shooting. [redacted] responded to the Fox Hills Mall to determine if this was true. [redacted] described his brother [redacted] as a male Black, with dark complexion, 19 years old, 602, 180 lbs, short hair, wearing a white T-shirt. [redacted] has a tattoo on his left forearm.

Immediately after providing the above information, [redacted] told me that he couldn't stay any longer. [redacted] then left the scene. INTERVIEW concluded. On 7/25/2000 at about 2055 hours, I met with [redacted] presented a [redacted] as identification. [redacted] was the owner a silver Lexus, Ca Lic# [redacted] This vehicle was parked on level 4, just outside of the taped crime scene. At the time of this interview he was going to his vehicle to leave. [redacted] did state that earlier in the evening, he was in the food court. He saw two male Blacks run through. He heard one of the subjects say, 'THEY WERE SHOOTING'. [redacted] did not see anything else. INTERVIEW concluded.

ON 7/25/2000 at about 2135 hours, Detective Raetz and I responded to the UCLA Hospital ER. Refer to Supplemental report completed by Detective Raetz for details.

Two killed in mall shootout

A gang-related shootout near the Fox Hills Mall last week left two people dead, three others wounded and police searching for three suspects.

It all began shortly before 6 p.m. last Tuesday in the 6200 block of Slauson Avenue on the top of a four-story parking structure. Someone fired on a white, four-door sedan, which crashed into a parked white pickup truck in the lot, according to officials.

As suspected gang members exchanged shots, plainclothes detectives, who happened to be nearby, arrived at the scene and identified themselves as police; those detectives were then engaged in an exchange of gunfire, said Culver City spokeswoman Randi Joseph.

It was unclear who fired the fatal shots.

Police believed some of the suspects could have run into the mall, which was closed temporarily while police searched it.

Two people were killed in the shooting, and two others were taken to UCLA Medical Center, said Bill Heins of the Culver City Fire Department.

A third person was taken to Daniel Freeman Memorial Hospital in a private vehicle, he said.

Third victim of mall shootout dies

■ A shooting victim wounded in the July 25 gang-related attack near the Fox Hills Mall that left two people dead and three wounded died last Friday at an area hospital. [redacted] died at 2:50 p.m. at Harbor-UCLA Medical Center, according to the county coroner's office. The shootout began on July 25 shortly before 6 p.m. on the top floor of a four-story structure on the 6200 block of Slauson Avenue. Someone fired on a white four-door sedan, which crashed into a parked white pick-up truck in the lot. As suspected gang members exchanged shots, plainclothes detectives who happened to be nearby arrived at the scene and identified themselves as police, Culver City spokeswoman Randi Joseph said. It is still unclear who fired the fatal shots. Police believed some of the suspects could have run into the mall, which was closed temporarily while police searched it. Two people were killed and two others, including Rowden, were taken to Harbor-UCLA Medical Center. A third person was taken to Daniel Freeman Memorial Hospital in a private vehicle, said Bill Heins of the Culver City Fire Department.

Shoot-Out Investigation Continues Names of Dead Released This Week

By [redacted]

Culver City's Public Information Officer Randi Joseph released the name's this week of the two people involved in last weeks deadly shoot-out at the Fox Hills Mall. Killed were [redacted] of [redacted] and [redacted] of [redacted]

Three other men were wounded during the shoot-out. [redacted] of [redacted] was taken to UCLA Medical Center with a head wound and listed in critical condition. [redacted] of [redacted] also taken to UCLA suffering from wounds to the chest and shoulder was listed in fair condition. Police are classifying the two as suspects. A third person wounded in the gun battle was taken to Daniel Freeman by a friend, where he was treated and released. Police believe he was a innocent victim.

Police believe the July 25 incident started with a argument between two groups of young men in the mall's food court. The eight to ten men then walked out to the top level of the parking structure. A few other people were in the area when the gun fire began.

Two Culver City plainclothes police officers who were eating in the food court and saw the men go outside. The officers and a food court full of shoppers then heard five or six shots.

One shopper told the Los Angeles Times there was "mass hysteria" inside the mall when people heard the shooting. "Little children were shouting, "They're shooting!'" said [redacted] of [redacted]

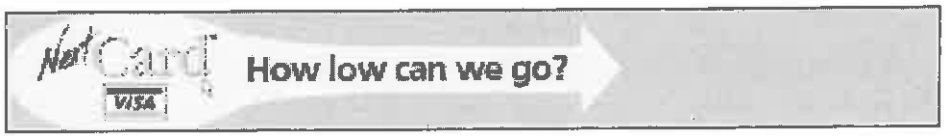

The officers ran outside to the top level of the parking structure and identified themselves to the group, but some ran while others continued shooting. Police also opened fired. In all, news reports say that about 25 shots were fired by police and suspects, but the number is still under investigation. It is still unknown whether the dead and wounded men were hit by police bullets or by bullets fired by the group of suspects.

If the two deceased were killed by the suspect's bullets that will make the third and fourth murder of the year for Culver City. Last year two people were murdered. In 1980 Culver City had eight murders. Randi Joseph says that ballistics test will take about 30 days. The test will determine whether the dead or wounded men were hit by police bullets or by bullets fired by the rival groups. Police say that at least two guns were recovered at the scene. They are not looking for any other suspects at this time.

Police apprehended and detained for questioning four young men who had fled during the gun battle. Police released the men later that night after it was determined that they had not fired any shots during the melee.

This is the second shooting on the top level of the parking structure to have happened in recent years. One teenager was shot and another received minor injuries in a collision that resulted when the pair argued with two others in January 1997. This is the second officer involved shooting to have occurred at the mall. In late 1994 police shot and killed an armed robbery suspect who had fled to Slauson. In December 1992 a teen was wounded by a stray bullet in the malls parking lot. The Fox Hills Mall opened in 1975 as Southern California's first three level enclosed regional shopping center.

2 Killed, 3 Hurt in Gunfight at Shopping Mall

■ Violence: Two groups of young men and police exchange shots in Culver City center's parking lot.

By [redacted]

Two young men were killed and three others were wounded when a gun battle erupted between what investigators believe were rival gangs Tuesday on the rooftop parking lot at the Fox Hills shopping mall in Culver City, police said.

The incident began just before 6 p.m. with a dispute between two groups of teenagers in the mall's food court, said Culver City police spokeswoman Randi Joseph. As the argument escalated, eight to 10 young men walked out to the parking lot, she said.

Two Culver City plainclothes police officers were eating in the food court and saw the groups go outside, she said. The officers then heard five or six shots, Joseph said.

They ran outside and ordered the combatants to freeze, but some ran while others continued shooting, she said.

The officers also opened fire. In all, about 25 shots were fired by police and the gunmen, she said. Officials do not know whether the dead and wounded men were hit by police bullets or by shots fired by the rival groups, Joseph said.

Police said there were few people in the parking lot when the shooting occurred. But one shopper said there was "mass hysteria" inside the mall when people heard the shooting.

"Little children were shouting, 'They're shooting!' " said [redacted] of Los Angeles.

A woman who asked not to be identified said she was walking out of the mall behind the young men when "all of a sudden it was like bang, bang, bang! It was like someone was lying in wait for them."

tires, followed by several gunshots, a brief delay and then "a barrage of shots."

"I didn't know where it was coming from," [redacted] said. "I . . . ducked even though I was in my office."

[redacted] who identified himself as a gang counselor from [redacted] said he was watching a newscast and saw someone he had grown up with being placed on a stretcher.

"I just pray to God that he's OK," [redacted] said. "There's no reason to be shooting and killing people."

About an hour after the shooting, sobbing teenagers gathered outside the police crime scene tape around the parking lot.

They would not identify themselves, but one said a friend was involved and had fled from police. That person had called the group and asked them to rush to the mall because he feared another friend might be dead.

One woman in the group, clutching a baby in one arm and holding a cell phone in the other, called UCLA Medical Center, trying unsuccessfully to find out if a friend was one of those wounded or killed.

Police detained for questioning four young men who had fled but were later apprehended, Joseph said.

The mall remained open to shoppers after the shooting, but customers with cars parked on the roof could not retrieve them until after 9 p.m. because police had closed off the crime scene.

police searched it. Four men were detained for questioning.

Soon after the initial radio report, the mall was swarming with media including several TV station helicopters. In addition to Joseph, several individuals talked to the press.

[redacted] who works in a nearby [redacted] on [redacted] told reporters at the scene that he heard squealing tires in the parking lot, then heard five or six shots. After three to five seconds he then reported hearing about 15 shots. He said that he ducked behind his desk until the gun fire stopped.

[redacted] added that he was a local and had fears about the incident. He said he was concerned for his wife and kids and stated that they patronized the mall and he was concerned about the gun cross-fire. He also said the incident makes him want to reconsider living in this area.

[redacted] also at the scene, told KABC 7, that "...after they leave from one area they come to another and all hell breaks loose. They get upstairs and you hear about 5 or 6 gun shots ring out."

In addition to the two people killed in the shooting, two other suspects were taken to UCLA Medical Center, Joseph said. A third person, a probable innocent bystander, was taken to Daniel Freeman Memorial Hospital in a private vehicle.

At press time the identities of the two hospitalized suspects is unknown since they have given false names to authorities, Joseph said Wednesday.

Fox Hills Shoot-out Leaves Two Dead

Believed to Be Gang Related

PIO Randi Joseph makes a statement to the media Tuesday afternoon from in front of the parking garage at Fox Hills Mall.

By [redacted]

A probable gang-related shoot-out at the Fox Hills Mall late Tuesday afternoon left two people dead and three others wounded. It all began shortly before 6 p.m. at the Fox Hills Mall when an apparent altercation between two groups of men moved to the top level of the malls four-story parking structure in the 6200 block of Slauson Avenue in Culver City.

Someone fired on a white [redacted] which crashed into a parked [redacted] n the lot. As suspected gang members exchanged shots, two Culver City plain clothes detectives, who happened to be nearby on another assignment, arrived at the scene and identified themselves as police. When they were subsequently fired on by the suspects, the detectives returned the fire, according to Randi Joseph, a spokesperson for the Culver City Police Department. One person died in the [redacted] and another was pronounced dead about 20 feet from the vehicle.

It is unclear if suspects or police fired one or all of the fatal shots that killed the two men and wounded three others, but the incident was first reported on the police radio as an officer involved shooting (OIS).

Police at the scene apparently believed some of the suspects had run into the mall, which was closed temporarily while

Narrative Title: DR # 00-003847 PRELIMINARY REPORT
Date Entered: 07/26/2000 1:30:16 AM

On Tuesday July 25, 2000 at approximately 1744 hours, a gang shooting occurred on the 4th parking level of the Fox Hills Mall. Prior to the shooting, words and gestures were exchanged between two sets of rival gangs on several occasions, while inside the mall. Initial reports indicate that there were between 12 to 20, or possibly more suspects present. The confrontation between the two gangs continued to the 4th level of the parking structure, where the confrontation escalated. As the confrontation escalated, shots were fired from one gang towards the other.

[redacted] year old [redacted] of [redacted] was suffered a gunshot wound to his left arm and fled the scene, driving himself to Daniel Freeman Hospital in Inglewood for treatment. [redacted] was later interviewed at the hospital by CCPD Detectives, and stated that he heard several verbal threats and gang names while he was standing near one of the groups of gang members. [redacted] stated that he observed a gun, heard several gunshots and began to run towards his vehicle which was parked nearby when he was shot.

At the same time, On-duty Culver City Police Department undercover narcotics officers John Purnell and Osama Agaiby witnessed the shooting. Officers Purnell and Agaiby immediately identified themselves as police officers and attempted to take the suspect shooters into custody, as at least four or more of the group suspected of the shooting ran to and entered a nearby vehicle.

As the vehicle attempted to flee the scene, one of the suspects then pointed a handgun at Officers Purnell and Agaiby. Both officers fired their duty weapons at the suspect the suspect who pointed a handgun at them, at the same time as the remaining gang members fled in numerous directions.

At the conclusion of the shooting, [redacted] year old [redacted] of [redacted] and [redacted] year old [redacted] were pronounced dead at the scene. EVIDENCE OF INJURY:

Note: The following numbering of gunshot wounds is for descriptive purpose only.

1. Gunshot wound of left back:

Entrance: The entrance wound is located on the left upper lateral back, 11-1/2 inches below the top of the head and 8-1/2 inches to the left of the midline. The entrance wound is round, measuring 5/16 inch in diameter. A marginal abrasion surrounds the entrance wound, most prominent between 6 and 10 o'clock. There is no soot and no stippling on the skin surrounding this wound.

Exit: There is no exit wound.

Projectile: The projectile consists of a fragmented copper jacket and lead. Multiple fragments of copper jacket are recovered in the soft tissue of the left shoulder at 11-1/2 inches below the top of the head and 4 inches to the left of the midline. A large fragment of lead bullet core is recovered in the upper apical portion of the left lung.

The bullet is released to Detective Conzachi of the Culver City Police Department at 1400 hours on 7/27/00 per evidence control.

Direction: Back to front and left to right.

Path: The wound track begins at the skin of the left upper lateral back, perforates the soft tissue, fractures the left scapula, through the left posterior 1st-2nd intercostal space, and penetrates into the upper apical portion of the left lung where the lead bullet core is recovered as described above.

2. Gunshot wound of left lateral chest:

Entrance: The entrance wound is located on the left lateral chest wall along the midaxillary line, 17-1/2 inches below the top of the head. The entrance wound is round, measuring 7/16 inch in diameter. A marginal abrasion circumferentially surrounds the entrance wound, measuring 1/16 to 1/8 inch in width, and is maximal inferior to the entrance. There is no soot and no stippling on the skin surrounding this wound.

Exit: There is no exit wound.

Projectile: The projectile is a deformed, large caliber white metal jacketed lead bullet. It is recovered in the left upper chest wall soft tissue at 11-1/2 inches below the top of the head and 3 inches to the left of the midline. The bullet is released to Detective Conzachi of the Culver City Police Department at 1400 hours on 7/27/00 per evidence control.

