Good afternoon Andrea, on the photo I texted you could we make a One Sign with the MSP Patch and this language, blue background white letters. This sign would be posted outside the barracks entrance.

Could we make Four No Entry Signs in State Police colors with the MSP Patch and below the patch have it read, OFFICAL VEHICLES ONLY NO ENTRY.

Finally One sign that states STATE POLICE SOUTH YARMOUTH with the patch on both ends. Could you make in the size of 10 inches in height by 5 feet in length. If this is not possible could you make it in the size 2 feet in width by 3 feet in height and one MSP Patch.

The other signs came out great, Thank You and hope all is well.

Respectfully submitted

Andrea, can we make the patch much larger, take out Massachusetts and you can reduce State Police South Yarmouth.

Thank You.

Good morning Andrea, the sign I am looking for will have the MSP Patch and below the patch STATE POLICE SOUTH YARMOUTH.

If you have to make it so it is two separate lines, STATE POLICE and below that SOUTH YARMOUTH that would be fine.

The size we are looking for is 3 feet by 4 feet approximately.

Thank You.  
Lt. Atchison.
