Re: Response to Public Records Request, File No. 21-74

Dear Mr. Dodgen:

This letter acknowledges receipt of your request for public records in your email dated October 5, 2021, which we numbered for easier reference:

**Item 1:** *"It seems I missed it so I'd like to request the district's official response to me telling the district that what happened when I had my "appeal" was like a soldier having to go to the front lines alone.*

*I may not have the exact phrasing but I believe this was said to Mr. Erdman who was the appointed contact at that time.*

*The topic was my reaction to being surrounded and isolated in a room with 10 other people one whom I had no clue whom they were and they sat directly behind me.*

*I'd like to know how the district addressed that reasonably expressed fear from me."*

**Item 2:** *"Also I missed the responses from former superintendent McDuffy and Mr. Erdman when I asked how the hearing worked, what was the format etc....*

**Item 3:** *I'd appreciate being shown the districts official response to that and the official notification that it was an appeal to be a volunteer?"*

**Item 4:** *"Also one more thing is the districts official response to me asking why Dr. McDuffy asked for an off the record closed door meeting to "really discuss the issues"?"*

The District currently estimates providing you with the first installment of records you requested by November 5, 2021. The time required to respond to your request is based upon the need to locate and assemble the requested information, to notify third persons affected by your request, if any, and/or to determine whether any of the requested information is exempt from public disclosure. If this estimate needs to be revised, we will let you know.

Sincerely,