Direction: Left to right, back to front, and upwards.

Path: The wound track begins at the skin of the left lateral chest wall, perforates the soft tissue, fractures the left lateral anterior 3rd and 2nd ribs, and terminates in the soft tissue anterior to the left clavicle where the bullet is recovered as described above.

3. Gunshot wound of left lateral abdomen:

Entrance: The entrance wound is located on the left lateral lower abdominal wall above the pelvis, along the midaxillary line, 28 inches below the top of the head. The entrance wound is irregular, measuring 1/2 inch in diameter. A 1 inch long, 1/4 inch wide grazing abrasion is inferior to the entrance. There is no soot and no stippling on the skin surrounding this wound.

Exit: There is no exit wound.

Projectile: The projectile is a deformed, large caliber, white metal jacketed bullet. It is recovered loosely in the right chest cavity and is released to Detective Conzachi of the Culver City Police Department at 1400 hours on 7/27/00 per evidence control.

Direction: Left to right and upwards.

Trajectory: The wound track begins at the skin of the left lower abdominal wall, fractures the lower border of the left lateral 10th rib, enters the abdominal cavity, perforates the mesentery, stomach, diaphragm, left lower lung, heart (left ventricle), right upper lung, and terminates in the right chest cavity.

4. Gunshot wound of left upper arm:

Entrance: The entrance wound is located on the left lateral upper arm, 6-1/2 inches below the top of the left shoulder. The entrance wound is irregular, measuring 1/2 x 3/8 inch. A marginal abrasion circumferentially surrounds the entrance wound, measuring 1/8 inch in width. There is a 1/2 inch diameter, circular abrasion posterior to the entrance wound. There is no soot and no stippling on the skin surrounding this wound.

Exit: There is no exit wound.

Projectile: The projectile consists of a fragmented copper jacket and lead slug. A large fragment of copper jacket is recovered in the T-shirt at the back of the left shoulder area, and multiple fragments of lead slug are recovered in the soft tissue of the left shoulder. The projectile is released to Detective Conzachi of the Culver City Police Department at 1200 hours on 7/27/00 per evidence control.

Direction: Left to right.

Path: The wound track begins at the skin of the left lateral shoulder, fractures the left humerus, and terminates in the soft tissue of the left shoulder.

5. Gunshot wound of left thigh:

Entrance: The entrance wound is located on the left lateral thigh, 31-1/2 inches above the left bare heel. The entrance wound is round, measuring 5/16 inch in diameter. An eccentric marginal abrasion surrounds the entrance wound, measuring 1/4 inch in width posterior to the entrance wound. There is no soot and no stippling on the skin surrounding this wound.

Exit: The corresponding exit wound is located at the front of the left thigh, 30-3/4 inches above the left bare heel. It consists of a 5/16 inch irregular skin laceration.

Projectile: None.

Direction: Left to right, back to front, and downwards.

Path: The wound track begins at the skin of the left lateral thigh, perforates the subcutaneous tissue, and exits at the front of the left thigh.

Other injuries:

There is a 2 x 1-1/4 inch abrasion on the right side of the face. There is a 5/8 x 1/4 inch abrasion on the right side of the nose. There is a 1/4 inch abrasion on the right cheek. There is a 1-3/4 inch long and 1/4 inch wide abrasion on the right lower back. There is a 1/8 inch abrasion on the left

lateral back. There is a 1 x 1/8 inch abrasion at the coccygeal area. There are 1/4 inch abrasions at the left 3rd knuckle area. There are linear impression marks around the left wrist. Some area shows 3/16 inch wide double parallel impression marks.

EVIDENCE OF THERAPEUTIC INTERVENTION:

None. There has not been postmortem intervention for organ procurement.

CLOTHING:

The body was not clothed, but I did inspect the clothing which consists of the following items: Two white T-shirts (both are previously cut by paramedics), a pair of blue jean pants, a pair of red shorts, a pair of white cotton socks, a pair of black shoes. Multiple defects are present on the clothing which are consistent with the gunshot wounds on the body. There is no soot and no stippling on the clothing (see Diagram Form 45-I, 45-II and 46 for detailed description of the clothing).

NOTE: The following observations are limited to findings other than injuries.

EXTERNAL EXAMINATION:

The body is identified by toe tags and an ankle band and is that of an unembalmed, refrigerated [redacted] who appears about the reported age of [redacted] years. The body weighs [redacted] pounds, measures 73 inches, and is very well-built, muscular and well-nourished.

There is a 2 inch long well-healed scar on the front of the right forearm. There is a 3/4 inch long well-healed scar on the left upper arm. There is a tattoo consisting of a picture of praying hands with the words appearing to be "Papa Marcell" on the right shoulder. There are numerous tiny round scars on both antecubital areas.

Rigor mortis has presumably been altered. Livor mortis is fixed and dependent over the back and posterior legs.

Information Sources:

Detectives Conzachi and Iizuka Culver City PD on scene tel; 310/2536309

Investigation:

On 7/25/2000 at 2015 hours I was assigned the indicated Homicide Multiple Death Investigation s at the location. I arrived on scene at 2100 hours. The on scene investigation was concluded on 7/26/2000 at 0015 hours and I departed the location. The reports were held over and completed on 7/27/2000.

Location:

Fox Hills Shopping Mall at the intersection of Slauson Ave and Sepulveda Blvd Culver City 90230 (4th level/roof customer vehicle parking structure)

Witness Statements:

Upon my arrival on scene I contacted Detectives Conzachi and Iizuka who stated on 7/25/2000 at about 1745 hours while undercover/plain clothes Officers were at the location, 2 large groups of males exited the Shopping Mall south side exit door on foot and out onto the 4th level/roof customer vehicle parking structure. Officers put out a radio call for assistance due to the appearance of Gang Activity taking place. At this point in time, it is believed members of both groups began exchanging gunshots (east and west directions) Officers also began firing gunshots at the armed suspects. Suspects/witnesses and participants fled on foot and in vehicles from the location. Officers located decedent 2000-05304 [redacted] on the paved ground and was handcuffed (behind his back by Officers) Paramedics pronounced from multiple GSW'S. Decedent 2000-05305 [redacted] was located in the right front passenger seat of a vehicle (he was armed) Paramedics pronounced from an apparent GSW to the head. Officers removed 2 other GSW victims from the same vehicle. When removed one of the victims/suspects told Officers he believed decedent 2000-05303 shot himself. The 2 other victims/suspects were transported to local hospitals along with several other victims/suspects of GSW'S. All are expected to survive (2 are in critical condition) It is unknown who the driver of the above vehicle was. During the shooting the above vehicle while traveling W/B on the pavement went out of control striking several parked vehicles. The Officers involved were armed with Dept issued handguns (one a 45Cal and the 2nd a 9MM) There were numerous gunshots fired by all. The above indicated vehicle was struck numerous times on the drivers left side (from front to rear) All side windows were shattered out. Numerous expended shell casings (assorted caliber) and projectiles had been collected prior to my arrival by Detectives. There is one possible suspect in custody. All information is preliminary and unable to be verified. The Police investigation is on going. All participants were being considered armed.

