Dear Superintendents, Principals and Heads of School,

Pursuant to Governor Cuomo's decision to place the disposition of high risk school sports to the Local Health Departments, please see enclosed document. This document reflects a consensus of regional Health Department Commissioners and Public Health Directors in an effort to ensure uniformity across the Capital region. The advice reflects science based guidance and practice. Thank you for your immediate attention to this and your ongoing commitment to protecting the health of the students and families you serve.

Best,
