On September 11, 2022, I received a public records request from you pertaining to our agency use of force reports for 2021. On September 16, 2022, I responded, requesting an additional 14 days to respond to your request. Your request was for the following:

Please include as part of this a breakdown of how many use of force incidents in each year were related to law enforcement operations and how many were related to correctional/custodial operations.
2. the total number of civilian complaints alleging any form of law enforcement misconduct that were reported and the total number sustained in 2021.
3. the total number of civilian complaints alleging law enforcement use of excessive force that were reported and the total number sustained in 2021.