Scene Description:

The scene is an open, roof top-level paved customer vehicle parking structure. Evidence is scattered through out most of the eastern end of the structure (immediately to the east of the Mall entry/exit doors-used by the victims/suspects to get out on to the parking structure) There are numerous parked vehicles. All evidence and observations indicate the above vehicle [redacted] was initially east of the location where it came to rest striking the parked vehicles. There is blood through out the vehicle along with glass. Several projectiles were found inside the vehicle (collected by Detectives) There are several areas of blood on the ground. There are piles of clothing on the ground (from other injured persons. Detectives were to return on 7/2[illegible] during daylight to conduct a further search and photographing of the crime scene.

SUPPLEMENTAL REPORT: AUTOPSY

DETECTIVE M. CONZACHI #596 **DR # 00-003847**

On Thursday July 27, 2000 at approximately 1200 hours, I Detective M. Conzachi along with Sgt. R. Iizuka, Sgt. L. Castle, and Forensic Consultant Lawrence Baggett responded to the L.A. County Coroner's Office where the autopsies of [redacted] and [redacted] were to be conducted.

This report is a summary of the autopsy, and specific details and facts will be included in the official autopsy report.

Upon arrival, we met with Dr. Yulai Wang M.D. and Dr. Eugene Carpenter M.D. who were the physicians assigned to conduct the autopsies. Dr. Wang had been assigned to [redacted] and Dr. Carpenter had been assigned to Dr. Carpenter.

Both autopsies were conducted simultaneously and began approximately 15 minutes later.

Dr. Wang began his autopsy of [redacted] where he pointed out the various bullet entry wounds in his body. They are listed as follows;

- Entry wound left bicep area no exit.
- Entry wound left side of body near the lat muscle area, no exit.
- Entry wound left side of body near the left hip area, no exit.
- Entry wound back of the upper left shoulder area, no exit.
- Entry wound left thigh area; exit wound front of left thigh.
- Grazing wound small of back left side.

Dr. Wang told me that he had photographs taken of the wounds prior to our arrival. He then began his examination, and recovered bullets and fragments from the following areas.

- Silver tip bullet fragment from the front of the chest, upper left side.
- Fragments from left side of chest and upper left shoulder area.
- Fragment upper left lung core.
- Silver tip bullet which was nearly intact from the right chest cavity area.
- Fragments from the upper left and mid chest/shoulder area overlapping both copper and lead.

Dr. Wang told me that other than the through and through round in [redacted] left leg, there were no other exit wounds in the body. His examination revealed that the bullets that had entered the left bicep, left side (lat muscle area) and back of left shoulder, all collected in and around the left side of the chest area, and that the exact trajectory could not be established, since they overlapped in the same general area.

Dr. Wang said that the bullet that had entered the left side near the hip area had traveled up and across the body, coming to a rest in the right side of the chest cavity. This bullet perforated most of the major internal organs, and was most likely a fatal injury.

I then obtained all of the bullet fragments from Dr. Wang and immediately upon returning to the CCPD Station, placed these items into evidence.

While Dr. Wang was conducting his autopsy of [redacted] Dr. Carpenter was conducting the autopsy of [redacted]

Dr. Carpenter located one entry wound to the right side of [redacted] head near the right temple area and an exit wound to the left side of his head. There were no bullet fragments in the brain, however there were microscopic metal particles in the brain that were not able to be recovered.

Dr. Carpenter told me that he was going to save the brain in the event it becomes necessary to conduct further tests or a microscopic examination of the brain.

Dr. Carpenter stated that this gunshot wound to the head was the cause of death and due to his careful inspection of the entrance wound he concluded that the wound was self inflicted, and ruled the death a suicide.

Dr. Carpenter had several photographs taken of the skull, skull cavity and brain.

I made a brief note of the tattoos of both of the deceased suspects. I noticed that suspect [redacted] had a tattoo on his right bicep area that stated, '[redacted]'. Suspect [redacted] had several tattoos on both arms, however the only ones I thought were interesting were small case letters on the back of both calves. There was an "n" on the left calf, and a "h" on the right calf.

The significance of these particular tattoo's on [redacted] indicate, based on my experience in gangs, that the letters "n" & "h" have been associated with a street gang that I am familiar with called the "Neighborhood Crips".

A Coroner's autopsy report will be completed by each doctor, and these reports should be completed within several weeks.

SUPPLEMENTAL REPORT: AUTOPSY-JASON ROWDEN

DETECTIVE M. CONZACHI # 596 **DR # 00-003847**

On Wednesday 8/9/2000 at approximately 1200 hours, I Detective M. Conzachi along with Sgt. C. Morimoto and Forensics Consultant Lawrence Baggett met at the L.A. County Coroner's Office, where the autopsy of [redacted] was scheduled.

Upon arrival, we met with the physician who was going to conduct the autopsy, Dr. Stephen Scholtz M.D. I briefly explained the circumstances of the case to Dr. Scholtz who then began his autopsy.

Dr. Scholtz concluded that [redacted] died of a gunshot wound to the head. He stated that it appeared that there was a single gunshot wound to the top of [redacted] head, which apparently entered the skull from the left side. Upon further examination of this wound, it appeared to him that the bullet that entered the skull, was then deflected downward, once it had entered the skull

Dr. Scholtz recovered two bullet fragments from the brain, one of which was a bullet core which was located towards the right side of the brain, and a fragment of a bullet jacket which was located near the top center portion of the brain. There was also a small piece of bullet fragment in the top center portion of the brain, which Dr. Scholtz was unable to recover at this time. I later recovered these two bullet fragments, and placed them into evidence immediately after returning to the CCPD.

Dr. Scholtz's examination also revealed that [redacted] had a grazing wound to the upper left back area near the shoulder. There were no other bullet wounds on [redacted] body, and no other injuries

SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF LOS ANGELES

THE PEOPLE OF THE STATE OF CALIFORNIA,

Case No. [redacted]

NOTICE OF MOTION AND MOTION TO COMPEL LINE-UP

NOTICE IS HEREBY GIVEN that on June ~~12~~ 13, 2006 at 9:00 a.m., or as soon thereafter as the matter may be heard in Department 142 of the above-entitled court, defendant will move for an order compelling a live lineup to be conducted at the Los Angeles County Mens Central Jail

Defendant, [redacted] by and through his counsel, hereby moves this court for an order compelling a live lineup at the Mens Central Jail in the above matter. Said motion is based on all papers in the court's file, the transcript of the preliminary examination, these moving papers, Points and Authorities, and any argument of counsel at the hearing hereon.

///

STATEMENT OF ANTICIPATED FACTS

Defendant was arrested on January 12, 2006 on charges of grand theft person. The case involved facts whereby the victims were swindled out of their money by way of an elaborate confidence game. In that case, the victims were approached by a man posing as a foreigner looking for a particular church to donate money.

