Jason,

If you could let them know that would be great. Thank you!

Seth,

Sounds good. We will need to notify Hardin CCB of this because they manage all DNR property in Hardin County. I can let them know if you want me to.

Jason

FYI-see attached. Wanted you to be aware. I havnt got much more info on it. I have asked for more though and will send it when I receive it. As far as letting them to exploratory survey, we generally allow that as long as there isnt much disturbance but we do require a permit if its soil borings. I am working on getting a hold of them to understand their needs better. I will send another attachment as well.
