**It has been the best 4 month start to a year I have ever had in terms of sales ,
Crest Foodservice Equipment has been in business for 30 plus years and has 3**

Showrooms. We also have a full size warehouse where we stock and ship equipment and small wares that are used in School kitchens every day. We have a catalog that will show you every item we stock and sell so that when you order it comes all at once, and you **save money on shipping**. Being based in Virginia I can't set in place all over the Country but can ship anywhere in the CONUS. **I have the best pricing in the Country on Southbend Ranges, Convection Ovens and Steamers**, but we also sell every other manufacturer that you currently purchase. **We sell in every state of the country and I return most quotes in less than 10 minutes**. I would love to have an opportunity to quote you on your next purchase. **I have catalogs available upon request and hope you will consider me**. "PLEASE EMAIL FOR IMMEDIATE RESPONSE!" and thanks to those that continue to purchase and use me in the quoting process. If you are receiving this email I either currently quote and sell you or I want to work with you in the future.