In the present case, investigators began looking into other unsolved cases where the alleged victims were swindled in a similar fashion. The alleged victim in the present case was shown a six pack photographic lineup which included the defendant from the January case. The alleged victim chose defendant.

POINTS, AUTHORITIES AND ARGUMENT

PETITIONER HAS A DUE PROCESS RIGHT TO A PRETRIAL LINE-UP.

Where identification appears to be a material issue and there is a reasonable likelihood of mistaken identity, due process requires that defendant's timely request for a pretrial lineup be granted. (Evans v. Superior Court (1974) 11 Cal.3d 617, 625.)

A motion for a pretrial lineup should be made before the "trial judge or magistrate" and "should normally be made as soon after the arrest or arraignment as practicable." (Evans v. Superior Court, supra, 11 Cal3d 617, 626.) "The value of a pretrial lineup is substantially diminished once a preliminary examination has been conducted and a direct confrontation between a defendant and his accusers has occurred" (People v. Baines (1981) 30 Cal.3d 143, 148.)[1]

---

[1] Because the preliminary hearing was purportedly conducted pursuant to Proposition 115, the municipal court's error in denying defendant's motion has not resulted in the alleged victim's picking defendant being selected in a highly prejudicial procedure - a sole defendant, dressed in jail clothes sitting next to counsel in court.

In United States v. Wade (1967) 388 US 218, 228, the high court described suspect-witness confrontations as "peculiarly riddled with innumerable dangers and variable factors which [may] seriously, even crucially, derogate from a fair trial" and observed that " the degree of suggestion inherent in the manner in which the prosecution presents the suspect to witnesses for pre-trial identification" was a "major factor" in the frequent injustices resulting from erroneous identification.

Both California and the United States Supreme Court have recognized that eyewitness identifications are often unreliable. (United States v. Wade, supra, 399 U.S. 218, 228; People v. McDonald (1984) 37 Cal.3d 351, 363-364; People v. Cardenas (1982) 31 Cal3d 897, 908; People v. Bustamonte (1981) 30 Cal.3d 88, 98.) Based upon this recognition, the due process right of defendant to have a fair trial, and the relative ease with which a pretrial lineup could be conducted, defendant should be afforded the relief sought.

In the present case, defendant was purportedly identified in a photographic lineup by an elderly woman.

The fact that a defendant has been identified in a photographic lineup does not mean identity is a material issue. In People v. Gould (1960) 54 Cal.2d 621, 631, the California Supreme Court held that "identification from a still photograph is substantially less reliable than an identification of an individual seen in person." Identification is a material issue in this case. A live lineup is constitutionally mandated. Where identification appears to be a material issue, due process requires that defendant's timely request for a pretrial lineup be granted. (Evans v. Superior Court (1974) 11 Cal.3d 617, 625.)

CONCLUSION

Defendant respectfully requests this court to grant him a live lineup and order the alleged victims to view the lineup.

DATED: June 12, 2006

Respectfully submitted

On 09/01/06 at about 1615 hours, I (Detective Dunlap #876) received a return phone call from [redacted]

I advised [redacted] that I was the investigating Detective on the report she filed. (DR#06-[redacted] [redacted] then asked me to tell her what information was written in the police report. While on the phone with [redacted] I read her word for word the contents of the police report. [redacted] told that the information in the report was correct and accurate.

I then asked [redacted] to provide me the names of the people that heard the comments made by [redacted] [redacted] advised me that she had contacted her personnel lawyer about the incident who advised her that she did not have to provide the name of the persons involved in the incident. [redacted] also stated that those persons are also in fear for ~~there~~ THEIR safety and did not want to come forward. [redacted] did state that if this case went to court these people would come forward and testify.

I advised [redacted] based on the information in the report, I did not believe that the comments made by [redacted] can be considered a violation of P.C. 422. I then read [redacted] the legal definition of P.C. 422 directly from the California Penal Code. I did advise [redacted] that I would present the case to the District attorney office and have them make the final decision on a criminal filing.

[redacted] ended the conversion with me by stating that she would be seeking a protective order against [redacted]

VERBATIM WITNESS INTERVIEW

[redacted]

Date of Interview:
Time of Interview: [redacted]

Private Investigator (PI)
[redacted]

PI: The following taped interview is in the matter of [redacted] v. Culver City. Subject is [redacted] as in [redacted] Date of birth [redacted] California Driver's License [redacted] as in [redacted] Social Security No. [redacted] Residence is [redacted] Occupation Laborer, business Simons [redacted] telephone [redacted] Date of interview is July 25, 2002, time of interview is 5:30 p.m. Uh, [redacted] you're aware that I'm a private investigator and I'm conducting this interview on behalf of Culver City?

SV: Yes sir.

PI: And you're also aware that this interview is being taped is that correct?

SV: Yes sir.

PI: And you're consenting to this interview?

SV: Yes sir.

PI: And you're consenting to the taping of this interview?

SV: Yes I am.

PI: Okay. In your own words can you tell me what happened um, at the Fox Hills Mall in Culver City on July 25, 2000, uh, when there was a shooting incident when you were present?

SV: Uh, that happened um, earlier that day around 12:00, 1 o'clock, my older [redacted] and my [redacted] I just got off [redacted] and they was at my [redacted] house and after I got off work went to my [redacted] s house and then I take a shower and stuff and

everybody lets go to the mall. Went to the mall and when we got to the mall we met up with some of our other friends, not knowing they were gonna be there and um, and then we all entered the mall together there and we went down to the food court row--no we went downstairs to the shoe department and we was talking to some girls and like the whole pack, we split up, three went a separate way and the other six went another way. The three was me, my [redacted] and my [redacted] we was going by um, going upstairs to, we was going upstairs to the um, to the food courts and we turned around and see one of our friends get in an altercation with some other guys so we exited the escalator and came back downstairs to the first floor and uh, we went up to the guy and the guy says uh, we were asking was everything okay and the guy was like uh, cuz this roll of sixties uh, who's y'all who, who, who and then from there we was like was everything cool and then I guess they squashed it right there. From there we, we all went our separate ways, their pack went one way, we went the other way. So we went up to the food courts finally and uh, we ordered some food and we were talking to some females by the banister not knowing that there was um, two undercover cops sitting right beside us and um, as we got our food and we finished talking to the girls we exchanged numbers, the guys they came up the escalator and there was um, they said lets take it outside, lets fight outside so we said all right lets go. So we exited the building, the food courts, went up on the third level to the parking structure and as we got to the top, not knowing the undercover security uh, officers was right behind us we exited to the, the top level parking structure and as we got up to the um, middle of the, the parking structure the guy was like what's up and we was like what's up and then he just took out his gun and started shooting and the first shot I got hit in the shoulder not knowing that I was hit, it felt like someone grabbed me so then we all ran after we heard the shot, everybody dispersed and I hit the alarm on my car, got in my car and my, my brother, no not my brother, my friend [redacted] he jumped in the car with me and as we was exiting we just heard several rounds of shots being fired after the first three that the guy fired, after I drove myself to Centinela Hospital I was right around the corner, I was on Centinela and I started blacking out so my friend [redacted] he was like oh you blacking out, you blacking out, just let me drive so I let him drive and as we entered into the um, to the hospital he told them that I needed a doctor I'd been shot and from there the Centinela um, doctor they started taking care of me from there and that was it.

