Last request - have a great weekend!

Janet Hodson from Federal Way Public Schools is inquiring do other districts allow teachers who go on a leave that does not involve their own medical issue and/or on child rearing to work extra-curricular assignments (coaching or after school clubs) while on leave? We have a request that is child-rearing but the person wants to continue to do a debate club after school activity.

Please send your response directly to: jhodson@fwps.org

Also, cc your response to: cleonard@wspa.net

Thanks for the continued support!

Curtis
