

## Colorado Sustained Permanency Overview

**List generated for review:**  
All PA4 cases with a probability of re-entry >30% and PA5 >20% are targeted for review. The list is available through the [Mindshare Portal](#), using the blue prediction button.

**Cases Assigned:** Coaching sup assigns cases to coach in Mindshare at a rate sufficient to meet the target cases reviewed for the month.

**Review held:** Coach completes a review of the case using the [Sustained Permanency Review Tool](#).

**Debrief held:** Coach and coach sup debrief to review rating rationale and the approach that will be used if a staffing is needed.

**Staffing held:** Coach, coach sup, cw, and cw sup meet to review opportunities to improve permanency practice and develop next steps if needed. (held <1 business day if safety concern exists)

**Action steps documented:** Coach emails steps agreed upon to cw, documents steps and monitors due dates in Mindshare through the Open Action Items report to ensure completion.

**Perfect Review:** Coach sends cw and cw sup an email congratulating them on a perfect review

**Action steps completed:** Cw notifies coach that steps have been completed and documented. Coach verifies and updates the action step in Mindshare as complete.

**Action steps not completed timely:** Coach and cw agree to revised action step, coach updates the action step in Mindshare.

**Action steps not completed timely:** CW not responsive, accountability staffing held with coach sup, cw sup, and the sup of the cw sup to determine how to resolve the barriers to completing the steps.

### Sustained Permanency- Additional Information

- **Sustained Permanency goals:** 1) To reduce re-entry in Colorado, 2) To support caseworkers in case decision making
- **Target new cases reviewed/mo:** Each county has a set target of new cases to review each month to promote the saturation of sustained permanency values and to meet evaluation goals.

Adams = 8-9   Pueblo = 4-5   Weld = 5-6

- **Number of reviews completed:** The number of reviews each county or reviewer has completed during a specific time frame can be found in the Mindshare portal using the Sustained Permanency Scorecard
- **Mindshare documentation:** for help entering documentation into Mindshare try [the CO Mindshare guide](#)
- **\*Reviews no longer required:** Assigned cases will no longer be reviewed when the case is closed, the child is committed or the permanency goal is no longer return home (fidelity events)