PI: Now when you said you went to your mother's house what's your mother's name?

SV: [redacted]

PI: And where does she live at?

SV: [redacted]

PI: And you said you went to your mother's house to see or where you met--saw your brother [redacted] and your cousin [redacted] correct?

SV: Right.

PI: Where were you living at that time?

SV: Oh I was out at my mom's, but every once in a while I spend the night at a different girl's house.

PI: Okay. And then uh, about 12:00 or 1 o'clock you decided to go to the mall correct?

SV: Right.

PI: And who's car did you go in?

SV: I drove, I drove my own car.

PI: And who went with you?

SV: It--I rode up there by myself and then my brother and my cousin they followed behind me in my cousin's car.

PI: Okay.

SV: So what we do is two car--we caravanned up there, two cars deep and then when we got to the mall that's where we met everybody else.

PI: What type of car did you drive?

SV: It was a [redacted]

PI: Do you remember the license number to that car?

SV: No.

PI: And what type of car did your cousin drive?

SV: It was um. a [redacted] It was a [redacted]

PI: And does he still have that car?

SV: No. He sold it.

PI: So two cars, you're driving by yourself and your cousin and your brother are...

SV: In separate cars.

PI: In [redacted] car?

SV: Yes.

PI: So then you get to the mall and it just so happened that some friends also arrived at the same time?

SV: No they're, they're, they was already--they were already there, but they were in the parking lot, they were in the parking lot by the cars, they didn't go in the mall yet.

PI: Okay. Now do you know the name of these people?

SV: Nah. I don't, I don't know their biological names, like their birth certificate names, but I just know them by the names that we grew up with.

PI: What names do you know them by?

SV: Uh, [redacted] and um, [redacted] that's not even his real name, I don't know why they call him [redacted] and then there was my brother, my cousin and myself.

PI: So, there was uh...

SV: Six of us.

PI: ...six of you?

SV: Yeah.

PI: And you get to looking around inside the mall?

SV: Yeah.

PI: And you said that your pack, meaning your group separated correct?

SV: Yes.

PI: And this other group of males approached one of your groups is that correct?

SV: Yes.

PI: Who did they approach?

SV: Um, they, they approached my friend [redacted] which is downstairs.

PI: And where was that by?

SV: That was by the--it was the Athlete's Foot or the Foot Action is one of the um, the uh, shoe stores downstairs.

PI: So [redacted] was by himself when these group of guys made--

SV: No he was with [redacted] and um, there was [redacted] that had gone downstairs and then me and my brother and my cousin were going upstairs, up the escalator.

PI: And so then, so then this other group of males approached [redacted] and [redacted]

SV: Yeah.

PI: But they were speaking to [redacted]?

SV: Yeah.

PI: And do you know who this other group of uh, males were?

SV: No. Well when we walked up they was like um, one of the guys mentioned uh, don't do it right here cause there's too much security in here. At this time we didn't think__we didn't realize that he had a gun on him.

PI: Okay. But do you know any of their names?

SV: No. We don't know...

PI: Or any nicknames?

SV: ...we don't them at all.

PI: Did you ever see them before?

SV: No. That was the first time I ever laid eyes on any one of them.

PI: Now do you know who approached whom?

SV: No I don't. Us--when, when we met at the escalator we looked around and we seen them just in each other face and they was talking doing facial expression, body language, so we--after we reached the top and we came back down on the other side of the escalator then we went to meet them at the shoe store.

PI: And you backed them up?

SV: Yeah.

PI: So now you had--

SV: It was six on nine.

PI: Si--six and they had nine?

SV: Yeah. Six on nine.

PI: And you heard one of them say don't do it now there's too much security--

SV: There's too much security, yeah. That, that was the one that had the gun.

PI: And what do you think he meant? Well who had the gun?

SV: The, the one that said that, that's, that's the guy that shot me in the arm.

PI: Okay. He's the one that said there's too much security around?

SV: No. His friend told him don't do it right now, there's too much security in here.

PI: And during this verbal confrontation did anybody from either group say that they had any type of weapon?

SV: No.

PI: Or that they were going to do anything?

SV: No. It wasn't mentioned.

PI: Did you see any type of weapon on the other group?

SV: No. But the, the guy, the one that shot me, he had his hand in his pocket. His right arm was in his--his right hand was in his right pocket and um, after he said that he just took his hand out of his pocket and we left it at that.

PI: And they said they were from Rolling Sixties?

SV: Yeah.

PI: And did they ask you where your group was from?

SV: No. Uh, it was, it wasn't no gang altercation. I guess it was over a female or something and it was between [redacted] and the other guy and then the other guy's friends just came and backed up the other guy up so we came and backed my friend [redacted] up.

PI: So you don't know what and really initiated this incident or what [redacted] may have said or did?

SV: No I don't know.

PI: So then yo--you had this exchange on the first floor of the mall?

SV: Yes.

PI: And then they left? The other group left?

SV: Well we, we left them. After we left them they went back into the shoe store.

PI: Okay.

SV: And they was conversating we went up the escalator like I say we bought food and we was talking to some girls, exchanged some numbers.

PI: And you said there was some uh, men sitting next you?

SV: There was an undercover female and a male that was right beside us and we didn't even know.

PI: Now how do you know they were undercover?

SV: Because um, the same two, the same two they told my mom that the guys that shot me that was in the mall they was following them all day because from the time they got in there they were starting um, conflicts with other, with other groups of males you know they were just going around trying to bully people all day and um, they said they had their eyes on them and they was just waiting for the right moment to get them and that was it.

PI: Now this male and female that were undercover were they uh, white, black or...

SV: It was um...

PI: ...Hispanic?
SV: ...it was a, a white female and a black male officer.

PI: Now were they police officers or security guards?

SV: No they was, they was undercover police officer.

PI: Do you know what uh, from what uh, [inaudible]

SV: I don't know what department, no.

PI: So then when was this exchange made saying let's fight?

SV: Oh when they came up to the food court it was on the second floor uh, second or third floor. Yeah the second floor where the food courts are at they was--after we exchanged numbers with the girls we were leaning over the banisters and they came up the escalator and they was like let's take it outside so we was like okay, not knowing that the, the two officers was gonna follow right behind us.

PI: So you were--you're--you and your group...

SV: [Inaudible]--

PI: ...[inaudible] an agreement to fight with these guys?

SV: Yeah.

PI: So you were gonna go outside and fight?

SV: Yeah.

PI: But as far as you knew it was going to be a fist fight?

SV: Yeah. As far as we knew it was gonna be a one on one because he was, he was, he wasn't actually talking toward the group he was talking to my friend [redacted]

PI: And when you say he, describe this person.

SV: Um, I'd say like [redacted] dude with like [redacted] they were [redacted] or [redacted] eyes. I know he had light colored eyes and um, he had on some blue jeans, a white and blue shirt and um, a Seattle 'Mariner's hat and that was it.

