Subject : 1/30/18- RE: Contracted/permanent cert substitutes

Good morning everyone! Currently the Federal Way School District is not using permanent certificated or classified substitutes for any of our school.

CJ Carter, Guest Employee Specialist, HR

Subject: Contracted/permanent cert substitutes

Good morning Networking Group,

Reaching out one more time to see if any of you have/use permanent certificated substitutes hired on contract. If so, what are the terms of the contract, to include: length, pay, placement on salary schedule, benefits, etc..., and if applicable, exclusions to applying for other district positions while under contract.

Any information you can provide is appreciated!

Thank you,

Jeffrey W. Shropshire
Substitute Coordinator
Auburn School District
