A few member requests for the end of the week.

Request #1

Laura Sumner from Spokane Public Schools is wondering if District's allow new hires to being working prior to their fingerprint results clearing? If no, what does your district's process look like and is it the same process for all types of employees/hires? And, what is the impact of making the person wait to begin work until fingerprint results have been received?

Please send your response directly to: laurasu@spokaneschools.org

Also, cc your response to: cleonard@wsipa.net

Thanks,

Curtis

Hi Laura,

We require the fingerprint receipt back prior to working; but not results.

We have a person to routinely look if they are cleared.

We have so many that need re-dos; it would be a long time before someone could work if we waited for clearance on some.

We have very few unknown hits; since on the disclosure piece of their application they are supposed to disclose offenses.

Enjoy your Monday!!

Barb