PI: Now did they have any clothing indicating that they were Crip gang members?

SV: No. Cause they, they wearing blue and we were wearing blue so I don't know.
PI: And what, what's the color for the Crip gang?

SV: Blue.

PI: And if someone wears red what color--who, who does that signify?

SV: Bloods, but--

PI: But there wasn't any red?

SV: No. There was no red, everybody was wearing neutral color like gray and blue, white and blue. I had on tan and blue and they, they took everything from me. Police they took everything from me.

PI: So then they said lets take it outside meaning lets fight outside is that correct?

SV: Yeah.

PI: And they led--

SV: Yeah. They, they went out, they went out first.

PI: And how soon afterward did your group go out?

SV: Like--I say like three, four minutes and then we exited and I was um, the third person to go out with [redacted] then [redacted] then I was the third person, then behind me was my brother and then my cousin.

PI: Now when you went outside of the mall onto the parking lot what level were you at?

SV: It was the third, the third level cause we parked all the way at the top so when you go into the top the first place you hit is the food courts, then you go downstairs to the shoe store [inaudible] it was the third level parking structure.

PI: And where was, where was this other group that was initiating the fight, where were they standing at when you came outside of the mall?

SV: They, they was facing eastbound which is um, the side where you would come in__come out, come off the hill on um, Slauson and then you would come around a little curve and then you would come up to the parking structure. They was facing east uh, eastbound and we--our backs was toward westbound.

PI: And how far away were they from the door?

SV: I'd say probably like 30 feet.

PI: Were they standing by any vehicles?

SV: No. They was in the, in the middle of the aisle. In the middle of the driving structure.

PI: So there wasn't anything obstructing them or...

SV: No.

PI: ...they weren't concealed or hiding bene--behind?

SV: No they was in the open.

PI: And then your group approached them?

SV: No. We didn't approach. We--as we came out the um, up the stairs out the doors we still had the distance and they--and [redacted] and the other guy they were talking from abroad. No one didn't approach nobody.

PI: About how far are they standing at this time?

SV: Like, like the same, the same 30 feet. No one didn't approach nobody. It was just like that. Then it was just like "What's up" and [redacted] and the rest of us say what's up. The homeboy just took out the gun and just started shooting.

PI: Now homeboy are you talking about the one in the uh, light skin--

SV: No. It was, it was a [redacted] hat shot me.

PI: Describe him.

SV: Uh, I don't remember too much about him. I know he was like a little bit shorter than me, I'm [redacted] so I'd say he's probably like [redacted] probably like [redacted] pounds. He had um, he had a little facial hair, not a lot you know and he was wearing blue, white and gray also. No hat, no glasses and that's about it.

PI: And where did this uh, person take out the gun from?

SV: From in his right pocket.

PI: Now is he the same one that had the gun in [inaudible]--

SV: [Inaudible] inside [inaudible]
PI: [Inaudible]?

SV: Yeah.

PI: Had the gun inside the mall?

SV: Yeah.

PI: And did he say anything as he took out the gun?

SV: No. He said all right cuz, we'll take the fade and then after that he just--

PI: He'll take the what?

SV: Fade. Which is--which means fight. It's slang for fight. We'll fight you all. That's what he meant. That's what he actually said.

PI: Okay.

SV: So that means--well after that he just took out the gun and started shooting.

PI: Without any warning?

SV: Yeah. Without no warning, nothing.

PI: And at that point when he took out his gun did anyone in your group have a gun

on their, on their possession?

SV: No, no gun.

PI: Did they remove a gun or--

SV: No, no one.

PI: No one had a gun?

SV: No one.

PI: And no one made any threatening um, moves?

SV: Nope.

PI: Did you start advancing? By you I mean did your group start advancing towards them?

SV: No. No one--we didn't get close to each other, we kept a distance.

PI: So you're just standing 30 feet apart...

SV: Yeah.

PI: ...stationary?

SV: Yeah.

PI: And, and you're exchanging words?

SV: Yep that's it.

PI: And then this short individual takes a gun out from his right front pocket?

SV: Yeah.

PI: And just before he fired the gun did he say anything?

SV: No. He didn't say nothing. We didn't even see the gun when he pulled it out. We just heard the shots start going off and so we--so from that point we knew it wasn't no shiny gun like it wasn't no chrome or nickel plated gun because it--the reflection of the sun was facing towards them. The sun was on our backs. If he had pulled out we would have seen it so it had to be a dark colored gun. Probably

a plastic or a ceramic gun, whatever.

PI: Now did you ever actually see the gun in the short person's hand?

SV: No.

PI: So you don't--you really don't know then who shot the gun?

SV: Exactly.

PI: Now why do you think that it was this short person?

SV: Because he was, he was the only one with his hands in his pockets when we was downstairs in the mall and he was talking you know the most besides the other guy that was, that was into my friend uh, [redacted]

PI: About how many--at this point initially how many shots did you hear being fired?

SV: There was three shots before, before we, we were um, yeah three shots before we scattered, before my group scattered. The first shot I got hit with and we was trying to dodge, duck. By the second or third everybody had already vanished and went to their cars.

PI: And where did you run to?

SV: I ran to my car. My car was parked in three aisles right from the door and my brother and my cousin they ran back inside where they were apprehended by the police and the other guys they was just going at with the police.

PI: Now did you see any undercover police officers arrive at the scene?

SV: No. Out by--after the first shot, the second and third I was already by my car. I already hit the alarm to get into my car so my back was turned toward where the gunfire was coming from at this time I was trying to get in the car and get away.

PI: And you did?

SV: Yeah.

PI: So you didn't--over the, over the passage of time since this happened...

SV: Hm-hmm [affirmative].

PI: ...you are now aware that someone else was shooting--began shooting at, at this group of uh, gang members...

SV: Yeah.

PI: ...alleged gang members?

SV: Yeah. Well you could hear the shots as we was going cause the ramp--the exit ramp it would go up and then it go downhill and as it goes downhill this passes right behind the guys is going eastbound and he loops around the mall so after the guys they fired the first, the first three shots then you hear--I heard um, like a bigger gun than what they had because the impact from the shot you could hear that louder and it was like say six, seven more rounds was fired after that and by the time I got to the bottom of Slauson I just ran the light and tried to get to the hospital.

PI: Okay. So you heard three shots from the smaller gun...

SV: And then--

PI: ...that this other group had?
SV: Yeah.

PI: And then you hear the six, seven--

SV: The louder rounds.

PI: Now did you hear anymore rounds from the smaller gun?

SV: No.

PI: Did you hear anyone holler anything?

SV: No.

PI: Did you see any--who was the firing the louder shots?

SV: No.

PI: And who was in the car with you when you left?

SV: Just me and [redacted] He's the one that drove me to the hospital when I started blacking out.

PI: And then your mother was told by this female and male security or police officers that they had been following this other group of--all day.

