Hi Julie!

I am attaching the schedule for HELP this summer. I have you scheduled the same day and time as in the past. If you will be needing hotel accommodations, please let me know and I will make those arrangements at the Doubletree Suites at Southcenter.

Thank you again for your willingness to present. It is greatly appreciated. I will be sending additional reminders as we get closer to the date, along with a reimbursement form for mileage and the stipend for presenting.

Hi Jane,

Thanks for the email and update! I will use my same presentation as last year and make any necessary changes. I will keep in touch :)

Thanks again and have a great week!

Good morning,

I just receive this email from Linda at Clover Park:

Linda:

Julie committed to presenting at HELP on Budget, and said she may bring her replacement with her to take over in the following years. When I sent the email regarding the schedule to Julie, it bounced back and said to reach out to you. Would you mind forwarding her the email you received so that I can get a confirmation from her?

Thank you so much.

I have the benefits portion and do not have a replacement? I sent a reply back to you on April 3rd with my confirmation - (see below) - did you not receive it?
Please let me know as I thought we were good to go?

Thanks,
Julie
