Okay we aren't going to go carve pumpkins until this afternoon so unless you need me to come home I'm going to work for a couple more hours?

Read

Nope I don't. Need you

Okay I have a question for you....

Have you talked with anyone about the challenges that I have with the school district? I have talked to you about some of it so that you understand and I'm working to fix the issues but do you talk about it with anyone at all?

Read

No

Okay that's what I thought and you know that I wouldn't be upset if you did right?

Read

Yea
