In preparation for the NWRDC Executive Board meeting on October 18, 2016, we would appreciate if you could confirm that we have the correct individuals listed as both your District Superintendent and Business Manager. Please review the attached document and respond with either correction or confirmation that we have the appropriate individuals and positions listed.

You will note, this year there is also a column to indicate the correct name and title for the Superintendent's administrative support individual. If you are no longer in this position, would you please respond with the correct information or forward this to the appropriate individual? If you have any questions or concerns about providing this information, please feel free to contact me.

Thank you for your assistance. I look forward to working with you again this year.
