Enrollment Time  
Is Just Around The Corner!!

We know it's hard to believe, but yes we are coming to that time of the year.

Enrollment Time!

In the next coming month you will be receiving our weekly emails highlighting coverage available to students and staff.

As well the emails will contain very important information pertaining to the coming renewal application for your school district.

We hope to make the renewal process as simple as possible for each district, and to help us ensure that your district receives the email with the electronic application in a timely fashion.

The most important thing is that we have the correct contact person down for your district!

So if you are receiving this email, you are listed as the contact person for this year's renewal; so if you are no longer the contact person that will be handling the renewal for the Student Accident Coverage or if you would like to have the contact person changed.

Please send us the information listed below:

District's Name  
New Contact Person's Name & Title  
New Contact's Email Address  
New Contact's Phone Number (if different)

Please email the update to  
Denise at [BRicks@myers-stevens.com](mailto:BRicks@myers-stevens.com)  
Alison Toohey at [atoohy@myers-stevens.com](mailto:atoohy@myers-stevens.com)

This will help ensure that your district receives their renewal application on time!

=C2=A0Enrollment Time!<br>

<br>

<br>

In the next coming month you will be receiving our weekly emails highlighting coverage available to students and staff.<br>

<br>

<br>

As well the emails will contain very important information pertaining to the coming renewal application for your school district.<br>

<br>

<br>

We hope to make the renewal process as simple as possible for each district, and to help us ensure that your district receives the email with the electronic application in a timely fashion.<br>

<br>

<br>

The most important thing is that we have the correct contact person down for your district!<br>

<br>

<br>

So if you are receiving this email, you are listed as the contact person for this year's renewal; so if you are no longer the contact person that will be handling the renewal for the Student Accident Coverage or if you would like to have the contact person changed.<br>

Enrollment Time  
Is Just Around The Corner!!

We know it's hard to believe, but yes we are coming to that time of the year.

Enrollment Time!

Jane\_Rausch--tim\_madden@enumclaw.wednet.edu\_0

In the next coming month you will be receiving our weekly emails highlighting coverage available to students and staff.

As well the emails will contain very important information pertaining to the coming renewal application for your school district.

We hope to make the renewal process as simple as possible for each district, and to help us ensure that your district receives the email with the electronic application in a timely fashion.

The most important thing is that we have the correct contact person down for your district!

So if you are receiving this email, you are listed as the contact person for this year's renewal; so if you are no longer the contact person that will be handling the renewal for the Student Accident Coverage or if you would like to have the contact person changed.

Please send us the information listed below:

District's Name

New Contact Person's Name & Title

New Contact's Email Address

New Contact's Phone Number (if different)

Please email the update to

Denise at [BRicks@myers-stevens.com](mailto:BRicks@myers-stevens.com)

Alison Toohey at [atoohy@myers-stevens.com](mailto:atoohy@myers-stevens.com)

This will help ensure that your district receives their renewal application on time!
