Hi All,

This is a reminder that if you want to add your name to the list for a COVID-19 vaccine, please fill out the Google Form by **tomorrow (Wednesday) night at 9:00 p.m.** If you add your name to the list and then end up getting vaccinated elsewhere before our vaccination date, please let me know so I can remove your name to keep the headcount as accurate as possible. Once we get a vaccination date confirmation, we will have more information for you.

Katelyn
