FOIA Request Harassment

email: [redacted] Friday, February 12, 2021 at 9:51:03 PM Pacific Standard Time
To: email: "schwabg@edmonds.wednet.edu Greg Schwab" , email: "balderasg@edmonds.wednet.edu"

Hello,

[redacted] requested documents through the Freedom of Information Act

[redacted] As you know, [redacted] the legal right to request these documents. Edmonds Heights Performing Arts was contracted by the Edmonds School District.

We are now being harassed on Facebook by one of the perpetrators (Beth Mahmoud-Howell, Executive Director of Edmonds Heights Performing Arts) and by Rick McKenna, who is married to April Osborne. Please see the attached screenshot which was shared with me.

[redacted]

I had been trying for months to be heard [redacted] at the hands of April Osborne and Beth Mahmoud-Howell. I wanted a plan, Beth was directed to create a plan, and she never did. [redacted]

[redacted]

I am aware that you now have evidence of several other students [redacted] while working with EHPA at Edmonds Heights K-12.

I spoke to Greg along with Justin Irish about this situation just over a year ago, in October 2019.

I want the current harassment by the district's former contractor to stop; I hope you have an attorney who can make it clear to them that they are not allowed to harass me or a former student [redacted] [redacted] after a legal request for information.

Thank you.

That day when you regret saying yes to a thankless job and the dysfunctional people that are STILL harassing you years after you left. So over it! Seriously folks get a life.

You truly thought you could make a difference. No doubt you did and many students benefitted from your efforts. Forget the adults that worked against you.

She's a big stupid head. And the fact that this is still a thing speaks volumes about her life and happiness, or lack thereof. But yeah, it's infuriating.
