Subject: Drone flight details

Sgt. Williams,

Commissioner Rex Steninger would like your assistance flying a drone near the Butte Valley Road to video some horses that are potentially starving. He will meet you at the Butte Valley and US93 intersection on Friday the 12th at 1130 hours and escort you to the location. He will be in a four-door white Ford pickup truck. I am not sure how familiar you are with that area, but the intersection is approximately 5 miles south of Spruce Mountain on the west side of the road.

Let me know what batteries you need for that drone, and we will get them ordered.

Thanks,

Undersheriff Justin Ames

Subject: RE: Drone Registration

Good Morning Steve,

I am assuming the registrant was Ronald Supp. This is solely based on the fact he completed the state registration. The FAA registration number he provided on the state registration was FA39MAX4. I hope this helps. Thank you!

Subject: Drone Registration

Hello,

I am trying to track down the FAA registration for a drone our agency has that was registered by one of our previous Undersheriffs. That Undersheriff is no longer with us and has not been for some time. The FAA registration information is needed to comply with a FOIA request. Any idea how I can get a copy of that registration? Any help would be greatly appreciated. Thank you!

Sergeant Calvern Williams
Patrol Division

Small UAS Certificate of Registration

Registered Owner: Elko County Sheriff's Office

UAS Manufacturer: DJI

UAS Model: Inspire 2

Serial Number: FCC ID SS3-T650A1609

Registration Number: FA3HRP7MHT

Issued: 02/14/2023

Expires: 02/14/2026

This Small UAS Certificate of Registration is not an authorization to conduct flight operations with an unmanned aircraft. Operations must be conducted in accordance with applicable FAA requirements. The operator of the aircraft is responsible for knowing and understanding what those requirements are. For more information on flying requirements, please visit the FAA website at www.faa.gov/uas.

For U.S. citizens, permanent residents, and certain non-citizen U.S. corporations, this document constitutes a Certificate of Registration. For all others, this document represents a recognition of ownership.

Operators of unmanned aircraft must ensure they comply with the appropriate safety authority from the FAA and economic authority from the DOT.
