Hello!

Attached is information and a parking permit for the career fair next Wednesday.

Barb and I will be there early to set up so, no need for you to do anything except arrive ready to share about our amazing District!
Doors open to applicants at 9 am. It starts out really busy and usually slows way down by 1. I know how hard it is to be out of your buildings so, we are grateful for any amount of time you can attend.
Even if you aren't anticipating a hire this year, it's a great way to build connections with educators. You never know where one positive interaction will lead!

Let me know if you have any questions,

Stevi
