Hi, Everyone!

All right. I think I have incorporated everything from the webinar into the updated FAQ document. Julie updated the COVID-19 Staff Policies and Procedures document with new information regarding potential exposure and confirmed cases.

Please always access the most recent versions of these documents in the COVID-19 folder.

If you missed the webinar this morning, you must watch the recorded version before we open on July 6. Here is the link to the recorded version:

Topic: All Staff Webinar
