Aloha All

I would like to forward this program to you both it is designed to support and retain our educators of color. I would like if you both could attend the first day so that you can help in supporting this important leadership movement and help to share in cultivating healthy environments. Please let me know if you are available to attend on the 9/27 and 5/15 these are the dates for your support. We can talk more as well

Good Afternoon Everyone,

Registration for the 2018-2019 Cohort of the Educators of Color Leadership
Community is now open!! Please pass this information onto your teachers of color.

As a RETURNING PARTICIPANT you do not need to complete the Teacher intake
form. Please do complete the principal intake form

This program is designed to support and retain our educators of color in the Puget
Sound ESD region.

As a participant in the ECLC, you will have the opportunity to participate in an experience that
combines culturally responsive mentoring and coaching with professional development and
leadership opportunities relevant to your needs and interests as an educator of color. We will
intentionally support the relationship you have with your principal so that as a team, we can
foster and cultivate a school environment that will allow educators of color to thrive. We have
received input from teachers of color across the PSED region to help us design the ECLC as a
pilot program, and we look forward to creating an experience that connects educators of color
to one another, to their principals and administrators, and to other sources of support and
growth opportunities.

**When children are taught by those who believe in and can recognize their brilliance, and
who reflect and understand their cultural context, and who model what they can achieve,
they too can realize their hopes and dreams.**

For more information, important dates, and to enroll in the 2018-2019 ECLC, please visit
