Hello.

We have some staffing changes at the Unemployment Pool to announce.

Peggy Marshall kindly stepped in to temporarily help with the Unemployment Pool back in March. The plan was to keep her on board until June. As you know, we exceeded that time and she was generous enough to continue helping until now. It was great to have Peggy back here at PSED, but I know she was more than ready to return to her retired lifestyle which she did on October 31.

I am very happy to share with you the good news that **Jessica Dedrick** has accepted the position of Client Services Coordinator. This is a new position that will support the Unemployment Pool and other initiatives at PSWCT. Jessica brings a wide variety of skills and experience to the position including communications, board liaison, claims operations, paralegal, systems/conversions and unemployment claims. Many of you may know her from her role as Executive Assistant for the Puget Sound Workers' Compensation Trust/Unemployment Pool.

Jessica will begin working with the Unemployment Pool on November 6. You can expect to see emails and information from her beginning then. You can contact her directly at jdedrick@psed.org.

Please join me in welcoming Jessica as an official part of the Puget Sound Unemployment Pool.

Thanks,

Susanne