SV: No. It was in the statement cause when my mom--when my mother she got to the scene of the crime when--as soon as the shooting I should say probably like around 5:00, 6 o'clock and they had my, my brother and my cousin, they had them in handcuffs and they also had [redacted] in handcuffs and they had them separated and um, my mom said she spoke to one of the guards that uh, one of the police officers that arrested my brother, they asked them what happened and she told them she acknowledged that she was the, the parent of one of the um, the, the guys that was up there and they told her, it was in a written statement, they said it was a written statement that um, two undercovers, two undercovers had followed us out and got in an altercation with a group of other males.

PI: Did you actually see who the undercovers were that followed you outside?

SV: No.

PI: So you don't know if it was two males or two females or a male and a female?

SV: No. Well I--
PI: All you remember--

SV: I assumed, I assumed it was the two that was sitting right beside us because you could see the shield on his belt and she had her shield on her belt also, but they had like a jacket on and I guess his phone rang and when he opened up his jacket, his shield revealed and he digged in his pocket for his cell phone.

PI: Did you see any uh, weapon?

SV: No.

PI: And this was a black male...

SV: Yeah.

PI: ...and white female?

SV: Yeah.

PI: So you don't know who was firing that large weapon?

SV: No. Well I know it couldn't have been none, none of the guys that was in my party because none of us didn't have any weapons on us.

PI: Have you been interviewed--well were you interviewed about this incident the night that it happened?

SV: Yeah, twice. I was interviewed at the hospital while they were tending to my wound and then um, the undercovers actually came here twice and picked me up and took me back to the scene of the crime to try to find any of the gunshot um, shells, the shot__the shells that um, that the guys fired towards us and then um, they took my car and took my car to impound and dusted--put some forensic dusting on it and they didn't find anything.

PI: How soon--how long after the day of the shooting did the undercover officers come and talk to you again and take you back?

SV: Probably like a week.

PI: A week later?

SV: Yeah. I'd say probably like a week.

PI: And when did they take your car?

SV: Uh, they took my car at the scene of the hospital. After the hospital they, they called um, the, the flatbed truck and my friend [redacted] said they took the car.

PI: Have you been interviewed--so you were interviewed the night of the shooting...

SV: Hm-hmm [affirmative].

PI: ...and about a week afterward?

SV: Yeah. Twice a week after.

PI: Twice?

SV: Yeah. The, the undercover or the detective they came to my house and got me twice. First they took a verbal statement the first time. Then the second time they took me to the Culver City Police Department, then they took me back to the scene of the crime.

PI: And you told them more or less and re-enacted what happened?

SV: Yeah. They--I mean they also took me along the path that I drove to get to the hospital the way I exited from the mall to get to the hospital.

PI: Have you been interviewed by anyone else since then?

SV: Um, I say there's one time like last year when I was working at [redacted] um, a representative from a law firm um, she called and um, took a verbal statement over the phone while I was at work.

PI: And do you know who this person was?

SV: No I forgot her name.

PI: Do you know who she represented?

SV: Uh, she, she said um, I don't remember what law firm, but she had just told me it was a case pending between the, the guy that had been shot parents and the police department.

PI: So you don't know whether it's for uh, the attorney for the gang members...

SV: The police or...

PI: ...or [inaudible]--
SV: ...the gang, no.

PI: Other than those interviews that you've provided to this unknown female attorney and to the police has anyone tried to contact you since then?

SV: No.

PI: So other than myself uh, no one else has interviewed you as of a year ago?

SV: Yeah--no, no one.

PI: Do you have anything further to add that I may not have asked you?

SV: Uh, that pretty much covers everything.

PI: Is there anything outstanding in your mind that you wish--

SV: Just that I got shot, that's about it.

PI: Do you know of any of your other friends who were shot?

SV: No, I'm the only one that was hit from my crew, my party.

PI: And did you see anyone from that other group get shot?

SV: No. But um, later on that day at the same hospital two of them was admitted to the same hospital where I was at.

PI: Two males...

SV: Yes.

PI: ...from the other group?

SV: Yes. Was admitted to Centinela as all uh, I guess as I was leaving or a--after they already admitted me uh, I don't remember, but I remember the um, the sheriff's had told me that two of them had been admitted there and that was it.

PI: If I need to interview you again would you...

SV: Yes.

PI: ...consent to it?

SV: Yes.

PI: And that will conclude it for now and it's approximately 6:00 p.m. Okay. Thank you.

CLASSIFICATIONS OF BOOKED PROPERTY:
Evidence - Items which are, or may be, related to a crime, or which may either implicate or exonerate a person.
Non-Evidence - Property other than evidence or an arrestee's excess personal property.

PROPERTY BOOKED TO:
Evidence - 1. If related to previously booked evidence, book to same person or firm as on original report. (Use original DR and continue item numbers in sequence.) 2. If not related to previously booked evidence, book to arrestee. 3. If no arrestee, book to victim. 4. If no arrestee or victim, book to owner or possessor. 5. If 1, 2, 3, and 4 do not apply, book to Department employee.
Non-Evidence - 1. Book to owner. 2. If ownership cannot be determined, book to finder.
EXCEPTION: When non-evidence is removed from a vehicle, and the owner of the property is unknown, book it to the registered owner. When neither is known, book it to the employee.

REPORTS REQUIRED FOR BOOKING EVIDENCE:
The employee booking the evidence shall ensure that the correct property information is forwarded with the evidence. (Two copies of reports are required if the evidence is narcotics or firearms, or if blood or urine is booked within O-VB.)
If the Property Report is an evidence continuation page of an Arrest Report or PIR, staple the Property Report on top of the related Arrest Report (or PIR if no Arrest Report), and forward with evidence.
NOTE: If multiple arrestees are involved, the face sheet stapled to the Property Report should be that of the arrestee to whom the evidence is booked.

EXCEPTIONS TO USE OF COMBINED EVIDENCE / ARREST or PIR:
Use a Property Report completed in its entirety and distributed separately when:
* Evidence is related to previously booked evidence.
* Evidence is booked to other than the primary victim (listed at top) of a multiple victim PIR.
* Reporting more than one license plate (or set of plates). One plate may be reported using the combined procedure. Each additional plate (or set of plates) requires a separate complete Property Report and a separate Vehicle DR number.
* The reporting employee's supervisor determines that a separate complete Property Report would be a more expeditious means of booking the evidence under the given circumstances.

DISTRIBUTION OF COMBINED REPORT (Records Unit): Distribute the Property Report as a page of the related Arrest Report and PIR. In addition to that distribution, forward one copy of the Property Report independently as follows:
* R & I CMRS (with ADRIS printout) if there is no crime report involved; i.e., if the report is a combined arrest/evidence.
* R & I Crime and Property TT Unit Supervisor, if a firearm is booked. Forward that copy without delay.

EVIDENCE SEIZED DURING SERVICE OF A SEARCH WARRANT:
(1) Items seized which were LISTED on the search warrant shall be listed on the Property Report under the heading "Seized Pursuant to the Search Warrant - Listed".
(2) Items seized which were NOT LISTED on the search warrant shall be listed on the Property Report under the heading "Seized Pursuant to the Search Warrant - Unlisted" AND shall start with the next sequential item number.
