Good Morning Everyone,

Attached is the Student Transportation Directory for 2019-20. This document will not be available on the Student Transportation homepage.

The contact information in this directory is based upon your reply to Cherrie Williams' email (from ESD 112 in August/September) requesting you to review and update your data. At this time, OSPI is not expected to update this directory until next school year.

Thank you.

*Kim Kimbler*

Administrative Program Specialist

Student Transportation
