All Staff,

After the recent announcement from RAILS to reduce the number of days of required quarantine to 3 days (72 hours), we have made the decision at DGPL to follow RAILS and reduce our quarantine time to 3 days (72 hours) effective immediately.

Please see the RAILS announcement below:

RAILS Reduces Delivery Quarantine Requirement to Three Days

After a very careful review of the [most recent results](#) from the REALM study, [a recent review](#) of the REALM data by qualified staff from the Oregon Department of Health via the Oregon State Library, as well as our ongoing understanding of the most likely ways that the current iteration of the COVID-19 virus is transmitted, **RAILS is reducing the quarantine requirement for materials moving through delivery to three days (72 hours) effective Tuesday, October**

27. See [memo from Deirdre Brennan](#), RAILS Executive Director, for complete information.

This change is for ALL items, if you have questions please feel free to reach out to me directly or contact your manager.

Thank you,

Christine
