Re: *Federal Way School District – Public Records Request*

Dear Muckrock People:

On behalf of our client Federal Way Public Schools (the District), this letter covers the 1<sup>st</sup> installment toward your public records request dated November 3, 2021. Attached you will find the following records, plus an exemption log describing redactions made to these records:

- **Indices of the District's public records request from 2013 – 2020 (MUCKROCK\_000001 – 000089)**

We note that you request that records are disclosed to you in native format. For this production, the District is unable to accommodate this request because redactions of information in the records were necessary, and we are unable to effectively apply redactions to records in native format.

The remaining records that you have requested will be sent in future installments. At this point, we estimate that the next installment will be ready on or about **May 16, 2022**. Please note that this date is for an installment, and that the estimated date of completion of this very large request remains November 3, 2023.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Zilavy". The signature is stylized and cursive.
