I am pleased to have been nominated to represent Region 4 as the Secretary. I have worked in education since 2006 and have been a WSPA member since beginning my HR career in 2010. My roles have included HR Secretary, HR Specialist and my current position of Administrative Assistant of Human Resources. As the Administrative Assistant, my responsibility is to assist our Administrator in ensuring our department runs efficiently and effectively. My experiences have given me the knowledge and qualities I know are required to fulfill this position. I have attended HELP as well as many WSPA sponsored events and value the knowledge and relationships established throughout this wonderful organization. Most recently, I had the privilege of working with a wonderful team to coordinate this year's Annual Conference. This was an incredibly rewarding adventure as we watched our months of planning come together for what I believe was a conference to remember. I would be honored to serve as a Secretary of this association.

Thank you for your consideration.

Stacia Dorman
Administrative Assistant - Human Resources
Sumner School District

Dr. Shaun V. Carey

Currently serving as the Assistant Superintendent of Human Resources in the Franklin Pierce School District. Previously served as the Executive Director and Director of Human Resources, Elementary School Principal for 11 years, middle school Dean of Students, middle school teacher, and elementary school teacher.

My professional education accomplishment include: Doctorate in Educational Leadership from Washington State University in 2012, Administrative Credentials from Pacific Lutheran University in 2000, Masters of Education in Curriculum and Instruction from City University of Seattle in 1997, and Bachelors of Education in K - 8 Education from Pacific Lutheran University in 1994.

Please accept my expressed interest in continuing to serve as a co-representative for Region 4 to the WSPA Board of Directors. Given my experiences as a building and district level administrator, I believe that I have the requisite skills and abilities needed by a leader chosen for this position. I have a firm understanding of the challenges and issues that school employees face, and have acquired a skill set that enables me to serve as an effective and efficient problem-solver. I have a good command of best practices in human resources management and a commitment to serve those in need, with equal parts of confidence and a sense of humor. My current experience as a regional representative has been enlightening and impactful, and I look forward to the opportunity to again serve the association in this capacity.
