Re: Response to Public Records Request, File No. 21-55

Dear Mr. Dodgen:

This letter is both an initial acknowledgement and final response to your request for public records, received in your September 10 and 13, 2021 emails, seeking the following:

"I'm requesting the response from the Washington State patrol to background checks done on me by the Edmonds school district under foia that contains the legal responses as listed in WAC 388-06-0810."

"Just to be clear I'm wanting the actual "background check result" that would be the legal written notification from the wsp background check/s results the district was supposed to have done on me when this all first started?"

Records responsive to your request are attached to the email providing this response. This completes our response to your records request. If you have any questions, please let me know.

Thank you for the opportunity to assist you.

Sincerely,

DocuSigned by:
