Clarence Thomas is FURIOUS! His *only* goal is to work against Democrats!

But if we pass the Judiciary Act, President Biden will appoint 4 MORE JUDGES to the Supreme Court and finally create balance!

Clarence Thomas KNOWS this will take away all of his power.

We're racing to reach 60,000 donations by Friday night to PASS this genius bill and RUIN Clarence Thomas' career!

Look, time is of the essence. We can't afford anymore of the Court's dangerous decisions! This is so serious, that we've activated a 200%-Match on ALL donations.

Thank you for supporting the Progressive Turnout Project. We're a 100% grassroots-funded organization with a single mission: rallying Democrats to exercise their right to vote.

We believe that emails are a crucial way for our campaign to stay in touch with supporters like you. However, if you'd prefer to unsubscribe, [click here](#). If you'd like to receive fewer emails, [click here](#).

As the largest voter contact organization in the country, Progressive Turnout Project made a huge impact in 2022. But our work is far from over. Our very democracy is being hijacked by efforts to make voting inaccessible to the many, in service of the few. If you'd like to donate, please [click here](#). Thanks for your support!
