Toni Neidhold from Pasco is looking for the following information:

I'm interested in any contract language or MOUs related to using a TimeClock system for employees to clock in/out. Specifically, any language related to a grace period (say 5 minutes) or language that would indicate pay would not be automatically deducted as a result of clocking in late. I'm also interested in any other language districts have developed in regard to a TimeClock system that has been helpful as we move forward in implementation.

Please send your response to: [TNeidhold@psd1.org](mailto:TNeidhold@psd1.org)

Also, cc your response to: [cleonard@wspa.net](mailto:cleonard@wspa.net)

Thanks,

Curtis

Good morning Connie,

I can't find our job description for Director of Instructional Technology and Assessment unfortunately; but these other 2 may help you.

The TOL is a non-rep position and directly under the director; the TOSA/Instr.Techn. is in the Teacher's union.

Happy Friday!
